The Minor League Register:

The Minor League Register Lloyd Johnson, 1994-11-01 *The Integration of Minor League Baseball* Rick Swaine, Gary C. Fink, 2025-05-20 Though much has been written about Negro Leagues players and Black major leaguers of the integration era little attention has been given to the accomplishments and struggles of Black minor league pioneers This work is a history of minor league integration with complete records for the more than one thousand players of color who toiled in Organized Baseball's minor leagues from 1946 to 1959 competing against the odds for a shot at the big leagues that few would get This work is a tribute to an underappreciated group of men who helped clear away the vestiges of a racist system that kept many of the game's best players from gaining the recognition they deserved Only about 10% would ever appear in the major leagues but the careers of Black major league stars of the 1950s and 1960s were built on the backs of this largely forgotten generation of players The underlying statistical and demographic information is compiled in a comprehensive register of players that were not or probably would not have been given a chance in Organized Baseball prior to the crossing of the color barrier due to their racial heritage **The Encyclopedia of Minor League Baseball** Lloyd Johnson, Miles Wolff, 2024-12-19 When the pandemic hit in early 2020 baseball's minor leagues cancelled their seasons A few independent leagues tried abbreviated schedules but all Major League affiliates shut down for the first time in more than 120 years Since then Major League Baseball has taken over governance of the minors and leagues and teams have been eliminated In its fourth and final edition this book gives a complete accounting of the minor leagues as they were known from the late 19th century through 2019 **The Register** United States. Selective Service System, 1993 *The Dizzy and Daffy Dean Barnstorming Tour* Phil S. Dixon, 2019-08-26 This book follows Dizzy and Daffy Dean's All Stars as they barnstormed across the country in 1934 taking the field against the greatest teams in the Negro Leagues It shows the glory of the games as well as the disingenuous journalistic tactics that proliferated during the tour with an introspective look at its impact on race relations In 1934 brothers Dizzy and Daffy Dean were stars of Major League Baseball's regular season and World Series Following their St Louis Cardinals victory over the Detroit Tigers in Game Seven Dizzy and Daffy went on a fourteen game barnstorming tour against the best African American baseball players in the country The Dizzy and Daffy Dean Barnstorming Tour Race Media and America's National Pastime examines for the first time the full barnstorming series in its original and uncensored splendor Phil S Dixon profiles not only the men who were part of the Deans All Star teams but also the men who played against them including some of baseball's most monumental African American players Dixon highlights how the contributions during the tour of Negro League stars such as Satchel Paige Chet Brewer Charlie Beverly and Andy Cooper were glossed over by sports writers of the day and grants them their rightful due in this significant slice of sports history The Dizzy and Daffy Dean Barnstorming Tour gives careful consideration to the social implications of the tour and the media's biased coverage of the games providing a unique window for viewing racism in American sports history It is more than a
