effective soul winning We have been given the Person of the Holy Spirit as our helper along with tools such as using the law wisdom prayer etc to guide us in our efforts to obey the Great Commission However all of our feeble efforts must rest upon the foundation of Gods nature Just like the foundation of a building must be strong to allow and sustain its erection so too must Christ followers draw the lost to the cross from the bedrock of Gods nature of kindness The kindness of God is not simply a politically correct cliché but the very key to unlocking the heart of the unbeliever **The miracles of Jesus, by T.G. Selby [and others].** ,1903 The Power of Kindness Sandra Lee Keefer,2001-02 This is a book of inspiration It is a book of belief in the power of our human warmth caring and kindness The purpose is for all of us to realize the power and impact we have on each and every life we touch This invaluable book will show parents teachers children and all of us the true POWER OF KINDNESS **Positive Living Through Positive Affirmations** Sylvester Renner,2012-08-21 **The Kindness Cure** Tara Cousineau,2018-02-02 It s time for a kindness revolution In The Kindness Cure psychologist Tara Cousineau draws on cutting edge research in psychology and neuroscience to show how simple practices of kindness for ourselves for others and for our world can dissolve our feelings of fear and indifference and open us up to a life of profound happiness Compassion for ourselves and others is our birthright as humans hardwired into our DNA and essential to our happiness But in our fast paced technical savvy and hyper competitive world it may come as no surprise that rates of narcissism have risen while empathy levels have declined We now find ourselves in a cool to be cruel culture where it s easy to feel disillusioned and dejected in our hearts homes and communities So how can we reverse this malady of meanness and make kindness and compassion an imperative The Kindness Cure draws on the latest social and scientific research to reveal how the seemingly soft skills of kindness cooperation and generosity are fundamental to our survival as a species In fact it s our prosocial abilities that put us at the head of the line Blended with moving case studies and clinical anecdotes Cousineau offers practical ways to rekindle kindness from the inside out We are wired to care The very existence of our human species evolved because of an intricate physiology built for empathy compassion and cooperation Yet we have an epidemic of loneliness indifference and cruelty and we see these destructive trends on a daily basis in our families schools neighborhoods and workplaces This important book teaches effective skills in compassion mindfulness and social and emotional learning and reveals successful social policy initiatives in empathy taking place that inform everything from family life to education to the workplace Kindness has the exponential power to renew relationships and transform how we think feel and behave in the world Will you be a part of the revolution The Miracles Gary Inrig,2021-04-07 Jesus s miracles are central to understanding who He is because they are inextricably woven into His life and ministry From faith based Christians to hardcore skeptics all will gain insights into the evidence of Jesus s miracles and why He performed them You will clearly see that Jesus s acts of supernatural power were purposeful and were marks of His majesty and revealers of His person Citing Scripture and other supporting sources Gary Inrig creatively walks you through fourteen biblical miracles to assure you not
