The Mirror Of Her Dreams:

The Mirror of Her Dreams Stephen R. Donaldson, 2013-09-04 With The Chronicles of Thomas Covenant Stephen R. Donaldson changed the face of fantasy fiction forever In The Mirror of Her Dreams the astonishing first novel in the two volume Mordant's Need series Donaldson shows us a world of wondrous beauty and seductive illusion where mirrors hold the deadliest of magics and nothing is what it seems The daughter of rich but neglectful parents Terisa Morgan lives alone in a New York City apartment a young woman who has grown to doubt her own existence Surrounded by the flat reassurance of mirrors she leads an unfulfilled life until the night a strange man named Geraden comes crashing through one of her mirrors on a quest to find a champion to save his kingdom of Mordant from a pervasive evil that threatens the land Terisa is no champion She wields neither magic nor power And yet much to her own surprise when Geraden begs her to come back with him she agrees Now in a culture where women are little more than the playthings of powerful men in a castle honeycombed with secret passages and clever traps in a kingdom threatened from without and within by enemies able to appear and vanish out of thin air Terisa must become more than the pale reflection of a person For the way back to Earth is closed to her And the enemies of Mordant will stop at nothing to see her dead

AERA: IN THE MIRROR OF HER OWN LOVE Anjum J Parveen, 2025-09-02 For ten long years Aera devoted her life to a man who saw her only in the shadows of his busy days When her silent love turned into silent suffering she found herself falling into the arms of someone who promised affection only to break her deeper than before Set against the vivid backdrop of modern Korean life Aera In the Mirror of Her Own Love is a hauntingly beautiful story of devotion betrayal and quiet resilience It follows Aera's journey as she loses herself in others expectations learns the sharp pain of being unseen and discovers that no love no matter how intoxicating can replace the love she owes herself Poetic emotional and empowering this novel reminds every reader that true healing begins when we choose to become our own sanctuary

The Hero in the Mirror Sue Grand,2011-05-20 In times of stress trauma and crisis whether on a personal or global scale it can be all too easy for us to externalize a larger than life figure who can assuage our suffering a Hero who comes to the fore even as we recede into the background In taking on our collective burden however such an omnipotent Hero can actually undermine us representing as it does the very same characteristics we fail to note in one another By granting the Hero to power to set things right we seem to deny it to ourselves leaving us temporarily lightened but ultimately helpless In response Sue Grand deconstructs the myth of the Heroic and argues for the ordinary hero a more realistic figure with the same limitations concerns and fears as the rest of us but who nonetheless stands up for the greater good in the face of danger despair and villainy From the foundation of relational psychoanalysis Grand incorporates cultural and ethical considerations in her examination of what this ordinary hero might look like a trip that takes us from the consulting room to right outside our front doors from the heart of a civilized nation to the myriad war torn regions dappling the globe both past and present Along the way we meet individuals whose encounters with adversity range from the mundane to the catastrophic and learn how they struggle against the dubious concept of the Hero looming large in their lives Recounting this journey in finely tuned yet imminently accessible and enjoyable prose Grand demonstrates that the best place to ultimately find the ordinary hero is within each other The hero is us *The Mirror of Literature, Amusement, and Instruction* Thomas Byerly,John Timbs,1834
