The Mitchells Five For Victory Van Stockum Hilda Mitchells Series:

The Mitchells: Five for Victory Hilda Van Stockum, 1994-08-01 **Friendly Gables** Hilda Van Stockum, 1996-04-01 It is two years after the events in *Canadian Summer*. The Mitchells are settled in their new home *Friendly Gables* and twins have just been added to the family. With Mother recovering from the births and with other changes in the household the children must come to terms with themselves in new ways. Joan's first dance, Patsy loses her glasses, Peter's disastrous fight, Angela's misadventure in the woods, Timmy's good news and Catherine's brush with fire are only a few of the incidents in the life of this busy growing family. With her usual humor and compassion the author brings the Mitchell trilogy to a satisfying close. Illustrated by the author. 3rd book in the Mitchells Series *Canadian Summer* Hilda Van Stockum, 1996-02-01 The large and growing Mitchell family transferring their location to Montreal can't find a house to buy or rent. They settle over Mother's protests for a remote rickety summer house in the woods near a lake. The dangers, antics, quarrels and fun which now unroll bring each member of the family into vivid characterization. Meanwhile we meet some delightful French Canadians and taste the special qualities of rural Quebec in the late 1940's. Illustrated by the author *Pegeen* Hilda Van Stockum, 1996 When her grandmother dies orphaned Pegeen finds a temporary home with the O'Sullivan family and dreads the inevitable day when she must go to live with her uncle in America **Designing Your Own Classical Curriculum** Laura M. Berquist, 2010-09-20 Home educator Laura Berquist presents a modern curriculum based on the time tested philosophy of the classical Trivium: grammar, logic and rhetoric. She has given homeschoolers a valuable tool for putting together a liberal arts curriculum that feeds the soul as well as the intellect. Her approach covering grades K-12 is detailed and practical and it is adaptable by parents and teachers to any situation. This third revised edition includes a much expanded section for a high school curriculum and an updated list of resources for all grades *A Landscape with Dragons* Michael D. O'Brien, 1998 The Harry Potter series of books and movies are wildly popular. Many Christians see the books as largely if not entirely harmless. Others regard them as dangerous and misleading. In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting. His analysis, written before the rise of the popular Potter books and films, anticipates many of the problems Harry Potter critics point to. *A Landscape with Dragons* is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them. In this study of the pagan invasion of children's culture O'Brien, the father of six, describes his own coming to terms with the effect it has had on his family and on most families in Western society. His analysis of the degeneration of books, films and videos for the young is incisive and detailed. Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution. In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture. If you have ever wondered why a certain children's book or film made

you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through highschool *The Harp and Laurel Wreath* Laura M. Berquist,1999 Contains poems chosen to foster a love of language in students of any age level including works by Robert Louis Stevenson Longfellow Frost and Yeats and includes dictation selections to help improve writing ability and study questions for many of the poems American Book Publishing Record ,1997 *Subject Guide to Children's Books In Print*, 1996 R R Bowker Publishing,1996 *The Mitchells* Hilda Van Stockum,1947 *Young Wings* ,1947 **The Mitchells** ,1953 Follows the adventures of the five Mitchell children living with their mother and grandmother in Washington D C while their father is away fighting in World War II Children's Books In Print 1998 Bowker Editorial Staff,R R Bowker Publishing,Bowker,1998 **Guide Post** ,1946 **Books in Print** ,1991 **Forthcoming Books** Rose Arny,1996-06 *The Bookmark* ,1946 **Children's Books in Print, 2007** ,2006
