The Modern Magi A Christmas Fable:

The Modern Magi Carol Lynn Pearson, 1994 *The Modern Magi: A Christmas Novel* Carol Lynn Pearson, 2023-02-02
Annabelle had the strangest feeling as though she were about to tiptoe into the most wonderful room and leave the most wonderful present under the most wonderful tree and she couldn't wait to hide and watch the face of the someone who would open it Fifty seven year old Annabelle Perkins lives alone in a small Midwestern town and works as a waitress But she dreams of traveling to the Holy land and giving a gift to Jesus at his birthplace just like the magi did two thousand years ago After saving her money for months her dream is about to come true Then something unexpected forces Annabelle to make a series of difficult decisions From Carol Lynn Pearson the best selling author of *A Christmas Thief* and *A Stranger for Christmas* comes this poignant Christmas tale about the true meaning of giving sacrifice and faith *The Modern Magi* Pearson, 1998-10-01 **Nativity: the Christmas Story, Which You Have Never Heard Before** Richard R. Racy, 2007-11-02 Sometimes reading like a historical novel or a forensics detective story a melodrama or a scientific adventure Nativity takes the reader on a fast awesome ride of discovery into the real history and real people behind the birth of Christ Nativity is the ideal reference for pastors students and laymen combining scholarly depth and reliability in a popular writing style easily accessible to all with references for independent study New elements of meaning and relevance to the Nativity Scientific evidence virgin births occur as often as identical twins but Jesus was one of a kind The life and death drama behind Joseph and Mary rarely told The real events of Bethlehem and Nazareth Herod amazing genius whose architecture excelled Rome and kept his murdered wife in a jar of honey Was Jesus incarnated from the time of the Fall Is the Christmas tree a pagan idol or a biblical image of the Tree of Life While vigorously defending the traditional faith Richard Racy gives new insights and new theological perspectives guaranteed to inform and provoke while entertaining in a major new work on the birth of Jesus Christ A revealing and thought provoking new book that truly tells us the Christmas story which we have never heard before *Inside the Christmas Story* Anthony Bash, Melanie Bash, 2012-11-02 Depressed by Winterval Put Christ back into Christmas with a fresh understanding of the Christmas story based on daily Advent readings and meditations If you are troubled by the noise pressure and materialism of secular Advent with its emphasis on material and commercial rather than spiritual preparation for Christmas this book will help you to read and think about Advent and Christmas in a new way Co authored by a New Testament specialist and a practising clinical psychologist it explores the familiar narratives from the Christmas story with freshness and vigour and draws out their implications for day to day living The Christmas story is full of themes that we often avoid in churches asylum seekers and refugees death loss and suffering old age childlessness but they can give a new depth and meaning to our Christmas celebrations Christmas will not seem the same again *A Jewish Christmas Story* Frank Straight, 2010-01-15 In the first two chapters of his Gospel Matthew writes about the birth of the Messiah Did he intend for the narrative just to be used for childrens pagents and to provide ideas for

lawn decorations Surely he had more serious purposes in mind but sadly this beginning part of his Gospel has been often trivialized down through the centuries What important information was he conveying What issues facing his readers did he confront Could Jesus of Nazareth a place thought to produce no good thing really be the Messiah Hadnt his birth actually been a scandal Why would wise men bring him gifts How many wise men were there anyway And that part about the star maybe it wasnt actually a star A Jewish Christmas Story is a study guide which brings new insights to a story with which many are familiar but one whose real meaning is seldom considered seriously *Aspects of the Modern Short Story* Alfred Charles Ward,1924 *Dangerous Giving in Nineteenth-Century American Literature* Alexandra Urakova,2022-04-27 This book explores the dark unruly and self destructive side of gift giving as represented in nineteenth century literary works by American authors It asserts the centrality and relevance of gift exchange for modern American literary and intellectual history and reveals the ambiguity of the gift in various social and cultural contexts including those of race sex gender religion consumption and literature Focusing on authors as diverse as Emerson Kirkland Child Sedgwick Hawthorne Poe Douglass Stowe Holmes Henry James Twain Howells Wilkins Freeman and O Henry as well as lesser known obscure and anonymous authors Dangerous Giving explores ambivalent relations between dangerous gifts modern ideology of disinterested giving and sentimental tradition **The Modern Witchcraft Introductory Boxed Set** Skye Alexander,2023-10-10 Start casting spells and holding rituals today with this enchanting boxed set featuring three titles in the Modern Witchcraft series introducing witchcraft for beginners a full spell book and your very own grimoire to chronicle your practice The Modern Witchcraft Introductory Boxed Set is the perfect collection of books for new and novice witches With an introductory guide a spell book and a grimoire novice witches will have all the guidance and direction needed to get started The boxed set includes The Modern Guide to Witchcraft This book carefully guides you through each step needed to start your witchcraft practice along with ways of personalizing them to your specific situation so you can make your practice your own The Modern Witchcraft Spell Book This book teaches you how to harness your inner magic through incantations potions and charms perfect for the modern day witch to find love build wealth and shape your destiny The Modern Witchcraft Grimoire This book teaches you the importance and history of the witch s grimoire Then it goes step by step through the process of putting together your very own grimoire These three titles come together to create a magickal guide as you start your witchcraft journey *American Book Publishing Record* ,1996 *The New Metropolitan* ,1910 **The Modern Guide to Witchcraft** Skye Alexander,2014-07-31 Provides information on creating a sacred space promoting good energy and creating incantations potions and charms *The Bethlehem Story* Andy McCullough,2021-04-14 Jesus was born in Bethlehem but why Bethlehem Why should God purpose to become man somewhere so marginal so insignificant This book follows the unfolding story of Bethlehem through the Bible from the death of Rachel to the birth of Jesus uniquely combining four perspectives a the Bible as one developing story b the Bible as a Middle Eastern book c insights from contemporary

Palestinians from Bethlehem and d what this means for mission Suffering Rachel refugee Rahab vulnerable Ruth overlooked David all have a connection with Bethlehem If Bethlehem shelters refugees then so must we If Bethlehem welcomes strangers so must we If Bethlehem weeps at injustice and takes a stand against empire so must we What we see in Bethlehem s story we apply to our own stories We enter into Bethlehem s story with as much cultural and geographical colour and flavour as we can muster in order to feel the crises taste the dust hear the lambs bleating on the hillside And there we find the Christ child son of David the Good Shepherd Lion of Judah Bread of Life Lamb of God fulfilling all the recurring themes taking his inevitable place as rightful king **Christmas - The Rest of the Story** Rick
