Today's Moment of Truth Lee Strobel, Mark Mittelberg, 2016-07-12 Why do you believe what you believe? How can you know your faith is credible? Many Christians today struggle to answer these questions. Though you may know what you believe, the why and how behind the thought can be complex, confusing, and even mysterious. In *Today's Moment of Truth*, bestselling author Lee Strobel articulates in 180 easy-to-read devotions the reasons why Christians believe what they believe. Combining his expertise in apologetics with his journalistic approach to parsing out the details, this devotional will leave you deeply encouraged and well-informed. Topics range from scientific discoveries to theological explanations, and each devotion is followed by a brief reflection and prayer for meditation. The time has come to walk confidently in your faith. *Today's Moment of Truth* will be an invaluable tool as you grow in your understanding of and faith in Christ.

Moment of Truth Adam Croft, 2022-11-22 A man is found dead in the judge's chair inside the Great Hall of Oakham Castle, beaten to death with a ceremonial horseshoe. As Rutland Police investigate, they discover the victim was a charitable, public-spirited man who only ever wanted to help others. So who wanted to kill him so brutally? And why? DI Caroline Hills and DS Dexter Antoine are left disoriented and dejected. But the discovery of a shadowy and mysterious figure leads them onto a trail of deep corruption, one that will take them far from Rutland. And it seems their victim wasn't quite the man he made himself out to be. Is anyone ever truly innocent?

Moments of Truth Rachman Mitchell, 2018-06-07 When Rachman Mitchell was twenty-three years old, something happened that changed him forever and set him on a path of inner and outer adventure. He received an experience called the latihan, which gave him contact with his soul. Around the latihan grew an organization called Subud, which is spread across the world. Bapak was the bringer of the latihan. Rachman, Rohana, and their children went to live near him in Indonesia, and Rachman became his doctor. This book relates stories along the way to getting to Indonesia, being there with Bapak, and facing challenges of adapting to the world again after returning to the West. Rachman provides an inside view of what life was like in the early days in Jakarta when very personal contact with Bapak was possible. His work as a doctor in Indonesia and elsewhere is an important theme and illustrates the development of a talent and a vocation over a long lifetime. These are stories about a man learning how to live, the mistakes he makes, and the joys and calamities that are visited upon him, and how he learns to become more tolerant, more understanding, and more compassionate, less inclined to judgement. They are a blend of intimate reminiscence and fireside chat, being told with humility and humor.
