The Moongate:

Through the MOONGate Muse Norcross Kotenev,1999-08 Through the MOONGate is the true story of a young woman's life in China. A life of privilege and poverty, of romance and adventure, of humor and sorrow, but most of all, a life filled with unforgettable characters tempered by the forces of revolution. Muse was born in Siberia as her parents fled from the Russian revolution and grew up in Shanghai where her family found refuge and later in the fascinating European colony of Tsingtao. Vivid in description are her recollections of times in China during Japan's occupation, including an encounter with Mao Tse-tung in the mountains of Laoshan. Tragically widowed at an early age, she overcame incredible obstacles to create a new life for herself and her two young children. As communist forces seized power in China, they escaped on the last ship to leave the port of Tsingtao for the United States of America. Through the MOONGate is an adventure and a glimpse into a human life courageously lived. *Beyond the Moongate* Elizabeth Quan,2013-03-12 MOONGATES DOTTED THE LANDSCAPE OF OLD CHINA

Ancient Chinese architects had sculpted stone piled on sculpted stone to form round doorways with the spiritual symbolism of the full moon. To step through one of these doorways was to step into a world of peace and happiness. And so it was in the 1920s that the Lee King family, father, mother, and six children, aged ten months to seven years, traveled from their home in Canada across the Pacific Ocean to inland China. There they had the opportunity to step beyond the moongate into a land not yet touched by modern warfare or political unrest. The story of the moongate tells of the two golden years the family spent with Grandmother in a remote village in the south which hadn't changed for centuries. Step inside and live the long, lazy days of a China forever gone. The moongate beckons. [Through the Moongate. Nineteen years after the Tree of Ice died to trap the dark Devourer in a time freeze on Earth, Earth has begun to thaw, and now Sarah and Ben's grown children must find their destined consorts to help them defeat the Devourer once and for all. Korrien Moontouched is the Heir of Light. As if the pressures of helping his mother and Queen lead their growing clan weren't enough, he and his twin sister have grown up knowing they are the keys to the Devourer's final defeat. To concluding the Battle for Earth, which has been frozen in time since before he was born, along with the rest of Earth. Yet nineteen years after the battle, Earth's time thaw begins, throwing Rien into the Seven Realms' efforts to secretly protect humanity from their common enemy. The thaw also offers Rien his sole opportunity to find his consort because Rien has to marry a pure human of Ice. But so far, the only young woman to have escaped the time freeze of Earth is nothing like what the logical perfectionist
