The Moral Warrior Ethics And Service In The U S Military:

The Moral Warrior Martin L. Cook,2004-06-10 Explores the moral dimensions of the current global role of the U S military

Issues in Military Ethics Martin L. Cook,2013-05-01 Reflections on and analysis of ethical issues facing military service in the United States

Rethinking the Just War Tradition Michael W. Brough,John W. Lango,Harry van der Linden,2012-02-01 The just war tradition is an evolving body of tenets for determining when resorting to war is just and how war may be justly executed Rethinking the Just War Tradition provides a timely exploration in light of new security threats that have emerged since the end of the Cold War including ongoing conflicts in the Middle East threats of terror attacks and genocidal conflicts within states The contributors are philosophers political scientists a U S Army officer and a senior analyst at the Center for Defense Information They scrutinize some familiar themes in just war theory from fresh and original angles and also explore altogether new territory The diverse topics considered include war and the environment justice in the ending of war U S military hegemony a general theory of just armed conflict principles supreme emergencies the distinction between combatants and noncombatants child soldiers the moral equality of all soldiers targeted assassination preventive war right authority and armed humanitarian intervention Clearly written and free of jargon this book illustrates how the just war tradition can be rethought and applied today

Military Ethics and Emerging Technologies Timothy J. Demy,George R. Lucas Jr.,Bradley J. Strawser,2016-01-08 This volume looks at current and emerging technologies of war and some of the ethical issues surrounding their use Although the nature and politics of war never change the weapons and technologies used in war do change and are always undergoing development Because of that the arsenal of weapons for twenty first century conflict is different from previous centuries Weapons in today s world include an array of instruments of war that include robotics cyber war capabilities human performance enhancement for warriors and the proliferation of an entire spectrum of unmanned weapons systems and platforms Tactical weapons now have the potential of strategic results and have changed the understanding of the battle space creating ethical legal and political issues unknown in the pre 9 11 world What do these technologies mean for things such as contemporary international relations the just war tradition and civil military relations Directed at readers in the academic scientific military and public policy communities this volume offers current thought on ethics and emerging technologies from internationally recognized scholars addressing the full spectrum of issues in present warfare technology It includes current and ongoing topics of multi discipline and international interest such as ethics law international relations war studies public policy science and technology This book was originally published in various issues and volumes of the Journal of Military Ethics

The Ethics of Armed Humanitarian Intervention Don E. Scheid,2014-04-24 New essays on philosophical legal and moral aspects of armed humanitarian intervention including discussion of the 2011 bombing in Libya

Moral Warriors, Moral Wounds Wollom A. Jensen,James M. Childs Jr.,2016-05-19 The experience of Wollom Jensen s distinguished career in military service and James Childs s long and

productive career in the fields of theology and ethics combine to bring Christian ethics into dialogue with the harsh realities of military service in today's world of war. The authors seek to correlate the ethics of neighbor love with the vocation of the chaplaincy, the framework of just war theory, the published values of the military services, and sample issues such as the challenge of pluralism for the chaplaincy, drone warfare, interrogation practices, and truth telling. Special emphasis is placed on the reality of moral injury and the moral obligation of society and the churches to respond to the needs of these wounded warriors. The book espouses the view that the Christian ethic more than a set of principles is a true ministry to those who struggle to be faithful and fear that they have not been.

A Companion to American Military History James C. Bradford, 2009-11-03. With more than 60 essays, *A Companion to American Military History* presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present. Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq. Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music, military ethics, care of the dead, and sports. Surveys and evaluates the best scholarship on every important era and topic. Summarizes current debates and identifies areas where conflicting interpretations are in need of further study.

U.S. Army War College Guide to National Security Issues: National security policy and strategy J. Boone Bartholomees, Army War College (U.S.). Strategic Studies Institute, 2012. Volume II continues the analyses and discussion of national security policy and strategy.

The Ethics of Interrogation Paul Lauritzen, 2013-05-01. Can harsh interrogation techniques and torture ever be morally justified for a nation at war or under the threat of imminent attack? In the aftermath of the September 11, 2001 terrorist strikes, the United States and other liberal democracies were forced to grapple once again with the issue of balancing national security concerns against the protection of individual civil and political rights. This question was particularly poignant when US forces took prisoners in Afghanistan and Iraq who arguably had information about additional attacks. In this volume, ethicist Paul Lauritzen takes on ethical debates about counterterrorism techniques that are increasingly central to US foreign policy and discusses the ramifications for the future of interrogation. Lauritzen examines how doctors, lawyers, psychologists, military officers, and other professionals addressed the issue of the appropriate limits in interrogating detainees. In the case of each of these professions, a vigorous debate ensued about whether the interrogation policy developed by the Bush administration violated codes of ethics governing professional practice. These codes are critical, according to Lauritzen, because they provide resources for democracies and professionals seeking to balance concerns about safety with civil liberties while also shaping the character of those within these professional guilds. This volume argues that some of the techniques used at Guantanamo Bay and elsewhere were morally impermissible; nevertheless, the healthy debates that raged among professionals provide hope that we may safeguard human rights and the rule of law more effectively in the future.

The U.S. Army War College Guide to National Security

Issues, 2010 **Dictionary of Scripture and Ethics** Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11
 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics War as Business Armin Krishnan, 2016-03-03 The privatization of defence assets and the outsourcing of military services from the armed forces to the private sector is an increasing trend This book approaches the issue of military privatization by linking it to the transformation of the defence industries since the early 1990s and shows the extent to which many military functions and activities ranging from military research to military consulting training to operational support services have already been outsourced in the US and in Europe This detailed study provides new and updated information on the ongoing privatization of the defence sector and offers an original theoretical explanation as to why the most modern armed forces throughout the world have come increasingly to rely on private companies for nearly everything they do Contributing to a better understanding of military privatization and its close connection to technological change the book explains the complexity of the whole phenomenon and discusses its implications for national and international security Ethics Education for Irregular Warfare Mr Don Carrick, Professor James Connelly, Professor Paul Robinson, 2013-03-28 Following on from *Ethics Education in the Military* eds Paul Robinson Nigel de Lee and Don Carrick Ashgate 2008 which surveyed and critically analyzed the existing theory and practice of educating soldiers sailors and airmen in the ethics of old fashioned warfaring this volume considers the extent to which such theory and practice is adequate to prepare members of the military to meet the more complex ethical challenges faced when engaging in irregular warfare in the 21st century In recent years events in Iraq and Afghanistan have highlighted the requirement that Western military personnel drawn from the armed forces of many different countries should behave in an ethical manner at all times The contributors to this volume come from various disciplinary backgrounds several are serving or former military officers and most are actively engaged in ethics education The volume advances theoretical understanding of different approaches to ethics education and provides practical conclusions Who Should Die? Ryan C. Jenkins, Ryan Jenkins, Michael Robillard, Bradley Jay Strawser, 2018 This volume collects influential and groundbreaking philosophical work on killing in war A who s who of contemporary scholars this volume serves as a convenient and authoritative collection uniquely suited for university level teaching and as a reference for ethicists policymakers stakeholders and any student of the morality of war
 The Morality of Drone Warfare and the Politics of Regulation Marcus Schulzke, 2016-10-26 This book discusses the moral and legal issues relating to military drones focusing on how these machines should be judged according to the principles of just war theory The author analyses existing drones like the Predator and Reaper but also evaluates the many types of drones in development The book presents drones as not only morally justifiable but having the potential to improve compliance with the principles of just war and international law Realizing this potential would depend on developing a sound regulatory framework which the book helps to develop by considering what steps governments and military forces should take to

promote ethical drone use It also critically evaluates the arguments against drones to show which should be abandoned and which raise valid concerns that can inform regulations

Partly Cloudy David L. Perry, 2016-10-04 *Partly Cloudy Ethics in War Espionage Covert Action and Interrogation* explores a number of wrenching ethical issues and challenges faced by military and intelligence personnel It provides a robust and practical approach to analyzing ethical issues in war and intelligence operations and applies careful reasoning to issues of vital importance today not only for soldiers intelligence professionals and policy makers but also for the citizens they serve and protect This new edition has been updated throughout and includes new contents to deal with critical issues such as torturing detainees using espionage to penetrate terrorist cells mounting covert actions to undermine hostile regimes practicing euthanasia on the battlefield as mercy killing or using targeted killings as a means to fight insurgencies *Partly Cloudy* provides an excellent introduction to the field for students instructors and practitioners who are interested in the ethical challenges faced by public servants

Loyalty Sanford Levinson, Paul Woodruff, Joel Parker, 2013-05-10 Few topics are more ubiquitous in everyday life and at the same time more controversial in practice than that of one's moral obligation to loyalty Featuring essays by scholars working in a variety of subjects from law to psychology *Loyalty* presents diverse perspectives on dilemmas posed by potential conflicts between loyalties to specific institutions or professional roles and more universalistic conceptions of moral duty The volume begins with a philosophical exploration of theories of loyalty both Eastern and Western then moves to examine several problematic situations in which loyalty is often a factor partisan politics the armed forces and lawyer client relationships A fair and balanced analysis from a wide range of disciplinary and normative viewpoints *Loyalty* infuses new life into an oft tread avenue of scholarly inquiry Contributors Ryan K Balot Paul O Carrese Yasmin Dawood Bernard Gert Kathleen M Higgins Sanford Levinson Daniel Markovits Lynn Mather Russell Muirhead Nancy Sherman Paul Woodruff Sanford Levinson is the W St John Garwood and W St John Garwood Jr Centennial Chair in Law and Professor of Government at the University of Texas at Austin and author or co author of many books including *Framed America's 51 Constitutions and the Crisis of Governance* and *Our Undemocratic Constitution Where the Constitution Goes Wrong And How We the People Can Correct It* Paul Woodruff is former dean of the School of Undergraduate Studies and currently Darrell K Royal Professor in Ethics and American Society at the University of Texas at Austin His latest book is *The Ajax Dilemma Justice Fairness and Rewards* Joel Parker is Lecturer in the Department of Political Science and Geography at the University of Texas at San Antonio

The Moral Warrior Ethics And Service In The U S Military Introduction

In today's digital age, the availability of The Moral Warrior Ethics And Service In The U S Military books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Moral Warrior Ethics And Service In The U S Military books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Moral Warrior Ethics And Service In The U S Military books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Moral Warrior Ethics And Service In The U S Military versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Moral Warrior Ethics And Service In The U S Military books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Moral Warrior Ethics And Service In The U S Military books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Moral Warrior Ethics And Service In The U S Military books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Moral Warrior Ethics And Service In The U S Military books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Moral Warrior Ethics And Service In The U S Military books and manuals for download and embark on your journey of knowledge?

FAQs About The Moral Warrior Ethics And Service In The U S Military Books

What is a The Moral Warrior Ethics And Service In The U S Military PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Moral Warrior Ethics And Service In The U S Military PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Moral Warrior Ethics And Service In The U S Military PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Moral Warrior Ethics And Service In The U S Military PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Moral Warrior Ethics And Service In The U S Military PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader:

Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
