## **The Moscow Contrivance A Tale Of Trickery From The New Cold War:**

The Moscow Contrivance Bob Porter, 2000-10-26 Cal Brinkley is a counterintelligence officer for the CIA his problem is he is doing too well He has recently had an inordinate success discovering penetrations in the CIA and has found out too much about the Russian Mafia for his own good Further he is considered a prime suspect himself for being a mole by some at the CIA An attempt is made on his life and a beautiful Russian gypsy is recruited by the KGB to work her way into his heart and the CIA's mind It is unclear whether or not she is a real psychic as many believe or a fraud who is just duping the CIA The Chairman of the KGB becomes personally involved as he directs Operation Dante and Operation Red Flag All the stops are cold as modern espionage technology is merged with old fashioned trade craft Test your wits trying to predict the next twist or turn as the mystery takes you into the backstage lairs of Washington's world of secrets and compartmented clearances
