Wolfe usually tilts the scales near one seventh of a ton he may once have weighed less than his svelte associate Archie Goodwin Or how many times the unbreakable rules of the house are broken Or why Fritz speaks French although he s not from France Or how many bullet and knife wounds Wolfe carries on his normally sedentary carcass Or what Inspector Cramer s first name is Or how the characters evolved over the four decades of their existence This book will provide you with the answers to those questions and a thousand others I hope you find it satisfactory The Publishers Weekly ,1964
