The Mountains Behind:

Behind the Mountains Edwidge Danticat, 2015-04-28 The series dedicated to the immigrant experience in modern America starts off with a moving novel of one family's struggles in Haiti and New York. It is election time in Haiti and bombs are going off in the capital city of Port au Prince. During a visit from her home in rural Haiti, Celiane Espérance and her mother are nearly killed. Looking at her country with new eyes, Celiane gains a fresh resolve to be reunited with her father in Brooklyn, New York. The harsh winter and concrete landscape of her new home are a shock to Celiane, who witnesses her parents struggle to earn a living, her brother's uneasy adjustment to American society, and her own encounters with learning difficulties and school violence. The excellence of the writing and the resilient outlook of both first-person fictions set a high standard for this series. *The Horn Book*. The author captures the color and texture of Haitian life as well as the heroine's adjustment to New York. While readers may want to hear more about her experiences in Brooklyn, they will appreciate the truthfulness of the family's struggle to reconnect. *Publishers Weekly*. [Behind the Eight Ball](#) Pastor Paul Rodriguez, 2022-11-03 In the game of pool, when a player finds his cue ball behind the eight ball, it's game over. He's done; he's lost his game. Unless he is a very good player and can make a trick shot, he has no shot. In the game of life, I kept sinking the eight ball. I was doomed. I could not get my cue ball past the eight ball. Because of my rebellion, I was always behind the eight ball. When I lost my mom and dad six weeks apart, the two people I loved the most, I was about to quit. I could not get past the darkness, the eight ball. I was doomed, falling deeper and deeper into the abyss. Then I saw Jesus reaching out to me. I knew he was my only means of salvation. I got hold of his nailed, scarred hand, and he and I made the trick shot. Then I was on the other side. A beautiful panoramic view of pure white light was before me. In the distance, a bright city. Soon I will get there and go through those pearly gates, set my feet on those golden streets, and into that city. The beautiful new Jerusalem and eternal life. I will see my Jesus, then I will run to see my mom and dad, my five

BEHIND THE ABSTRACT Adrian Gabriel Dumitru, Someone once said to me I don t want to be abstract I want it to be real It was the reply at the fact that i ve said to her that a friend of mine that was in fact married was loving her in an abstract way But we all do the same we refuse to understand the meaning of the abstract in our lives or to see what is the message behind the message And then we live the same experiences on and on and on and we keep wondering why why why I believe today that refusing to start learning the art of understanding the abstract is a way of refusing to continue growing as a spiritual being Somehow the Universe even if we dislike it gives us the same lesson on and on and on but we just can t see that the Universe loves us all of us and tries all the time to save and help us to understand what we call lessons of life The abstract is strange sometimes i know but seeing what is behind the abstract you understand the meaning of life So how should we start Where we should pay more attention in the events from our lives Well somehow is quite simple Everything has a huge impact on us

annoys us in a terrible way or has a repetitive character in there you will find the meaning of the lessons you need to study In the end we can even use the slogan It s not what it looks like cause probably this is the real definition of the abstract But can we ignore the signs the lessons You might have moments when you could believe that but then the power of the message will have a stronger intensity And will be repeat on and on and on and the abstract values will annoy you in a terrible way The solution Maybe just have an opened mind and pay attention to the details So we should spend life only meditating Sure not but we should keep the right balance between living and enjoying life and also thinking about it its messages and how we could grow as spiritual beings And probably keep in mind that behind the abstract there is a always message Behind the Throne William Le Queux,2025-06-28 Behind the Throne by William Le Queux is an enthralling anthology that delves into the intricate world of power deception and moral dilemmas The title story Behind the Throne immerses readers in a captivating narrative of political fiction set in Italy and England At its core is Camillo Morini the Italian Minister of War whose dual struggle with corruption and redemption paints a vivid picture of high stakes political maneuvering As he becomes ensnared in the deceitful plans of his Under Secretary General Angelo Borselli the very foundation of the Italian army teeters on the brink of disaster Morini s personal life is equally complex his daughter Mary full of life and unaware of her father s internal battles adds depth to this tale of love and sacrifice The lush English countryside and the grandeur of Rome provide a striking backdrop for this story of ambition and loyalty Readers will be drawn to the timeless themes of integrity versus temptation making Behind the Throne an unforgettable journey through the corridors of power and the human heart This collection of love stories and adventure narratives is perfect for fans of political fiction and anyone intrigued by the allure of Italian settings William Le Queux masterfully crafts a world where personal morality clashes with the demands of public life ensuring that each page is as engaging as the last Discover the compelling dynamics and richly drawn characters that make Behind the Throne a must read anthology for those fascinated by the complexities of modern day politics and personal choices **BEHIND THE HEDGEROWS** Timothy Kent Smith,2023-05-05 Behind the Hedgerows is a fictional drama about human nature and the conflicts that go with it It is 1987 in the Hamptons Cocaine is the drug of choice AIDS is rampant and the Old Guard is trying to hang on as new money invades Long Island s East End Hunter McPherson East Hampton resident entrepreneur and fitness trainer to those of wealth takes the reader south of the highway behind the manicured hedgerows for a firsthand look at the opulent and romanticized lives of the privileged few who live there Privy to the entitled and deceitful world of his clients Hunter is faced with a growing cynicism as those with massive egos limitless greed and needs for hedonistic pleasure test his moral resolve at every turn Presented with a once in a lifetime opportunity at creating his own wealth Hunter cashes in on the dark secrets of his clients using what he has learned to wield his own form of leverage control and power In the process lives are forever changed including his own *The Real History Behind the Templars* Sharan Newman,2007-09-04 The medieval historian who revealed The Real History Behind the Da Vinci Code uncloaks the
