Rosenthal, 2010-11-18 Spinoza's Theological Political Treatise was published anonymously in 1670 and immediately provoked huge debate Its main goal was to claim that the freedom of philosophizing can be allowed in a free republic and that it cannot be abolished without also destroying the peace and piety of that republic Spinoza criticizes the traditional claims of revelation and offers a social contract theory in which he praises democracy as the most natural form of government This Critical Guide presents essays by well known scholars in the field and covers a broad range of topics including the political theory and the metaphysics of the work religious toleration the reception of the text by other early modern philosophers and the relation of the text to Jewish thought It offers valuable perspectives on this important and influential work *The Big Red Fox* Peter McSherry, 1999-09-01 Short listed for the 2000 Arthur Ellis Award for Best Non Fiction Norman Red Ryan was a notorious bank robber safecracker and killer He escaped from Kingston Penitentiary twice first by force and then years later by gulling the credulous into believing that he was reformed The dupes of Ryan's second emancipation included the prison's Roman Catholic chaplain several nationally prominent citizens the country's largest newspaper and ultimately R B Bennett the prime minister of Canada who made the mistake of arranging a political parole for Ryan Six people three of them innocent victims died as a result of Red Ryan's freedom Dubbed the Jesse James of Canada and Canada's most notorious criminal Ryan had compiled a record of nineteen convictions for crimes of theft and violence and had been in nine shooting affrays with police and citizens He was a lifer in an era when life meant just that Yet he got out of Kingston after just eleven and a half years and returned to Toronto the city of his birth amid fanfare befitting a national hero His death in a liquor store robbery in Sarnia on May 23 1936 just ten months after his release was a huge jolt to Canada and especially Toronto How could such an obvious threat to society be paroled from prison as a paragon of reform This question is central to *The Big Red Fox* The answer lies not with Ryan himself not even the cunning and deceitful Red Ryan could have hoodwinked his way out of a life sentence but with those who helped him and who benefited from his release **Jonathan Owen, Silver Bullet and Bank Robber** Rick Thomas, 2005 The author is a retired cartographer and graphic artist for the Government of British Columbia He left Canada in his Jeep Silver Bullet to live for a time in the tropics of Mexico The Mexican people black
