building in the early morning hours of October 4 1995 There are no witnesses to the murder and no physical evidence The police at first think a drug addict killed the man because he would not hand over his wallet which was not found on the body A Jewish detective assigned to the case learns that the dead man s Jewish wife had died twenty years earlier on September 15 1975 and that she had three older brothers who blamed the husband for the death even though the police ruled it an accident The detective then discovers that the two dates on the Gregorian calendar although twenty years apart have the same date on the Hebrew calendar To him this becomes a theory of the crime a revenge killing by one or more of the wife s brothers on the twentieth yahrzeit or anniversary of her death However this is only a motive for the murder and he tries to establish that one of the brothers also had the means and opportunity to commit the crime the three things necessary for an arrest and conviction The detective believes the Hebrew calendar connection between the two deaths is not a coincidence He knows that Jews at times kill other Jews like the notorious Murder Inc gang in the Brownsville section of Brooklyn in the 1930s and length of time for holding a grudge is not a deterrent A few weeks after the murder the Prime Minister of Israel is killed by a young Jew with a grudge The detective s partner an Italian American accepts the theory of the crime because revenge killings are common in Sicily and such a killing after more than two decades is clearly depicted in the popular film The Godfather Part II The book focuses on two of the brothers who don t have an alibi one who is a Professor of Criminology at Columbia University the other a Vietnam War veteran who has killed with a knife before and the two detectives efforts to gather evidence and make an arrest The murder is described in detail but the identity of the murderer is not The reader can only guess who he is The case is never solved and is finally placed in the cold case file But the Jewish detective still has thoughts about solving the case Catch a Killer Save the World Mel Goldberg,2018-11-20 Jewish detective Aaron Guerevich s list of friends becomes shorter by the minute after he s assigned to investigate the murders of two Syrian Muslim store owners in Scottsdale Arizona His Jewish friends see his role as an insult to the memory of his uncle who died in Israel s 1948 War of Independence The Arab community sees him as a Zionist with an anti Arab bias Guerevich s life turns from uncomfortable to seriously threatened when he discovers the possible involvement of a secretive anti Arab vigilante group Before the case is closed the Jewish detective uncovers a startling and long hidden connection between his Israeli uncle and the family of the slain Muslims **An Accidental Murder** Robert Rosenberg,1999 Former Israeli policeman Avram Cohen discovers a bomb under his bed in a Frankfurt hotel It is the start of a mystery pitting him against unforgiving enemies Israel s Russian mob
