

I AM FIRE

I used to be ice
Cold through and through
No matter who you were

Some people
feel welcomed around me
And I take that as a compliment
A sign of progress;
growth

Some people
feel intimidated by me
I take pride in that too
Because depending on your intentions
You realize
I'm either
the campfire that will warm you
or
the wildfire that will test you.

I AM FIRE

I used to be ice
Cold through and through
No matter who you were

Now
I am fire
what kind of fire I am
depends on you

The Hungry Fire Poems Affirming The Strength Of Our Humanity:

The Hungry Fire Gene Kreves, 2002-09-01 A collection of 66 poems in five sections o The early years and reflections on people o The pleasures and pain of love o A personal reaction to the turbulent political times experienced during the 1950 s through the 1980 s o A return to the simpler life good bye civilization hello life o Finally a search for meaning along the roads of life sciences and modern cosmological theory a philosophy that requires of us objective analysis and courage to assume responsibility for our own lives The poems are written with humor tenderness and imagination an expression of feelings real or imagined that all of us may at times have experienced Why Did I Ever Leave When I was a child I did not mix easily with others From the beginning I felt apart But I was lured into the vocational trap And regimented by society Rigorously relentlessly Fifty two years have disappeared before my disbelieving eyes The fish struggles in the net The caged eagle droops upon the plastic perch The panther paces behind stout bars I have gone to the woods hungry for freedom Sought advice from crows and mockingbirds Plucked wild berries for their secrets The nearest village is miles away Civilization is a distant dog s bark Or the rare passing of a pickup truck On the rough trail to the lake My unroofed rooms are filled with trees and rocks The doorways are everywhere and they are open Chipmunks play in my living room I play in theirs I have returned to my original self free and unfettered I wonder why did I ever leave
