political disintegration of the early twenty first century and finally into the depths of a very British dystopia Chris does his best to adapt but is forever wishing he could turn back time and strike out along a more authentic path And of course never far from his thoughts is Jen She s never far from his dreams either and in particular his strange recurring dreams of the Inn at the Edge of Light a place where there s always a welcome wise counsel and a warm bed for the night Here too might lie the answer to the enigma of his life if he could only work out why it is the landlord keeps asking him if he s happy always with the same room Or if he d like a change now and then
