The Ministry Of Baptist Deacons:

The Ministry of a Baptist Deacon Paul Chappell, 2010-11-15 A godly deacon is a great asset to the work of God His servant leadership benefits the entire church family and his support and care for the pastor is invaluable The Ministry of a Baptist Deacon is written for local church deacons who desire to invest themselves in the work of God and give themselves to the service of God's people It is designed as a handbook to equip deacons as servant leaders This two part manual scripturally defines the office and responsibilities of a deacon as well as providing practical helps for local church ministry This book also includes several appendices with sample forms financial procedures and a sample church constitution

The Emerging Role of Deacons Charles W. Deweese, 1979 A summary of the biblical historical and practical role of deacons in the church *The Baptist Deacon* Robert E. Naylor, 1955 Dr Robert Naylor addresses the subject of deacons in the Baptist church discussing their qualifications and selection their tenure and every area of their work beliefs home life and rewards

What Do Deacons Do? Juan R. Sanchez, 2022-03-14 Concise Scripture Centered Guide Addresses Common Questions about Diaconal Service in the Church Many new believers have questions about what it means to live as a Christian in the context of a local church and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life Church Questions is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment In this concise booklet Juan Sanchez explains the essential role deacons play in the life of the church He addresses topics such as why churches need deacons how deacons carry out their role who is eligible to be a deacon and how diaconal service exemplifies the character of Christ Valuable for church leaders and members alike this resource helps readers understand what the Bible has to say about this important church office and why its ministry is indispensable A Great Resource for Congregations and New Believers Helps readers think more biblically about the Christian life and faithfulness in a local church Accessible and Practical Small shareable booklet includes helpful applications for individuals and churches Part of the Church Questions Series Created in Partnership with 9Marks

Deacons as Leaders Robert Sheffield, 1991 Deacons as Leaders by Robert Sheffield portrays various leadership roles of the deacon in the biblical leadership model for church and community ministry as a change agent as a leader in times of transition and as a leader with the pastor and staff *Deacons in Today's Black Baptist Church* Marvin Andrew McMickle, 2010 What does it mean to be a deacon in the black Baptist church today What personal qualities should a candidate for deacon possess What does the ministry entail What relationship should exist between the pastor and deacons What does Scripture say about the origins of the office of the deacon How has the historical context of being black and Baptist in America influenced the evolution of that office How do we fulfill the scriptural purposes of a deacon ministry in our local black Baptist churches today Rev Dr Marvin McMickle explores these issues and more in this practical resource

for today's church leaders **The Ministry of Baptist Deacons** Robert Sheffield, 1989-12-01 **Now That You're a Deacon** Howard B. Foshee, 1975-10-16 A combination of practical guidance and inspiration on character relationship to church and pastor stewardship missions and more **The Seven** Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon Is this office in the church still relevant today Dr Lonnie Davis Wesley believes that deacons have an important role to play but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to re learn and re apply the lessons of scripture and history so that the church can be fully effective in ministry The Seven Taking a Closer Look at What It Means to Be a Deacon is a comprehensive guide to reforming and recharging your church's deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation **Parakaleo** Tom Stringfellow, 1998 *Deacons* Matt Smethurst, 2021-03-30 How Can Deacons Mobilize Service in the Church Deacons are essential to a church's health yet confusion abounds regarding their biblical job description What's their God-given role in a local congregation and how do they relate to the church's overall mission In this short book Matt Smethurst makes the case that deacons are model servants called to meet tangible needs organize and mobilize acts of service preserve the unity of the flock and support the ministry of the elders Clearing away common misconceptions Smethurst offers practical guidance for deploying deacons and helping churches to flourish **Descriptive Duties of Deacons** Russell R. Cook, 2017-09-25 Almost every church in America has selected and ordained Deacons for service to their congregations Most of these Deacons have learned their duties by on the job experiences However many Deacons even years after their ordination still ask the question What am I supposed to do This book Descriptive Duties of Deacons answers that question in clearly definitive ways You need not feel overwhelmed unsuited for certain areas of service or burdened by watching other Deacons in your church and thinking you have to do everything they do This guidebook shows numerous options for ministry that can fit with your spiritual gifts talents training and personality These ministry options will help you find your niche in God's work God does not intend for you to do everything nor to do your duties by yourself He has placed you in a local church where a Pastor ministry staff and numerous volunteers can serve with you The various duties described here will help you to better understand what both you and your fellow Deacons need to be doing individually and together Follow this guidebook and you may never again ask the question What am I supposed to do as a Deacon *The Ministry of Baptist Deacons Gift Edition* Robert Sheffield, 1991-07-01

Deacons Henry Webb, 2001-10-01 After nineteen years in print and over 200 000 copies sold Broadman Holman is publishing an updated edition of Deacons Servant Models in the Church Henry Webb deals with every aspect of the roles and

offices of deacons in the church including the deacon's marriage, wife, children, family life, conduct, priorities, and other pertinent aspects of deacons as role models of servant leadership in the church

Women Deacons and Deaconesses Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life. Most Baptist individuals and churches have strongly opposed women deacons. Some Baptist associations have even disfellowshipped churches that have approved women deacons. And women in general have been suppressed by many recent actions of the Southern Baptist Convention, thereby affecting women deacons. However, thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions. The book presents arguments on both sides of the topic but lands squarely in support of women deacons.

Handbook for Deacons J. D. O'Donnell, 1973-06 To help readers discover what the Scriptures say about the duty of a deacon, O'Donnell explores the biblical basis for these servants of God, giving relevant application to the works they are to perform.

A Curriculum for Equipping Deacons at First Baptist Church Kershaw, South Carolina for Servant Leadership Bobby Louis Massey, 2021 This project describes and evaluates a ministry project designed to enhance the deacons' ministry through servant leadership at First Baptist Church Kershaw. Chapter 1 introduces the ministry context and background of First Baptist Church Kershaw while providing the reasoning for the project. Chapter 2 provides the biblical and theological framework for correctly understanding servant leadership in relation to deacon ministry. These biblical constructs determine the curriculum's development. In chapter 3, how clarification of roles and responsibilities within the church are vital to function and practice and the vital need for a biblically functioning diaconate are explored. Servant leadership theory is explored, the trends in deacon practices within the nineteenth and twentieth centuries are examined, and a profile of the five best practices for servant leadership is proposed. Chapter 4 describes the implementation of the project and details completion dates of each component. Chapter 5 evaluates the overall project's purpose, goals, strengths, and weaknesses.

Discovering and Developing Your Deacons Russell R. Cook, 2015-09-02 Whether you are in a new church or a more established one, if you have a congregation, you have a growing need for more servants. You need others to help you. Yet you may not know where to start or how to proceed with identifying, enlisting, equipping, and engaging servant leaders for your church. In *Discovering and Developing Your Deacons*, you will find the help you need. If you are wondering whether or not you even need the ministry of deacons or if you'd like to know more about the process of discovering the right way to find them, this book is for you. You may have questions about the characteristics of men who can serve and how you can identify those qualities. This book answers clearly and concisely ten of the most often asked questions related to starting or restarting an effective deacon ministry. It is not God's intention that a pastor and one or two other leaders perform all needed ministry. This is akin to what God intended for the apostles in Acts 6 when they had become overwhelmed with the ministry needs of a multiplying church. This book details how to find the kind of men described in Acts 6—not only find them but identify them by their reputation, character, qualities, and servant hearts. This is a process that

can be undertaken by any church that sees the need and has a desire to follow clear scripturally based guidelines

The Spirit-Led Baptist Deacon Roger B. Sr. Lotson, Roger R. Lotson, Jr., 2011-07-01 The Spirit Led Baptist Deacon focus and purpose is to strengthen deacons and pastors as they work to develop a ministry to reach the lost and encourage believers Using the Bible and early church history as its guide it provides details about the selection qualifications duties and on going training of these valuable servant leaders of the church It speaks to the biblical role of deacons without regard to the tradition of men or church doctrine not supported by Scripture Equally important it seeks to educate deacons on what it means to be spirit led The Spirit Led Baptist Deacon highlights the importance of deacons to both pastors and ministries and stresses the need for deacons to be led by the spirit and subject to the authority of the pastor There are many questions about the responsibilities and roles of deacons such as Who is responsible for what when is it going to be performed how is it going to be performed what are the specific rules within the Deacon Ministry and what are the biblical bases for these answers The Spirit Led Deacon answers these and many other questions often asked by deacons and pastors

Training Deacons for Ministry at Ridgeway Baptist Church, Memphis, Tennessee Ashley Edward Ray, 2013 The project details the office of deacon as presented in Acts and 1 Timothy The project seeks to design training processes that develop a biblical understanding and deportment of the office of deacon among deacons in a local church context Methods include a synergistic approach to training in evangelism character development and leadership through service Chapter 1 presents the purpose goals context rationale definitions limitations and delimitations of the project Chapter 2 formulates the biblical and theological basis for the local church office of deacon as set forth in the project The chapter contains an exegesis of Acts 6 7 1 Timothy 3 and numerous passages related to service and leadership This chapter proposes that biblical deacons theoretically both free pastors for the ministry of prayer and the Word and exemplify Christlikeness to the church in meeting needs which translates into local church harmony Chapter 3 examines the scriptural principles of spiritual authority and leadership in reference to Aristotle s threefold idea of logos ethos and pathos The lives and teaching of Jesus and Paul stand as exemplary patterns for the servant minded today Chapter 4 presents the curriculum and practicum administered during the course of the project Each portion delineates the process so as to enable someone else to provide the same training in another setting Chapter 5 presents an evaluation of the effectiveness of the project This evaluation provides changes that could make the project more successful for future implementation This project demonstrates the nature of the office of deacon and how deacons today can seek to reflect the biblical model
