

Winner of the Bancroft Prize

THE MINUTEMEN AND THEIR WORLD

25th Anniversary Edition

with a new foreword by Alan Taylor

"A richly detailed picture of social life and social divisions in Concord,
and a lively narrative of the coming of the Revolution there."
—Edmund S. Morgan, *The New York Review of Books*

ROBERT A. GROSS

The Minutemen And Their World American Century Series

Robert A. Gross

The Minutemen And Their World American Century Series:

The Minutemen and Their World Robert A. Gross, 2011-04-01 The Bancroft Prize winning classic of American history now in a revised and expanded edition with a new preface and afterword by the author On April 19 1775 the American Revolution began at the Old North Bridge in Concord Massachusetts The shot heard round the world catapulted this sleepy New England town into the height of revolutionary fervor and Concord went on to become the intellectual capital of the new republic The town future home to Emerson Thoreau and Hawthorne soon came to symbolize devotion to liberty intellectual freedom and the stubborn integrity of rural life In *The Minutemen and Their World* Robert A Gross has written a remarkably subtle and detailed reconstruction of the lives and community of this special place and a compelling interpretation of the American Revolution as a social movement

The Minutemen and Their World Robert A. Gross, 1986

Liberty Is Sweet Woody Holton, 2021-10-19 A deeply researched and bracing retelling Annette Gordon Reed Pulitzer Prize winning historian of the American Revolution showing how the Founders were influenced by overlooked Americans women Native Americans African Americans and religious dissenters Using more than a thousand eyewitness records *Liberty Is Sweet* is a spirited account Gordon S Wood Pulitzer Prize winning author of *The Radicalism of the American Revolution* that explores countless connections between the Patriots of 1776 and other Americans whose passion for freedom often brought them into conflict with the Founding Fathers It is all one story prizewinning historian Woody Holton writes Holton describes the origins and crucial battles of the Revolution from Lexington and Concord to the British surrender at Yorktown always focusing on marginalized Americans enslaved Africans and African Americans Native Americans women and dissenters and on overlooked factors such as weather North America's unique geography chance misperception attempts to manipulate public opinion and most of all disease Thousands of enslaved Americans exploited the chaos of war to obtain their own freedom while others were given away as enlistment bounties to whites Women provided material support for the troops sewing clothes for soldiers and in some cases taking part in the fighting Both sides courted native people and mimicked their tactics *Liberty Is Sweet* is a must read book for understanding the founding of our nation Walter Isaacson author of *Benjamin Franklin* from its origins on the frontiers and in the Atlantic ports to the creation of the Constitution Offering surprises at every turn for example Holton makes a convincing case that Britain never had a chance of winning the war this majestic history revivifies a story we thought we already knew

The Brittle Thread of Life Mark Williams, 2009-01-01 The colonists who settled the backcountry in eighteenth century New England were recruited from the social fringe people who were desperate for land autonomy and respectability and who were willing to make a hard living in a rugged environment Mark Williams microhistorical approach gives voice to the settlers proprietors and officials of the small colonial settlements that became Granby Connecticut and Ashfield Massachusetts These people often disrespectful disorderly presumptuous insistent and defiant were drawn to the ideology of the Revolution in the 1760s and 1770s that stressed equality independence and

property rights The backcountry settlers pushed the emerging nation's political culture in a more radical direction than many of their leaders or the Founding Fathers preferred and helped put a democratic imprint on the new nation This accessibly written book will resonate with all those interested in the social and political relationships of early America Toward a Bioregional State Mark D. Whitaker, 2005 Environmental sociologist Mark D Whitaker is a comparative historical researcher on the politics of environmental degradation and sustainability Toward A Bioregional State is his novel approach to development and to sustainability He proposes that instead of sustainability being an issue of population scale managerial economics or technocratic planning an overhaul of formal democratic institutions is required This is because environmental degradation has more to do with the biased interactions of formal institutions and informal corruption Because of corruption we have environmental degradation Current formal democratic institutions of states are forms of informal gatekeeping and as such intentionally maintain democracy as ecologically out of sync He argues that we are unable to reach sustainability without a host of additional ecological checks and balances These ecological checks and balances would demote corrupt uses of formal institutions by removing capacities for gatekeeping against democratic feedback Sustainability is a politics that is already here only waiting to be formally organized **Planning the Capitalist City** Richard E. Foglesong, 2014-07-14 Starting with the colonial period but focusing especially on the Progressive era Richard Foglesong offers both a narrative account and a theoretical interpretation of urban planning in the United States Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Monographic Series Library of Congress, **The Transcendentalists and Their World** Robert A. Gross, 2021-11-09 One of The Wall Street Journal's 10 best books of 2021 One of Air Mail's 10 best books of 2021 Winner of the Peter J Gomes Memorial Book Prize In the year of the nation's bicentennial Robert A Gross published The Minutemen and Their World a paradigm shaping study of Concord Massachusetts during the American Revolution It won the prestigious Bancroft Prize and became a perennial bestseller Forty years later in this highly anticipated work Gross returns to Concord and explores the meaning of an equally crucial moment in the American story the rise of Transcendentalism The Transcendentalists and Their World offers a fresh view of the thinkers whose outsize impact on philosophy and literature would spread from tiny Concord to all corners of the earth Ralph Waldo Emerson Henry David Thoreau Nathaniel Hawthorne and the Alcotts called this New England town home and Thoreau drew on its life extensively in his classic Walden But Concord from the 1820s through the 1840s was no pastoral place fit for poets and philosophers The Transcendentalists and their neighbors lived through a transformative epoch of American life A place of two thousand plus souls in the antebellum

era Concord was a community in ferment whose small ordered society founded by Puritans and defended by Minutemen was dramatically unsettled through the expansive forces of capitalism and democracy and tightly integrated into the wider world. These changes challenged a world of inherited institutions and involuntary associations with a new premium on autonomy and choice. They exposed people to cosmopolitan currents of thought and endowed them with unparalleled opportunities. They fostered uncertainties, raised new hopes, stirred dreams of perfection and created an audience for new ideas of individual freedom and democratic equality deeply resonant today.

The Transcendentalists and Their World is both an intimate journey into the life of a community and a searching cultural study of major American writers as they plumbed the depths of the universe for spiritual truths and surveyed the rapidly changing contours of their own neighborhoods. It shows us familiar figures in American literature alongside their neighbors at every level of the social order and it reveals how this common life in Concord entered powerfully into their works. No American community of the nineteenth century has been recovered so richly and with so acute an awareness of its place in the larger American story.

The Order of Nature, the Order of Grace Suzanne Ruth Thurman, 1994

The American Century Walter LaFeber, Richard Polenberg, Nancy Woloch, 2015-02-20

The new edition of this classic text on modern U S history brings the story of contemporary America into the second decade of the twenty first century with new coverage of the Obama presidency and the 2012 elections. Written by three highly respected scholars, the book seamlessly blends political, social, cultural, intellectual, and economic themes into an authoritative and readable account of our increasingly complex national story. The seventh edition retains its affordability and conciseness while continuing to add the most recent scholarship. Each chapter contains a special feature section devoted to cultural topics including the arts and architecture, sports and recreation, technology, and education. Adding to the reader's learning experience is the addition of web links to each of these features, providing numerous complementary visual study tools. These links become live, and illustrations appear in full color in the ebook edition. An American Century instructor site provides instructors who adopt the book with high interest features: illustrations, photos, maps, quizzes, an elaboration of key themes in the book, PowerPoint presentations, and lecture launchers on topics including the Versailles Conference, the Military Industrial Complex, Speech by Dwight D Eisenhower, the Tet Offensive, and the prospects for a Second American Century. In addition, students have free access to a multimedia primary source archive of materials carefully selected to support the themes of each chapter.

Studies in American Historical Demography Maris A. Vinovskis, 2013-09-03

Studies in American Historical Demography is a collection of the best studies in American historical demography. The book discusses some methodological and conceptual considerations, the trends in American historical demography, the demographic history of colonial New England, and the marital migration in Essex County, Massachusetts, in the colonial and early federal periods. The text also describes the historical trends in parental power and marriage patterns in Hingham, Massachusetts, the use of demographic data that are or may be retrieved from colonial New England gravestones, and the mortality rates and

trends in Massachusetts The estimates of the vital rates of the United States black population during the 19th century the two parent household as well as the differential fertility in Madison County New York 1865 are also considered The book further tackles the socioeconomic determinants of interstate fertility differentials in the United States in 1850 and 1860 cohorts of native born Massachusetts women 1830 1920 and the demographic change and the life cycle of American families Historians demographers anthropologists economists and sociologists will find the book invaluable *Reports of the President and the Treasurer* John Simon Guggenheim Memorial Foundation, 1979 Includes biographies of fellows appointed reappointments publications musical compositions academic appointments and index of fellows **Daughters of the American Revolution Magazine**, 1895 Subject Catalog Library of Congress, 1976 **The American Century** Walter F. LaFeber, Richard Polenberg, Nancy Woloch, 2013 **THE AMERICAN CENTURY** Walter LaFeber, Richard Polenberg, and Nancy Woloch, 2013-07-22 **The British Are Coming** Rick Atkinson, 2019-05-14 Winner of the George Washington Prize Winner of the Barbara and David Zalaznick Book Prize in American History Winner of the Excellence in American History Book Award Winner of the Fraunces Tavern Museum Book Award From the bestselling author of the Liberation Trilogy comes the extraordinary first volume of his new trilogy about the American Revolution Rick Atkinson author of the Pulitzer Prize winning *An Army at Dawn* and two other superb books about World War II has long been admired for his deeply researched stunningly vivid narrative histories Now he turns his attention to a new war and in the initial volume of the Revolution Trilogy he recounts the first twenty one months of America's violent war for independence From the battles at Lexington and Concord in spring 1775 to those at Trenton and Princeton in winter 1777 American militiamen and then the ragged Continental Army take on the world's most formidable fighting force It is a gripping saga alive with astonishing characters Henry Knox the former bookseller with an uncanny understanding of artillery Nathanael Greene the blue eyed bumpkin who becomes a brilliant battle captain Benjamin Franklin the self made man who proves to be the wiliest of diplomats George Washington the commander in chief who learns the difficult art of leadership when the war seems all but lost The story is also told from the British perspective making the mortal conflict between the redcoats and the rebels all the more compelling Full of riveting details and untold stories *The British Are Coming* is a tale of heroes and knaves of sacrifice and blunder of redemption and profound suffering Rick Atkinson has given stirring new life to the first act of our country's creation drama **To Be Useful to the World** Joan R. Gundersen, 2006-12-08 Offering an interpretation of the Revolutionary period that places women at the center Joan R Gundersen provides a synthesis of the scholarship on women's experiences during the era as well as a nuanced understanding that moves beyond a view of the war as either a golden age or a disaster for women Gundersen argues that women's lives varied greatly depending on race and class but all women had to work within shifting parameters that enabled opportunities for some while constraining opportunities for others Three generations of women in three households personalize these changes Elizabeth Dutoy Porter member of the small planter

class whose Virginia household included an African American enslaved woman named Peg Deborah Franklin common law wife of the prosperous revolutionary Benjamin and Margaret Brant matriarch of a prominent Mohawk family who sided with the British during the war This edition incorporates substantial revisions in the text and the notes to take into account the scholarship that has appeared since the book s original publication in 1996 **Library of Congress Catalogs** Library of Congress,1977 In Public Houses David W. Conroy,2018-08-25 In this study of the role of taverns in the development of Massachusetts society David Conroy brings into focus a vital and controversial but little understood facet of public life during the colonial era Concentrating on the Boston area he reveals a popular culture at odds with Puritan social ideals one that contributed to the transformation of Massachusetts into a republican society Public houses were an integral part of colonial community life and hosted a variety of official functions including meetings of the courts They also filled a special economic niche for women and the poor many of whom turned to tavern keeping to earn a living But taverns were also the subject of much critical commentary by the clergy and increasingly restrictive regulations Conroy argues that these regulations were not only aimed at curbing the spiritual corruption associated with public houses but also at restricting the popular culture that had begun to undermine the colony s social and political hierarchy Specifically Conroy illuminates the role played by public houses as a forum for the development of a vocal republican citizenry and he highlights the connections between the vibrant oral culture of taverns and the expanding print culture of newspapers and political pamphlets in the eighteenth century

This is likewise one of the factors by obtaining the soft documents of this **The Minutemen And Their World American Century Series** by online. You might not require more times to spend to go to the books establishment as well as search for them. In some cases, you likewise reach not discover the statement The Minutemen And Their World American Century Series that you are looking for. It will utterly squander the time.

However below, next you visit this web page, it will be appropriately very simple to acquire as capably as download lead The Minutemen And Their World American Century Series

It will not take on many period as we notify before. You can attain it even though affect something else at house and even in your workplace. suitably easy! So, are you question?
