David Brown

The Miracles Of Healing By The Lord Jesus Christ:

Miracles of Healing in the Gospel of Mark John I. Penn Sr., 2021-12-01 Early on in my study it became evident that Mark was not simply recounting the healing incidents that Jesus had performed Mark looked at the healing miracles of Jesus through the lens of God's perspective What was significant to Mark and what captured my spiritual imagination was his interpretation of the healing miracles He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer redeemer Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity In and through him God's good creation would be restored Through Jesus sacrificial death God would create a new covenant of grace which could be acceptable to both Jews and Gentiles The healing miracles demonstrated the defeat of sin sickness death and the evil influence of Satan's demonic forces Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself nailing them to the cross All of Jesus healing miracles were interpreted similarly I found Mark's gospel both inspiring and informative allowing me to see the heart love compassion and mind of God for His creation

At the Rumor of His Coming Henry Hudson,2006-04 Jesus s miracles of healing were powerful attractions that caused great multitudes to assemble at the rumor of his coming Consequently in every town and village where Jesus was expected people gathered all of the sick and infirm in one place where Jesus would heal them Although Jesus was always willing to minister to the needs of the sick as a first priority miracles of healing have not been given the same degree of importance in the modern day church Jesus said that all that believed on him should do the works miracles of healing that he did But most churches in America do not have a specific ministry of healing I believe that the basic obstacles to healing in the church are related to theological and doctrinal errors which create doubts about Jesus s divinity thus generating lack of faith in miracles and unbelief This book is a critical analysis of Jesus s healing ministry and the essential place it holds in his gospel Contained in the narrative is an account of the author s experience as a Christian healer in the secular world and in his church and a guide to developing a healing ministry in your church
