Modernism and Still Life Tobin Claudia Tobin, 2020-03-02 Explores the still life spirit in modern painting prose dance sculpture and poetry Challenges the conventional positioning of still life a minor genre in art history Proposes a radical alternative to narratives of modernism that privilege speed and motion by revealing forms of stillness and still life at the heart of modern literature and visual culture Provides the first study of still life to consider the genre across modern literature visual cultures and dance Uncovers connections and cultural exchange between networks of European and American artists including the Bloomsbury Group and Wallace Stevens The late nineteenth and early twentieth centuries have been characterised as the age of speed but they also witnessed a reanimation of still life across different art forms This book takes an original approach to still life in modern literature and the visual arts by examining the potential for movement and transformation in the idea of stillness and the ordinary It ranges widely in its material taking Czanne and literary responses to his still life painting as its point of departure It investigates constellations of writers visual artists and dancers including D H Lawrence Virginia Woolf David Jones Winifred Nicholson Wallace Stevens and lesser known figures including Charles Maureon and Margaret Morris Claudia Tobin reveals that at the heart of modern art were forms of stillness that were intimately bound up with movement the still life emerges charged with animation vibration and rhythm an unstable medium unexpectedly vital and well suited to the expression of modern concerns **Guerrilla Girls: The Art of Behaving Badly** Guerrilla Girls, 2020-10-06 Guerrilla Girls The Art of Behaving Badly is the first book to catalog the entire career of the Guerrilla Girls from 1985 to present The Guerrilla girls are a collective of political feminist artists who expose discrimination and corruption in art film politics and pop culture all around the world This book explores all their provocative street campaigns unforgettable media appearances and large scale exhibitions Captions by the Guerrilla Girls themselves contextualize the visuals Explores their well researched intersectional takedown of the patriarchy In 1985 a group of masked feminist avengers known as the Guerrilla Girls papered downtown Manhattan with posters calling out the Museum of Modern Art for its lack of representation of female artists They quickly became a global phenomenon and the fearless activists have produced hundreds of posters stickers and billboards ever since More than a monograph this book is a call to arms This career spanning volume is published to coincide with their 35th anniversary Perfect for artists art lovers feminists fans of the Guerrilla Girls students and activists You ll love this book if you love books like Wall and Piece by Banksy Why We March Signs of Protest and Hope by Artisan and Graffiti Women Street Art from Five Continents by Nicholas Ganz Objects Observed John C. Stout, 2018-04-13 Objects Observed explores the central place given to the object by a number of poets in

France and in America in the twentieth century John C Stout provides comprehensive examinations of Pierre Reverdy Francis Ponge Jean Follain Guillevic and Jean Tortel Stout argues that the object furnishes these poets with a catalyst for creating a new poetics and for reflecting on lyric as a genre In France the object has been central to a broad range of aesthetic practices from the era of Cubism and Surrealism to the 1990s In the heyday of American Modernism several major poets foregrounded the object in their work however in postwar twentieth century America poets moved away from a focus on the object *Objects Observed* illuminates the variety of aesthetic practices and positions in French and American poets from the years of high Modernism 1909 1930 to the 1990s *New York Magazine* ,1997-06-16 *New York magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The People Shall Govern!* Antawan I. Byrd,2020-10-13 A revelatory and informative presentation of the anti apartheid posters created by Medu Art Ensemble Formed in the late 1970s Medu Art Ensemble forcefully articulated a call to end the apartheid system s racial segregation and violent injustice through posters that combined revolutionary imagery with bold slogans Advocating for decolonization and majority nonwhite rule in South Africa and neighboring countries Medu members were persecuted by the South African Defense Force and operated in exile across the border in Botswana *The People Shall Govern* features nearly all the surviving posters that Medu created between 1979 and 1985 These objects are exceedingly rare as they were originally smuggled into South Africa and mounted in public places where they were regularly confiscated or torn down on sight Offering new insight into the conceptual framework of Medu s working practice and featuring a beautiful silkscreened cover this volume examines the continuing relevance and impact of its poster production *The Art of Maria Tomasula* Soo Y. Kang,2022-11-15 Maria Tomasula s still life paintings are absolutely captivating dramatizing luscious objects of saturated colors and meticulous details through the spotlight effect against a dark backdrop Beyond their immediate appeal however the still lifes usually contain disturbing features such as flowers being sharply pierced by hooks and nails or isolated body parts such as bones and organs that seem to be fiercely alive Although the pictures are materialistically appealing due to the illusionistic style of the artist they lend themselves to a depth of iconography that has not been accounted for in previous writings on her art This book is the first comprehensive monograph on Tomasula b 1958 unraveling her complex iconography that is founded on her Mexican American heritage and Catholicism but also tracing the European still life tradition It shows that her paintings reflect her feminist and philosophical leanings influenced by various intellectuals including Baruch Spinoza Gilles Deleuze and the proponents of New Materialism Her still life converges the old with new interests it pays tribute to traditional Mexican and European motifs but also reflects ideas and mannerism that speak to the contemporary audience This research

evidences the complexity of the Mexican American experience which merges divergent cultural and ideological perspectives from Latin America North America and Europe in varied ways for different and unique individuals **The Not-So-Still Life** Susan Landauer,William H. Gerdts,Patricia Trenton,2003-11-10 Presenting interpreting and celebrating the world renowned and the lesser known California artists who have uniquely defined and redefined the still life this volume offers an exploration of the sensual pleasures the aesthetic challenges and the intellectual and perceptual associations of a century of art through the prism of a single genre BOOK JACKET **Fashion at the Edge** Caroline Evans,Caroline Edwards,2003-01-01 Caroline Evans analyses the work of experimental designers the images of fashion photographers and the spectacular fashion shows that developed in the final decade of the twentieth century to arrive at a new understanding of fashion s dark side and what it signifies Drawing on a variety of literary and theoretical perspectives from Marx to Benjamin Evans argues that fashion plays a leading role in constructing images and meanings during periods of rapid change She shows persuasively that fashion stands at the very centre of the contemporary where it voices some of Western culture s deepest concerns **New York Magazine** ,1997-06-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Dynamic Form** Cara L. Lewis,2020-07-15 Dynamic Form traces how intermedial experiments shape modernist texts from 1900 to 1950 Considering literature alongside painting sculpture photography and film Cara Lewis examines how these arts inflect narrative movement contribute to plot events and configure poetry and memoir As forms and formal theories cross from one artistic realm to another and back again modernism shows its obsession with form and even at times becomes a formalism itself but as Lewis writes that form is far more dynamic than we have given it credit for Form fulfills such various functions that we cannot characterize it as a mere container for content or matter nor can we consign it to ignominy opposite historicism or political commitment As a structure or scheme that enables action form in modernism can be plastic protean or even fragile and works by Henry James Virginia Woolf Mina Loy Evelyn Waugh and Gertrude Stein demonstrate the range of form s operations Revising three major formal paradigms spatial form pure form and formlessness and recasting the history of modernist form this book proposes an understanding of form as a verbal category as a kind of doing Dynamic Form thus opens new possibilities for conversation between modernist studies and formalist studies and simultaneously promotes a capacious rethinking of the convergence between literary modernism and creative work in other media **Beyond the Visible: The Art of Odilon Redon** Jodi Hauptman,2005 Caught between description and dream the felt and the imagined French artist Odilon Redon whose career bridged the 19th and 20th centuries transformed the natural world into nightmarish visions and bizarre fantasies Closely allied with the Symbolist movement Redon offered his own interpretations

of literary biblical and mythological subjects created a universe of strange hybrid creatures and presented landscape in a singular way we see grinning disembodied teeth smiling spiders melancholic floating faces winged chariots unfamiliar plant life and velvety black or colored swirls of atmosphere With a recent gift from the Ian Woodner family The Museum of Modern Art is now the site of the most significant body of the artist's work outside France and this book will showcase the full range of Redon's varied oeuvre charcoal noirs luminous pastels richly textured canvases literary collaborations and experiments in printmaking and will illuminate the hold his particular kind of modernism has had on both 20th century and contemporary artists

The Consumer Society Reader Juliet Schor, Douglas B. Holt, 2011-07-26 The Consumer Society Reader features a range of key works on the nature and evolution of consumer society Included here is much discussed work by leading critics such as Jean Baudrillard Susan Bordo Dick Hebdige bell hooks and Janice Radway Also included is a full range of classics such as Frankfurt School writers Adorno and Horkheimer on the Culture Industry Thorstein Veblen's oft cited writings on conspicuous consumption Betty Friedan on the housewife's central role in consumer society John Kenneth Galbraith's influential analysis of the affluent society and Pierre Bourdieu on the notion of taste Consumer society the air we breathe as George Orwell has described it disappears during economic downturns and political crises It becomes visible again when prosperity seems secure cultural transformation is too rapid or environmental disasters occur Such is the time in which we now find ourselves As the roads clog with gas guzzling SUVs and McMansions proliferate in the suburbs the nation is once again asking fundamental questions about lifestyle Has luxury fever to use Robert Frank's phrase gotten out of hand Are we really comfortable with the Brand Is Me mentality Have we gone too far in pursuit of the almighty dollar to the detriment of our families communities and natural environment Even politicians ordinarily impermeable to questions about consumerism are voicing doubts and polls suggest majorities of Americans feel the country has become too materialistic too focused on getting and spending and increasingly removed from long standing non materialist values From the introduction by Douglas B Holt and Juliet B Schor

Cecily Brown: Death and the Maid Ian Alteveer, 2023-04-04 Cecily Brown b 1969 transfixes viewers with sumptuous color bravura brushwork and complex narratives that relate to some of European painting's grandest and most time honored themes including still life motifs and meditations on mortality through vanitas This intimate survey of the acclaimed British painter reexamines the work of an artist whose influential output references both modern heavyweights such as Willem de Kooning Philip Guston and Joan Mitchell and Old Masters like Goya Hogarth Manet and Rubens The book features 21 paintings and 26 works on paper drawings watercolors sketchbooks and monotypes that span the three decades of Brown's career to date including recently completed and never before published works A conversation with the artist provides insight into her process and sources while an insightful essay situates Brown in the lineage of the great artists of the last five hundred years
