becomes of leaders when absolute power is wrested from their hands How does dramatic political change affect once absolute monarchs In *The Road from Versailles* acclaimed historian Munro Price confronts one of the enduring mysteries of the French Revolution What were the true actions and feelings of Louis XVI and Marie Antoinette as they watched their sovereignty collapse Dragged back from Versailles to Paris by the mob in October 1789 the king and queen became prisoners in the capital They were compelled to publicly approve of the Revolution and its agenda but in deep secrecy they began to develop a very different and dangerous strategy The precautions they took against discovery and the bloody overthrow of the monarchy three years later dispersed or obliterated most of the clues to their real goals Much of this evidence has until now remained unknown *The Road from Versailles* reconstructs in detail for the first time the king and queen s clandestine diplomacy from 1789 until their executions To do so it focuses on a vital but previously ignored figure the royal couple s confidante the baron de Breteuil Exiled from France by the Revolution Breteuil became their secret prime minister and confidential emissary to the courts of Europe Along with the queen s probable lover the comte de Fersen it was Breteuil who organized the royal family s dramatic dash for freedom the flight to Varennes Breteuil s role is crucial to understanding what Louis and Marie Antoinette secretly felt and thought during the Revolution To unlock these secrets Munro Price draws on highly important unpublished and previously unknown material Meticulously researched and utterly fascinating *The Road from Versailles* provides fresh insight into some of the most controversial events in modern history [History of France](#) William Grimshaw,1828      **The Royal Family of France During the Revolution** Lamballe (Princesse de, Marie Thérèse Louise de Savoie-Carignan),Marie Thérèse Louise de Savoie-Carignan Lamballe (princesse de),1971      **The History of France from the Earliest Times to 1848** François Guizot, Madame de Witt (Henriette Elizabeth),1885      *France and Hereditary Monarchy* John Bigelow,1871      **The History of France** William Grimshaw,1850
