

# An Old Love Poem

There is a point in everyone's life where they dream I used to  
be a dreamer too Now I'm on the tail end of dreams and  
have...just one I dream of being loved by you

---

Selfish dream. I know but I always dreamed love would one day  
be true and I gave it up. quit on it and then there was you  
And not I've got this terrible feeling terribly lost and lonely  
too and it's somehow turning out blue and feels lost on you

Because in my dream I reached out to touch you and  
you reached for me too I really wanted to believe it  
was true

But you shy away and silently play as thought its just  
entertainment or something to do but one heart is breaking in  
two and the other is uncertain almost through and there is  
nothing anybody can do except for you to reach for me  
because I never needed anyone more than you

By JAMES T. ADAIR

# The More Deceived Poems About Love And Lovers

**Michael Giordano**

## **The More Deceived Poems About Love And Lovers:**

The More Deceived Norman Schwenk, 2005 Stirring and insightful this latest poetry collection examines diverse contemporary issues

Miss Cross and Other Stories Norman Schwenk, 2023-05-01 Dipping into Miss Cross Other Stories is like dipping into a box of strange and delicious biscuits or being offered a platter of unusual fruits that you don't know the name of but taste in some aspects familiar an enticing exciting and enlivening read a great book by a great writer a big tick for Miss Cross Mab Jones Buzz Magazine Norman Schwenk's animal stories are a long way from Disneyland They focus on the strange complicated links people forge with animals and how they illuminate the even more mysterious links

**Arabic and Hebrew Love Poems in Al-Andalus** Shari Lowin, 2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain

*The Art of Meditation and the French Renaissance Love Lyric* Michael Giordano, 2010-01-01 The Art of Meditation and the French Renaissance Love Lyric examines the poetics of meditation in the French love lyric at the height of the Lyonnais Renaissance as illustrated by one of the country's most prominent writers Maurice Scève's *Dieu* is the first French sequence of poems devoted to a single woman in the manner of Petrarch's *Rime* It is also the first Renaissance work to use emblems in a sustained work on love At their core most amatory lyrics involve a triple relation among lover beloved and the meaning of love Whether the poet lover is a man or woman poetic discourse generally takes the form of an interior monologue frequently intermingled with direct and indirect address to the beloved Though the dominant quality of this lyric is personal introspection Michael Giordano finds *Dieu* to be consistent with traditions of Christian meditation He argues that the amatory lyric served as a vehicle for contests of value and paradigm change not only because it was conditioned both by sacred and profane sources but also because it occurred at a time of religious upheaval and scientific revolution

A New Companion to English Renaissance Literature and Culture Michael Hattaway, 2010-05-10

In this revised and greatly expanded edition of the Companion 80 scholars come together to offer an original and far reaching assessment of English Renaissance literature and culture A new edition of the best selling Companion to English Renaissance Literature revised and updated with 22 new essays and 19 new illustrations Contributions from some 80 scholars including Judith H Anderson Patrick Collinson Alison Findlay Germaine Greer Malcolm Jones Arthur Kinney James Knowles Arthur Marotti Robert Miola and Greg Walker Unrivalled in scope and its exploration of unfamiliar literary and cultural territories the Companion offers new readings of both literary and non literary texts Features essays discussing material culture sectarian writing the history of the body theatre both in and outside the playhouses law gardens and ecology in early modern England Orientates the beginning student while providing advanced students and faculty with new directions for their research All of the essays from the first edition along with the recommendations for further reading have been reworked or updated

**The Complete Sonnets and Poems** William Shakespeare, 2002 Shakespeare's Sonnets are among the most complex and beautiful poems ever written Their exploration of love praise homo and hetero sexual desire is enacted in the richest densest writing in English And the first printed work to which Shakespeare's name was attached was the erotic narrative poem Venus and Adonis which developed a sumptuous vocabulary in which to explore love praise of the beloved sexual desire and the power of rhetoric That poem was so popular that most of Shakespeare's contemporaries thought of him as primarily a poet rather than a playwright Yet despite the power of Shakespeare's poems and their foundational place within his oeuvre modern readers have seldom been encouraged to engage with his non dramatic works as a whole This new edition explains how this state of affairs has arisen and why it needs to be changed The volume contains the complete Sonnets and poems with a full commentary An extensive and lively introduction explores Shakespeare's poetic development and shows how the poems relate to each other and to his dramatic works The Sonnets are freshly interpreted not as cryptic fragments of autobiography but as works which ask their readers to think about relationships between lyric poems and the historical circumstances which may have given rise to them The narrative poems Venus and Adonis and Lucrece are placed where they belong at the origin of Shakespeare's thinking about what it means to desire and to be desired The edition responds to the most recent scholarly work on the interpretation and dating of Shakespeare's poems and Sonnets It also explores what the poems may have meant to their earliest readers For this reason it also includes poems attributed to Shakespeare in the seventeenth century as well as those printed under his name in *The Passionate Pilgrim* in 1599

**Disguise, Deception, Trompe-l'oeil** Leslie Anne Boldt-Irons, Corrado Federici, Ernesto Virgulti, 2009 The series is designed to advance the publication of research pertaining to themes and motifs in literature The studies cover cross cultural patterns as well as the entire range of national literatures They trace the development and use of themes and motifs over extended periods elucidate the significance of specific themes or motifs for the formation of period styles and analyze the unique structural function of themes and motifs

The Art of Love Roy Gibson, Steven Green, Alison Sharrock, 2007-01-04

The Art of Love celebrates the bi millennium of Ovid's cycle of sophisticated and subversive didactic poems on love traditionally assumed to have been brought to completion around AD 2 Ars Amatoria The Art of Love and Remedia Amoris Cures for Love which purport to teach young Roman men and women how to be good lovers were partly responsible for the poet's exile from Rome under the emperor Augustus None the less they exerted great influence over ancient and later love poetry This is the first collection in English devoted to the poems and brings together many of the leading figures in the field of Latin literature and Ovidian studies from the British Isles Germany Italy and the United States It offers a range of perspectives on the poetics politics and erotics of the poems beginning with a critical survey of recent research and concluding with papers on the ancient medieval and modern reception of the poems

**Strong Words** Lauro Martines,2001 Neighborhood voices in poetry The verbal web of patronage Prayer in the urban setting Love and history men against women Suicide of a poet Alienation the outsider as poet Cruelty in the community Seduction and family space Poetry as political memory Crisis in the generation of 1494

Love and its Critics Michael Bryson,Arpi Movsesian,2017-07-10 This book is a history of love and the challenge love offers to the laws and customs of its times and places as told through poetry from the Song of Songs to John Milton's Paradise Lost It is also an account of the critical reception afforded to such literature and the ways in which criticism has attempted to stifle this challenge Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin amor love as an end in itself mutual and freely chosen even in the face of social religious or political retribution Neither eros nor agape neither exclusively of the body nor solely of the spirit this love is a middle path Alongside this tradition has grown a critical movement that employs a hermeneutics of suspicion in Paul Ricoeur's phrase to claim that passionate love poetry is not what it seems and should be properly understood as worship of God subordination to Empire or an entanglement with the structures of language itself in short the very things it resists The book engages with some of the seminal literature of the Western canon including the Bible the poetry of Ovid and works by English authors such as William Shakespeare and John Donne and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature Lively and enjoyable in its style it attempts to restore a sense of pleasure to the reading of poetry and to puncture critical insistence that literature must be outwitted It will be of value to professional graduate and advanced undergraduate scholars of literature and to the educated general reader interested in treatments of love in poetry throughout history

**Shakespeare's Wordplay** Professor M M Mahood,2003-09-02 Professor Mahood's book has established itself as a classic in the field not so much because of the ingenuity with which she reads Shakespeare's quibbles but because her elucidation of pun and wordplay is intelligently related both to textual readings and dramatic significance Revue des Langues Vivantes

**The Dramatic Works and Poems of William Shakspeare** William Shakespeare,1841 *The Poems of W.B. Yeats* Peter McDonald,2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with

newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet This first volume collects Yeats s poetry of the 1880s from his ambitious and extensive juvenilia including hitherto little noticed dramatic poems to his earliest published pieces leading to his first substantial book of verse The pastoral romance of classically inflected early work like *The Island of Statues* is succeeded in these years by the Irish mythic material that finds its largest canvas in the mini epic *The Wanderings of Oisín* In Yeats s work through the 1880s an adolescent poet s youthful absorption in Romantic poetry is replaced by a commitment to esoteric religious speculation and Irish political nationalism This edition allows readers to see Yeats s emergence as a poet step by step in compelling detail in relation to his literary influences including significantly the Anglo Irish poetry of the nineteenth century The commentary provides an extensive view of Yeats s developing personal cultural and historical worlds as the poems gain in maturity and depth From the first attempts at verse of a teenage boy to the fully accomplished writings of an original poet standing on the verge of popular success with poems such as *The Lake Isle of Innisfree* Yeats s poetry is displayed here in unprecedented fullness and detail

The Variorum Edition of the Poetry of John Donne, Volume 4.2 John Donne, 2021-11-02 This volume the ninth in the series of *The Variorum Edition of the Poetry of John Donne* presents newly edited critical texts of 25 love lyrics Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared Volume 4.2 details the genealogical history of each poem accompanied by a thorough prose discussion as well as a General Textual Introduction of the Songs and Sonets collectively The volume also presents a comprehensive digest of the commentary on these Songs and Sonets from Donne s time through 1999 Arranged chronologically within sections the material for each poem is organized under various headings that complement the volume s companions Volume 4.1 and Volume 4.3

**Didactic Literature in the Roman World** T. H. M. Gellar-Goad, Christopher B. Polt, 2023-08-21 This book collects new work on Latin didactic poetry and prose in the late Republic and early Empire and it evaluates the varied shifting roles that literature of teaching and learning played during this period Instruction was of special interest in the culture and literature of the late Roman Republic and the Age of Augustus as attitudes towards education found complex fluid and multivalent expressions The era saw a didactic boom a cottage industry whose surviving authors include Vergil Lucretius Ovid Horace Cicero Varro Germanicus and Grattius who are all reexamined here The contributors to this volume bring fresh approaches to the study of educational

literature from the end of the Roman Republic and early Empire and their essays discover unexpected connections between familiar authors Chapters explore interrogate and revise some aspect of our understanding of these generic and modal boundaries while considering understudied points of contact between art and education poetry and prose and literature and philosophy among others Altogether the volume shows how lively experimental and intertextual the didactic ethos of this period is and how deeply it engages with social political and philosophical questions that are of critical importance to contemporary Rome and of enduring interest into the modern world Didactic Literature in the Roman World is of interest to students and scholars of Latin literature particularly the late Republic and early Empire and of Classics more broadly In addition the volume s focus on didactic poetry and prose appeals to those working on literature outside of Classics and on intellectual history

**A Complete Word and Phrase Concordance to the Poems and Songs of Robert Burns** J. B. Reid, 1889 *Begin Afresh* Sisir Kumar Chatterjee, 2025-03-12 *Begin Afresh* The Evolution of Philip Larkin s Poetry offers incisive insightful and yet lucid analyses of all the individual poems contained in the four major collections of Larkin 1922 1985 It also deals with his Juvenile Poems Brunette Coleman poems those in *In the Grip of Light* and *XX Poems* as well as his last poems The book also discusses Larkin s novels and d bats It evaluates the critical opinions regarding various aspects of Larkin s poetry especially the issue of its development and shows that it may not follow a clearly identifiable linear chronological line of evolution but it does evolve in a subtle way from one phase of his career to the next The book explores how Larkin discovered his own original inimitable idiosyncratic poetic voice by truly democratising English poetry for the first time by writing accessible and pleasurable poetry and by forging a new poetic out of a philistine aesthetic which stands out as an artistic holotype It shows how Larkin restores the relation between poetry and the reading public a relation which was broken down by Modernist poets It also establishes how his poetic vision is neither optimistic nor pessimistic but realistic in that it preserves the universal human condition without moralising or philosophising The book aims to make a fresh departure in Larkin criticism and mark a new era in Larkin studies This volume will be of interest to students and researchers of Modernism twentieth century literature poetry language and literature [Selected Poems: Keats](#) John

Keats, 2007-04-26 Over the course of his short life John Keats 1795 1821 honed a raw talent into a brilliant poetic maturity By the end of his brief career he had written poems of such beauty imagination and generosity of spirit that he had unwittingly fulfilled his wish that he should be among the English poets after my death This wide ranging selection of Keats s poetry contains youthful verse such as his earliest known poem *Imitation of Spenser* poems from his celebrated collection of 1820 including *Lamia* *Isabella* *The Eve of St Agnes* *Ode to a Nightingale* and *Hyperion* and later celebrated works such as *La Belle Dame sans Merci* Also included are many poems considered by Keats to be lesser work but which illustrate his more earthy playful side and superb ear for everyday language **Poems and Prose** Christina Rossetti, 2008-10-09 The mystery of Life the mystery Of Death I see Darkly as in a glass Christina Rossetti 1830 94 is perhaps the most contradictory of the great

Victorian poets She writes of the world's beauty but fears that it may be deceptive even deadly She is a religious poet but much of her work is driven by uncertainty Her poems are restrained even secretive but they seek nothing less than the mystery of Life and Death This edition contains Rossetti's strongest and most distinctive work poetry including *Goblin Market* *The Prince's Progress* and the sonnet sequence *Monna Innominata* stories including the complete text of *Maude* devotional prose with nearly fifty entries from the reading diary *Times Flies* and personal letters Those poems which Rossetti published and those which she withheld from publication are here brought together in chronological order allowing the reader to observe her poetic trajectory This edition also records the major revisions made by Rossetti when preparing her poems for publication It brings together the fullest range of Rossetti's poetry and prose in one volume and is an indispensable introduction to this entrancing writer

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

**Petrarchan Love and the English Renaissance** Gordon Braden, 2022 Considers lyrical works and the reception of Petrarch's poetry in sixteenth and early seventeenth century England It explores these themes in the light of development of literary canons poetic imitation and production from Thomas Wyatt to William Shakespeare
