Looper, 2010-01-01 Winner Association for Latin American Art Book Award 2010 The Maya of Mexico and Central America have performed ritual dances for more than two millennia Dance is still an essential component of religious experience today serving as a medium for communication with the supernatural During the Late Classic period AD 600 900 dance assumed additional importance in Maya royal courts through an association with feasting and gift exchange These performances allowed rulers to forge political alliances and demonstrate their control of trade in luxury goods The aesthetic values embodied in these performances were closely tied to Maya social structure expressing notions of gender rank and status Dance was thus not simply entertainment but was fundamental to ancient Maya notions of social religious and political identity Using an innovative interdisciplinary approach Matthew Looper examines several types of data relevant to ancient Maya dance including hieroglyphic texts pictorial images in diverse media and architecture A series of case studies illustrates the application of various analytical methodologies and offers interpretations of the form meaning and social significance of dance performance Although the nuances of movement in Maya dances are impossible to recover Looper demonstrates that a wealth of other data survives which allows a detailed consideration of many aspects of performance To Be Like Gods thus provides the first comprehensive interpretation of the role of dance in ancient Maya society and also

serves as a model for comparative research in the archaeology of performance

**Strange Footing** Seeta Chaganti, 2018-05-30 For premodern audiences

poetic form did not exist solely as meter stanzas or rhyme scheme Rather the form of a poem emerged as an experience one generated when an audience immersed in a culture of dance encountered a poetic text Exploring the complex relationship between medieval dance and medieval poetry Strange Footing argues that the intersection of texts and dance produced an experience of poetic form based in disorientation asymmetry and even misstep Medieval dance guided audiences to approach poetry not in terms of the body s regular marking of time and space but rather in the irregular and surprising forces of virtual motion around ahead of and behind the dancing body Reading medieval poems through artworks paintings and sculptures depicting dance Seeta Chaganti illuminates texts that have long eluded our full understanding inviting us to inhabit their strange footings askew of conventional space and time Strange Footing deploys the motion of dance to change how we read medieval poetry generating a new theory of poetic form for medieval studies and beyond **Why Dance**

**Dancing in the Shadows** Madeline Jimenez, 2024-12-05 In Chicago's vibrant Little Village the air pulses with the rhythm of salsa bachata and the dreams of its residents Rosie Delgado a former ballet prodigy haunted by a silent past has traded pointe shoes for the raw energy of street dance finding solace in her sun drenched studio a haven for at risk youth Here dance is more than movement it's a lifeline a language of hope woven into the fabric of the community Mateo Vargas a gifted but troubled student embodies the struggles Rosie faces daily His natural grace masks a life caught in the crossfire of escalating gang violence Rosie sees in him a reflection of her younger self a flicker of potential threatened by the encroaching shadows Into this vibrant precarious world steps Ahmed El Sayed a social worker whose quiet strength resonates in the gentle cadence of his voice Captivated by Rosie's fire and the defiant spirit she ignites in her students Ahmed finds himself drawn into her orbit discovering an unexpected solace in the fiery rhythms of salsa a language that unlocks passions he keeps carefully hidden Together Rosie and Ahmed envision a vibrant dance showcase a fusion of Cuban rumba Egyptian zaffa and the myriad rhythms that echo through Chicago's streets But their shared dream faces mounting threats Mateo's situation worsens as the gang's grip tightens The

looming shadow of gentrification threatens to displace them all jeopardizing the studio's very existence And the ghosts of Rosie's past resurface sharp and jagged threatening the fragile trust she's placed in Ahmed As his traditional Egyptian family arrives Ahmed finds himself torn between the comfort of his heritage and the intoxicating pull of a future with Rosie a future that seems increasingly impossible As the showcase approaches the pressures converge into a storm Mateo makes a desperate choice escalating the danger Rosie withdraws her fear a wall against Ahmed's gentle attempts to reach her The cultural chasms that once drew them together now threaten to swallow their love whole The culminating performance becomes a battleground a fight not just for their student's dreams but for their own Rosie fueled by a renewed sense of purpose pours her pain and resilience into a breathtaking performance her voice finally breaking free Ahmed inspired by her courage confronts his family choosing love over tradition
