The Whispering Cove Kids Club Donna Crouse, 2015-07-17 This is a fictional story of a group of friends who live in a fictional town on the coast of South Carolina. They have known each other since they were small. They play together and belong to a lot of the same organizations and groups. All of them are Christians; some of them attended the same churches and within Whispering Cove. As a group, they are avid swimmers and certified scuba divers. This story is based partly in fact as I, the author, at age eleven lost my birthstone ruby ring after being told not to wear it in swimming by my mother. It now lies somewhere on the bottom of the Potomac River in Virginia where we had our summer cottage at Fair View Beach, Virginia. I looked for it but it was never found. I made this incident into a story that focuses on Amanda and a gift she receives from her mother on her birthday: a ruby ring. Her mother cautions her not to wear it swimming. And as fate would have it, one hot summer day she forgets to take the ring off and loses it in the ocean. Her friends decide to help her find the ring. While searching for the ring, they meet and gain the friendship of a dolphin that they named Gigi. This is where the adventure begins.

Experiencing many exciting and frightening occurrences along their journey, they finally reach the historic Point Reyes Lighthouse. After their tour, they hide inside the deserted lighthouse after dark and experience their most bizarre adventure thus far. They are abruptly transported out of the lighthouse when the old oil searchlight suddenly comes on and transports them along with a mysterious light being in the form of a man on an awesome journey throughout our Solar System and beyond to Heaven itself.

Amazing Mysterious Stories Atina Amrahs, 2025-01-20 The stories in this book are a reflection of my love for the genre and I have worked tirelessly to ensure that each one is a unique and thrilling experience for the reader. From the dark alleys of big cities to the remote corners of the countryside, the stories in this collection take the reader on a journey through the twisted minds of murderers, the devious schemes of criminals, and the desperate struggles of those who seek to bring them to justice. I have always believed that a good mystery story is not just about the plot but also about the characters. The protagonists in these

stories are a diverse cast of individuals each with their unique strengths flaws and motivations As the stories unfold you will find yourself rooting for them sympathizing with them and ultimately experiencing their triumphs and defeats
