Drawing Nature for the Absolute Beginner Mark Willenbrink, Mary Willenbrink, 2013-07-26 Have you ever experienced the peace of walking through the woods or the excitement of a storm gathering on a beach Drawing Nature for the Absolute Beginner will help you capture these moments in artwork and share them others In their fun and friendly

teaching style Mark and Mary Willenbrink offer a great beginner's course on drawing nature showing you how to realistically capture the world around you. All you need to get started are some simple supplies, basic techniques, and inspiration. From field to forest, beach or mountain, begin with a structural sketch, apply values and textures, and before you know it, you'll be drawing everything you see. You'll even learn how to render favorite wildlife such as chipmunks, deer, and eagles. Follow along with easy, step-by-step demonstrations to draw rocks, seashells, butterflies, and even more developed nature scenes. Gain a working understanding of key concepts such as perspective, value, and composition. Discover simple tools and tips you can use right away to improve your art.

Street Art World Alison Young, 2016-11-15

Street art and graffiti are a familiar sight in all our cities. Giant murals commemorate historical events or proclaim the culture of a neighborhood, while tagged walls can function simultaneously as a claim to territory and a backdrop for an urban fashion shoot. *Street Art World* examines these divergent forms and functions of street art. This strikingly illustrated book explores every aspect of street art, from those who spray it into being to those who revel in it on Instagram, from its place under highway overpasses to one on the austere walls of high art museums. What exactly is street art? Is it the same as graffiti, or do they have different histories, meanings, and practitioners? Who makes it? Who buys it? Can it be exhibited at all, or does it always have to appear unsanctioned? Talking with artists, collectors, sellers, and buyers, author Alison Young reveals an energetic world of self-made artists who are simultaneously passionate about an authentic form of expression and ambivalent about the prospects of selling it to make a living, even a fabulously good one. Drawing on over twenty years of research, she juxtaposes the rise and fall of art markets against the vibrancy of the street and urban life, providing a rich history and new ways of contextualizing the words and images, some breathtakingly beautiful that seem to appear overnight in cities around the world.

Art Treasures from Paintings of Famous Artists, 1897
