Maulding Green, Edward E. Leonard, 2019-11-13 Much like Gardner's Multiple Intelligences Maulding Green and Leonard have in Leadership Intelligence The Journey to Your True North postulated a theory regarding the age old question are leaders born or are leaders made This theory is predicated on the idea that there is a genetic predisposition toward leadership via the vehicle of imprinting The five critical factors which undergird the tenets of Leadership Intelligence are delineated and developed through the lens of the soft skills of a leader There is further clarification as to why some leaders seem to have a greater intensity of these factors than their peers To aid the reader in relating to the theory a conceptual model based on a GPS is threaded throughout each chapter interweaving both examples and understandable content The model relates keeping the organization moving in a true north fashion The final chapters reveal how a leader can develop or enhance these skills and how he/she can avoid leadership derailment due to neglecting them The Leadership Skills Handbook Jo Owen, 2017-08-03 Winner of the CMI Management Book of the Year Awards in the 2012 2013 New Manager category The Leadership Skills Handbook from best selling author Jo Owen reveals the essential skills you need to be an effective leader It shows you what works in practice not in theory in crucial areas such as people skills career skills mindset skills organization skills personal values and behaviours Each skill is presented in a concise easy to follow format with an accompanying framework to help you deploy it in your own life The skills are about the real challenges real leaders have to master and as you observe and record real life examples of skills in action you will be developing your own unique formula for success in the context that matters to you Based on research from over a thousand leaders throughout the world at all levels in the public private and voluntary sectors it identifies the practical skills to make you even more successful and offers guidance on all key topics This completely revised fourth edition of The Leadership Skills Handbook includes brand new content on some of the most challenging skills that successful leaders need to master through three new sections on financial skills including budgeting costs pricing and creating an investment case political skills including influencing negotiating networking and partnering and the art of strategy including strategic models understanding the customer marketing pricing and advertising This indispensable guidance will boost your confidence technical abilities and give you the

edge on your peers *The Leader Habit* Martin Lanik, 2018 In leadership as in life only practice makes perfect Habits are powerful They can lock us into negative behaviors like snacking and smoking or train us to act automatically in ways that benefit us such as putting on a seat belt Routines quietly undergird large portions of what we do and how we function Habit formation can speed success in the workplace as well even in complex areas like leadership The Leader Habit spotlights 22 essential leadership abilities breaking them down into a series of small learnable behaviors The accompanying 5 minute exercises help you practice each of these new skills until they stick Drawn from a study of hundreds of leaders across the globe the book's simple formula focuses on developing one skill at a time sell the vision delegate well innovate often empower others overcome resistance build strategic relationships focus on customers listen actively negotiate effectively and more Many of us aspire to great leadership consuming books and training But unless you intentionally reinforce the right behaviors results are fleeting This eye opening and original book builds the muscle memory to turn leadership skills into lasting habits **Develop Your Leadership Skills** John Adair, 2013-03-03 Develop Your Leadership Skills is John Adair's most accessible title on leadership Full of exercises and checklists it will boost your confidence levels and guide and inspire anyone on their journey to becoming a leader of excellence Acknowledged as a world expert John Adair offers stimulating insights into recognizing and developing individual leadership qualities acquiring personal authority and most importantly mastering core leadership functions such as planning communicating and motivating Suitable for anyone who wishes to improve or develop their leadership skills this guide distills the essence of John Adair's teaching and provides a framework for becoming an effective leader *Soft Skills for Strong Leaders* Helen Isacke, 2013-09 A must read for anyone aspiring to be a true leader in the workplace The thought provoking ideas about an honest and transparent management style in *Soft Skills for Strong Leaders* reminds us that successful management and leadership is just as much about who you are as what you know Mike Clare Founder of Dreams I wish this book had been out when I moved up into my first management and leadership roles It's like a fast track to all things you usually find out and realise later in your career Liz Arkell Employee Engagement Consultant *Soft Skills for Strong Leaders* gets straight to the point and works well as an ongoing reference which enables you to dip in and out of the book to gain advice when the need arises David Yeabsley Leadership Trainer The People Animators Your first management role can be a lonely and daunting place When you are good at what you do the natural reward is promotion and so having once been part of the team you are now in charge of it A new skill set is required to manage and lead You now need the ability to influence and engage others and to deliver results through them It is the lack of these soft skills and the lack of emotional intelligence that can derail the most technically knowledgeable leader The good news is that you can learn these skills through raising your self awareness and being more aware of those around you This book takes you on a personal journey of discovery as you prepare for leadership embark on your first 100 days and learn strategies to tackle the day to day challenges of leadership *Diagnosis: A Key Skill for Leadership (Transforming*
