Skocik,2017-04-27 In the depths of space on the twentieth anniversary of the supernova that destroyed the Earth the Space Star Silver Streak comes across an ancient space probe containing the infamous warlord of World War III Diana Krotus who has been discovered by Captain Cameron s old enemy Joshua Caruso When Krotus is revived she turns out to be a more complex person than the supervillain of history But Caruso still plots revenge against Cameron and Krotus has her own reasons to take over the Silver Streak The ensuing plot sows discord among the Silver Streak s command crew sunders lifelong friendships and pits the command section against the civilian section as the distant past intrudes into the present **Industrial Sports and Recreation** ,1956

Select Committee on Nutrition and Human Needs,1969 **Be Your Own Hero** Annie Mayfield,2019-06-24 In a world filled with comparison confined creativity limited flexibility and sustained dissatisfaction young adults are suffering from a lack of pure passion and zest for life now more than ever Social media makes things so easy to constantly feel your life is not as good as the person on your Snapchat feed or Instagram scroll and today s society puts so much emphasis on being the perfect person that adolescents are setting themselves up for an impossible standard to reach The youth of our generation needs to be reminded that they have the power within themselves to set their own standards and go after their innermost blissful desires to create more thrill and purpose in their lives than they could ever deem possible Magic in the lives of young adults needs to be reinstalled dreams need to be reintroduced and seeds of passion for life needs to be replanted Be Your Own Hero cultivates a mind set that the door to success always swings inward not outward In order to achieve your external goals you must work on your inner self This book aims to help young adults realize that their external empire only goes as far as their internal empire By building a sense of self heroism and an ability to save themselves versus relying on external factors to do their saving for them young adults can not only dream bigger but also love and serve bigger leading them to a life they never thought possible *Nutrition and Human Needs* United States.
