Bibliographic Guide to Chicana and Latina Narrative Kathy Leonard,2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies

written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author's shorter pieces have been reprinted along with information about particular works

The Art of College Teaching Marilyn Kallet, April L. Morgan, 2005 Teachers everywhere are confronted with a problem Whether at a small liberal arts college major research university or some other institute of learning instructors are continually challenged to create smart effective pedagogical techniques in order to be efficient in the classroom The Art of College Teaching is a first twenty eight insider essays about this process by distinguished and highly acclaimed teachers of note from across the curriculum including eleven Carnegie national award winners grouped here to uncover common values approaches and even debates among today's educators Rather than a rulebook for good teaching Professors Marilyn Kallet and April Morgan have assembled a wide variety of practitioner lore what successful teachers have learned to do well and what they're still seeking to master From the embarrassing to the inspirational contributors take us inside their classrooms to explain the light bulb moments that form the bases of their teaching philosophies making this collection reader friendly often humorous and very real Contributors take up a broad range of subjects setting boundaries with students teaching as performance the pros and cons of lecture versus active learning gaining students respect and keeping it creativity in the classroom encouraging diversity and many others The interdisciplinary approach allows for a stimulating mix of voices and kinds of expertise from takes on teaching by Nobel Prize Laureate James Buchanan to coaching strategies from champion ice skating instructor Robert Unger Theories about the right way to teach abound but like any art teaching isn't easily defined by guidelines or prevailing wisdom A narrative experiential approach to one of our most rewarding and demanding disciplines The Art of College Teaching is a book to be of use It is a handbook of ideas that will empower new teachers and refresh those who have been in the trenches for years

Use Your Words Kate Hopper, 2012-04-02 *USE YOUR WORDS* introduces the art of creative nonfiction to women who want to give written expression to their lives as mothers Written by award winning teacher and writer Kate Hopper this book will help women find the heart of their writing learn to use motherhood as a lens through which to write the world and turn their motherhood stories into art Each chapter of *USE YOUR WORDS* focuses on an element of craft and contains a lecture a published essay

and writing exercises that will serve as jumping off points for the readers own writing Chapter topics include the importance of using concrete details an overview of creative nonfiction as a genre character development voice humor tense and writing the hard stuff reflection and back story structure revision and publishing The content of each lecture is aligned with the essay poem in that chapter to help readers more easily grasp the elements of craft being discussed Together the chapters provide a unique opportunity for mother writers to learn and grow as writers USE YOUR WORDS takes the approach that creative writing can be taught and this underscores each chapter When students learn to read like writers to notice how a piece is put together and to question the choices a writer makes they begin to think like writers When they learn to ground their writing in concrete sensory details and begin to understand how to create believable characters and realistic dialogue their own writing improves USE YOUR WORDS reflects Kate s style as a teacher guiding the reader in a straightforward nurturing and passionate voice As one student noted in a class evaluation Kate is a born writer and teacher and her enthusiasm for essays about motherhood and for teaching the nuts and bolts of writing so that ordinary mothers have the tools to write their stories is a gift to the world She is raising the value of motherhood in our society as she helps mothers build their confidence and strengthen their game as writers *Reading U.S. Latina Writers* A. Quintana,2003-03-18 This essential teaching guide focuses on an emerging body of literature by U S Latina and Latin American Women writers It will assist non specialist educators in syllabus revision new course design and classroom presentation The inclusive focus of the book that is combining both US Latina and Latin American women writers is significant because it introduces a more global and transnational way of approaching the literature The introduction outlines the major historical experiences that inform the literature the important genres periods movements and authors in its evolution the traditions and influences that shape the works and key critical issues of which teachers should be aware The collection seeks to provide readers with a variety of Latina texts that will guarantee its long term usefulness to teachers and students of pan American literature Because it is no longer possible to understand U S Latina literature without taking into consideration the histories and cultures of Latin America the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in U S and Latin American women s cultural productions In this context the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan American women s literature Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed

category or other verse tradition that historically has been in dialogue with the poetry of the United States **Unpalatable**

Carrie Helms Tippen, 2025-01-15 The cookbook genre is highly conventional with an orientation toward celebration and success From glossy photographs to heartwarming stories and adjective rich ingredient lists the cookbook tradition primes readers for pleasure Yet the overarching narrative of the region is often one of pain loss privation exploitation poverty and suffering of various kinds While some cookbook writers go to great lengths to avoid reminding readers of this painful past others invoke that pain as a marker of southern authenticity Still others use stories of southern suffering as an opportunity to make space for reconciliation reparation or apology for past wrongs In *Unpalatable Stories of Pain and Pleasure in Southern Cookbooks* author Carrie Helms Tippen attempts to understand the unique rhetorical situation of the southern cookbook as it negotiates a tension between the expectations of the genre and the prevailing metanarratives of the southern experience one focused on pleasure and the other rooted in pain Through an analysis of commercially published southern cookbooks from the 1990s to the present Tippen examines the range of rhetorical purposes and strategies writers have employed some of which undermine the reality of a painful past and cause harm or violence and others which serve as tools for truth and reconciliation Writing the Southwest David King Dunaway, Sara L. Spurgeon, 2003 The accompanying CD provides excerpts from the interviews with the authors **Wild Blessings** Hilary Holladay, 2012-05-16 Widely acclaimed for her powerful explorations of race womanhood spirituality and mortality poet Lucille Clifton has published thirteen volumes of poems since 1969 and has received numerous accolades for her work including the 2000 National Book Award for *Blessing the Boats* Her verse is featured in almost every anthology of contemporary poetry and her readings draw large and enthusiastic audiences Although Clifton's poetry is a pleasure to read it is neither as simple nor as blithely celebratory as readers sometimes assume The bursts of joy found in her polished elegant lines are frequently set against a backdrop of regret and sorrow Alternately consoling stimulating and emotionally devastating Clifton's poems are unforgettable In *Wild Blessings* Hilary Holladay offers the first full length study of Clifton's poetry drawing on a broad knowledge of the American poetic tradition and African American poetry in particular Holladay places Clifton's poems in multiple contexts personal political and literary as she explicates major themes and analyzes specific works Clifton's poems about womanhood a central concern throughout her career her fertility poems which are provocatively compared with Sylvia Plath's poems on the same subject her relation to the Black Arts Movement and to other black female poets such as Gwendolyn Brooks and Sonia Sanchez her biblical poems her elegies and her poignant family history *Generations* an extended prose poem In addition to a new preface written after Clifton's death in 2010 this updated edition includes an epilogue that discusses the poetry collections she published after 2004 Readers encountering Lucille Clifton's poems for the first time and those long familiar with her distinctive voice will benefit from Hilary Holladay's striking insights and her illuminating interview with the influential American poet To Mend the World Marjorie Agosín, Betty Jean Craige, 2002 A thought provoking collection of
