A Night on the Moon Larry Gaddy, 2011-11-10 Life and self worth is a blessing that cannot be bought at any price To see through those eyes is to see eternal youth to grow wise with grace and to still die young at any age Watching a colored leaf fall from a tree Seeing its dance upon the wind Hearing the lyrics of a song unsung Humming the melody yet written Writing words that bring teardrops And humbled by the grace of it all Some would say he's a visionary seeing truth beyond the lies twisting a simple word into emotion Question everything He heard so often as a child Looking through the stained glass in his mind's eye somewhere within his fantasy a simple child became a poet He is a story teller In his words you will find a simple truth Hanging on a single word as a lifeline letting go to find another In his world you feel the little things and the miracles they bring Through his eyes the fairies have been seen painting sunsets and rainbows

setting the poetry a league ahead of all other modern verse There is a multitude of unparalleled themes that are confronted in this 100 plus collection of verse alongside established forms and topics The list ranging from life to death and ambition to failure is too varied and extensive to list in its entirety Humour is a primary objective of the book and one that is recurrent one fantastic example The damage is already done basks in its own self glory and is truly postmodern in its awareness of its own aptitude and magnitude Love poems are prevalent too within the collection although this is not to say that all of the love poetry is traditional The last ounce Modern day love and Oh don t get pissed again reject the style and content of the canonical love poem for something a little more postmodern As well as a variation in themes forms both traditional and original also vary to best depict or satirise the situation For example A child for the millennium uses free verse and elaborate language to parody its content that is the degenerate youth culture The result is that ironically the uneducated youth is unable to comprehend the issues that are in fact so pertinent to their lives as is the case in real life also This book is guaranteed to taunt you haunt you and leave you questioning your position in the contemporary situations that the author so ingeniously presents
