**Lunatic Revenge** Sharon Sala, 2012-09-26 Do Tara and Flynn stand a ghost of a chance The bad guys are after a hidden fortune that belongs to Flynn O Mara's dying father they think Tara can use her psychic powers to find it for them She'll need plenty of help from her spirit friends if she and Flynn are going to get out of this trouble alive Look out Tara screamed as the sports car spun toward them The car hit them twice first on the driver's side fender then as Flynn's car started to spin again on the back bumper Hold on Flynn yelled as their car flipped once then went airborne over the guard rail and into Boomer Lake Tara came to as the car was sinking nose first into the water and quickly unbuckled her seat belt If they were going to survive they would have to get themselves out Flynn Unbuckle your seatbelt I'm going to roll down the windows so we can swim out Then she saw Flynn unconscious and slumped over the steering wheel Frantically she unbuckled his belt and tried to pull him toward her but the steering wheel was too tight against his chest I can't breathe he groaned Help me Tara help me Tara began screaming at Flynn begging him to move as the water rushed up to their chests then their necks She was holding Flynn's face out of the water pushing him as far up as she could until their heads were touching the roof of the car

She couldn't believe this was happening. It was just like her dream. They were going to die. Where was her backup when she needed them. Millicent Henry. Uncle Pat. Someone. Anyone. Help. Help. Seconds later the water was over their heads. Oppliger,2013-10-03 The numerous anti bullying programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals They may also feel their experiences are trivialized by comic portrayals Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem *Please Stop Licking the Window* Carol Gilreath,2012-01-11 This book describes the difficulties a family encounters as they live through a heartrending journey with a son who has chosen a life of addiction Many families will be able to relate to the scenarios within their own lives It is written with an interesting twist of nursery rhymes revised to describe a young mans attempt at life Don t be surprised to read that Cliff could jump over the moon or that the Son came down and washed the devil out In this account of a familys attempt at normalcy one realizes that a life guided by Christ will never be normal because He specializes in the unbelievable The faith of a mother the grace of the Lord and the undeniable hold of addiction are all rolled up in this story of a boy who always seems to be just beyond the window From Then to Now Mitzi Mensch,2016-09-22 From Then to Now is a novel within a novel Maggie figures that with events being so old it is safe to tell all Figuring wrong is her first mistake Downloading the manuscript onto her grown daughters computer is her second mistake Andrea is dismayed to discover Maggies infidelity in her first marriage and shocked to learn of her grandmothers cloistered pregnancy and forced adoption of her newborn daughter She uses the Internet to find the people mentioned in her mothers story more to satisfy her own curiosity than to bring her mother peace From Then to Now spans six decades and addresses changes both individual and societal in attitude perception and awareness These changes triggered in part by outside world events bring about personal understanding achieved only after loss is experienced and enlightenment has been attained
