SMALL CRAFT NAVIES

Small Craft Navies

**United States. Congress. House.
Committee on Government Operations**

Small Craft Navies:

Small Navies Michael Mulqueen, Deborah Sanders, Ian Speller, 2016-04-01 Whilst maritime studies tend to reflect the dominance of large navies history shows how relatively small naval forces can have a disproportionately large impact on global events From Confederate commerce raiders in the nineteenth century to Somali pirates today even the most minor of maritime forces can become a key player on a global stage Examining a broad range of examples this volume addresses the roles and activities of small navies in the past and the present at the national regional and international level In particular it focusses on the different ways in which such forces have identified and addressed national and international security challenges and the way in which they interact with other navies and security agencies In addition the collection also investigates the relationship of such navies with non governmental organisations institutions and bodies in pursuit of broader maritime goals be they political financial or environmental Adopting an interdisciplinary approach drawing on the best new research from the fields of international relations security studies strategic studies and maritime history the book examines the diversity of experience amongst different smaller navies and also establishes areas of similarity Divided into two sections part one begins with a number of chapters that are theoretical in nature whilst part two provides case studies that offer a more regional focus including analysis of the challenges facing contemporary navies and historical case studies designed to reveal the experience of small navies over time By adopting an approach that combines historical considerations with analysis of current events the collection offers a unique perspective on the role that small navies have played in wider nautical affairs and their continued impact upon global maritime strategies

Official Records of the Union and Confederate Navies in the War of the Rebellion United States. Navy Department, 1896 *Official Records of the Union and Confederate Navies in the War of the Rebellion* United States. Naval War Records Office, 1896 *U.S. Navy Service Craft* Ken W. Sayers, 2025-03-26 Although little known and mostly anonymous members of the Dungaree Navy are essential contributors to the operations maintenance and readiness of the U S battle force They include a variety of tugboats barges floating dry docks lighters and scores of other blue collar vessels such as range tenders floating derricks and ferries These behind the scenes workhorses of the Navy are collectively known as service craft With more than 500 photos this unique book provides the histories and discusses the operations and characteristics of more than 4 000 ships boats and other craft in some 140 classifications and types that have served in the Navy as utility vessels from World War I to today This comprehensive work includes such rare listings as drone aircraft catapult ships light salvage lift craft and radiological repair barges In addition readers will discover a virtual flotilla of houseboats dredges torpedo trials craft and many other unsung ships and boats

Congress. House. Committee on Appropriations. Subcommittee on Military Construction Appropriations,2004 *Estimates Submitted by the Secretary of the Navy, 1918* United States. Congress. House. Committee on Naval Affairs,1918 Ships of the American Revolutionary Navy Mark Lardas,2012-01-20 Mark Lardas explores the origins of American warships primarily light and medium frigates built for the Continental Navy during the years 1776 1783 This was the first navy of the United States and much of the fleet was comprised of ships that had been modified from existing vessels converted into warships to provide a crucial service during the American Revolutionary War Despite having no real funding this unique fleet had a surprising amount of success against the might of the Royal Navy and this title discusses the strengths and weaknesses of

each design and the differences between European and American warships of the time With a close look at how these ships performed in key battles as well as the exploits of John Paul Jones the founding father of the United States Navy this is a complete illustrated overview of the ships service and development until France s entry into the war and the subsequent decline in importance of the Continental Navy *Official records of the Union and Confederate navies in the war of the Rebellion, publ. by R. Rush and R.H. Woods [and others].* United States navy dept,1900 *Code of Federal Regulations* ,1961 *Navy Department Appropriation Bill* United States. Congress. House.
