Hummon, 1990-07-05 This book interprets popular American belief and sentiment about cities suburbs and small towns in terms of community ideologies Based on in depth interviews with residents of American communities it shows how people construct a sense of identity based on their communities and how they perceive and explain community problems e g why cities have more crime than their suburban and rural counterparts in terms of this identity Hummon reveals the changing

Progress in the Rural Development Program United States. Department of Agriculture, 1956 **Rural Development Program**, 1956 *Building A New Heritage (RLE Tourism)* Gregory Ashworth, Peter Larkham, 2013-05-20 At the heart of the European debate lies the tension between the idea of

European unity and individual state identities and nationalisms This volume provides an insight into this dichotomy by exploring the role of heritage in the new Europe The main theme of this book is that a number of possible heritages can be shaped from the European past depending on the purposes for which they are intended Through different methods of management intervention heritage can fulfil a variety of functions becoming a major commercial resource in the form of the tourism industry or enlisted in the creation and maintenance of place identities Leading contributors look at different perceptions of heritage by different cultures and the social and political consequences of heritage planning The nature of heritage planning for emerging spatially fragmented state structures is also discussed **Frank Lloyd Wright Versus**

America Donald Leslie Johnson,1994 For his critics and biographers the 1930s have always been the most challenging period of Frank Lloyd Wright s career This account uses the architect s long inaccessible archives at Taliesin West to provide a balanced evaluation of Wright in the 1930s It separates Wright s design activities from his self promotion and places his philosophy of individualism within the context of the times **Precocious** V Leigh,2015-01-23 Precocious is a girl s coming of age journey of self discovery forgiveness and resilience CC the main character is shuffled from pillar to post after her mother s untimely death Her life turned topsy turvy when her father s resolve drives him to remove her from the sanctity of the only home she s ever known Thanks to divine intervention CC is able to face the painful truth about the complexities of her own present while accepting her family s often convoluted past as she embraces a future of limitless possibilities during her evolution into a young woman of substance As you read this book hopefully you will be able to draw an analogy between the prodigious honey bee symbolized on the front cover of PRECOCIOUS and this literary work which has been diligently toiled over through numerous long and agonizing nights and lovingly tended to during many a painfully cold arthritic day
