Pettibone, 2009-11 **The Organization and Order of Battle of Militaries in World War II** Charles D.

Pettibone, 2012-01-16 There are numerous Order of Battle books on the market So what makes this one so special Why should one decide on this particular book Most Order of Battle books usually deal only at the division and corps level of a country's army Most higher commands are not covered This book deals with all the branches of a country's military giving a breakdown of all the major echelons of command from theater down to brigade under each component army group armies corps division and brigade and the equivalent command for the other military branches are included Second it attempts to give an overall command structure of the country's military showing the central headquarters command structure as well as the major components army groups armies corps etc Third most Order of Battle books list the commander and their dates of tenure This one includes those but also lists their next duty assignments or where they went after leaving the post One can literally trace a general officer's career through the upper echelons of command making this series completely different from all the others on the market **Hungary in World War II** Deborah S. Cornelius, 2019-08-08 A historian examines why

Hungary allied with the Nazis and the devastating consequences for the country The full story of Hungary's participation in World War II is part of a fascinating tale of rise and fall of hopes dashed and dreams in tatters Using previously untapped sources and interviews she conducted for this book Deborah S Cornelius provides a clear account of Hungary's attempt to regain the glory of the Hungarian Kingdom by joining forces with Nazi Germany a decision that today seems doomed to fail from the start For scholars and history buffs alike Hungary in World War II is a riveting read After the First World War the new country of Hungary lost more than 70 percent of its territory and saw its population reduced by nearly the same percentage But in the early years of World War II Hungary enjoyed boom times and the dream of restoring the Hungarian Kingdom began to rise again As the war engulfed Europe Hungary was drawn into an alliance with Nazi Germany When the Germans appeared to give Hungary much of its pre World War I territory Hungarians began to delude themselves into believing they had won their long sought objective Instead the final year of the world war brought widespread destruction and a genocidal war against Hungarian Jews Caught between two warring behemoths the country became a battleground for German and Soviet forces and in the wake of the war Hungary suffered further devastation under Soviet occupation and forty

five years of communist rule This is the story of a tumultuous time and a little known chapter in the sweeping history of World War II Historical Dictionary of World War II Anne Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 9 May 1945 leaving much of the European continent in ruins and its population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The Historical Dictionary of World War II The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II **From the Realm of a Dying Sun** Douglas E. Nash, 2021-02-11 An excellent and thought provoking chronicle of the IV SS Panzerkorps in Hungary and Austria in the last months of World War II with maps *Globe at War* In the closing months of World War II with Budapest's fall on February 12 1945 and the breakout attempt by the IX SS Gebirgskorps having failed the only thing the IV SS Panzerkorps could do was fall back to a more defensible line and fortify the key city of Stuhlweissenburg Exhausted after three relief attempts in January 1945 and outnumbered by the ever increasing power of Marshal Tolbukhin's Third Ukrainian Front SS Obergruppenführer Gille's veterans dug in for a lengthy period of defensive warfare However Adolf Hitler had not forgotten about the Hungarian theater of operations nor the country's rich oilfields and was sending help To the detriment of the defense of Berlin SS Oberstgruppenführer Sepp Dietrich's legendary 6 Panzerarmee was on its way not to retake Budapest but to encircle and destroy Tolbukhin's forces and completely reverse the situation in southeastern Europe in Hitler's favor This overly ambitious offensive known as *Frühlingserwachen* Spring Awakening was soon bogged down in the face of resolute Soviet defenses aided by the springtime thaw Heralded as Nazi Germany's last great offensive of World War II it resulted in great losses to Hitler's last armored reserve in exchange for only minor gains Though it played a supporting role during the battle the IV SS Panzerkorps was soon caught up in its aftermath after the Red Army launched its Vienna Operation that nearly swept the armies of Heeresgruppe Süd from the battlefield Withdrawing into Austria Gille's battered corps attempted to bar the route into Germany while the Red Army bore down on Vienna Forced to endure relentless Soviet attacks as well as the caustic leadership of the 6 Armee commander General Hermann Balck the men of the IV SS Panzerkorps fought their way through Austria to reach the safety of the demarcation line where it finally surrendered to U S forces on May 9 1945 after nearly a year of relentless campaigning *The Austro-Hungarian Army and the First*

World War Graydon A. Tunstall, 2021-09-30 This is a definitive account of the Austro Hungarian Royal and Imperial Army during the First World War Graydon A Tunstall shows how Austria Hungary entered the war woefully unprepared for the ordeal it would endure When the war commenced the Habsburg Army proved grossly under strength relative to trained officers and manpower possessing obsolete weapons and equipment and with the vast majority of its troops proved inadequately trained for modern warfare Well over one million Habsburg troops mobilized creating an enormous logistical challenge of forging an army from the diverse cultures languages economic and educational backgrounds of the Empire's peoples Graydon A Tunstall shows how the army suffered from poor strategic direction and outdated tactics and facing a two front offensive against both Russia and Serbia He charts the army's performance on the battlefields of Galicia Serbia Romania the Middle East and Italy through to its ultimate collapse in 1918
