**Contextualization and the Old Testament** Jerry Hwang,2022-09-26 Christianity is often viewed in Asia as a Western imposition Challenging this Dr Jerry Hwang examines the Old Testament s cultural engagement of its ancient Near Eastern context arguing that Scripture itself provides the ultimate model for contextualizing theology in Asia While it is common for missiological studies to ignore the Old Testament in their discussion of contextualization truly biblical contextualization must include the whole Bible not simply the New Testament This study provides insightful discourse between the Old Testament and various Asian contexts while demonstrating how Asian perspectives can help overcome the Eurocentrism prevalent in Old Testament scholarship This is an ideal resource for scholars and practitioners interested in a biblical perspective of contextualization especially as related to constructing theology that honors the truth of Scripture in the context of Asia

demolishes Darwinism as a scientific theory and denounces Darwin as the racist bigot that he was God's Solution uses a wide array of examples to show that Mother Nature is much too varied to be shoehorned into a simplistic theory like evolution God's Solution then uses the charity industry to show that religion not atheism holds the moral high ground In using the arguments of the secular jihadists to show how life without religion is meaningless God's Solution will prove a valuable resource to all readers who honestly seek the scientifically grounded metaphysical truths of their own inherited faith and who wish to imbue their children and grandchildren with those same beliefs *How to Find Selfless Joy in a Me-First World*
