**Evangelical Sunday School Lesson Commentary 2017-2018** Lance Colkmire, 2017-07-28 Sunday School Lessons The Expositor, 1916      *My Journey* Mike Steward, 2025-09-16 This book titled *My Journey into Mid Acts* Dispensationalism is a true story of an Independent Baptist's spiritual journey to a new understanding of the Bible God's Word For some people the words dispensation and dispensationalism are foreign words to them They have no idea what a dispensation is let alone how it connects with Bible doctrine and how it is taught affects their belief system More than one has said they had to look the word up in a dictionary The author was schooled and trained as an Acts 2 dispensationalist Most churching Christian people were trained the same way But is that what the Bible teaches If that teaching is wrong how would that change your theology This is a story of how the author was introduced to mid Acts Bible doctrine and what he came to believe because of that      **Understanding the Atonement for the Mission of the Church** John Driver, 2005-07-06 At the very center of the Christian faith is Jesus a crucified Messiah All the wisdom and the power of God have been revealed in him Apart from such wisdom and power no genuine Christian experience is possible Unfortunately Western Christianity has been so conditioned by Constantinian presuppositions that it has failed to take into account the centrality of the crucified Messiah It has been far more preoccupied with worldly wisdom and worldly power than with faithfulness to the gospel of the kingdom It has concentrated on the salvation of the individual soul but has frequently disregarded God's purpose to create a new humanity marked by sacrificial love and justice for the poor In the classical theories on the atonement the work of Christ was unrelated to God's intention to create a new humanity Driver here demonstrates that the covenanted community of God's people is the essential context for understanding the atonement The reconciling work of Christ creates a reconciling community where all the barriers that divide humankind break down Driver's book is an invitation to look at the cross not merely as the source of individual salvation but as the place wherein begins the renewal of the creation the new heavens and the new earth that God has promised and that the messianic community anticipates May many readers heed its message C
