The Ministry Of The Word Notables On Preaching:

The Ministry of the Word Douglas William Cleverley Ford, 1979 Offers some practical advice for preachers as well as examining theological fundamentals which form the basis of preaching [A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day](#) Zondervan, 2018-12-11 A Legacy of Preaching Two Volume Set Apostles to the Present Day explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing these preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today. Volume One covers the period from the apostles to the Puritans and profiles thirty preachers, including Origen of Alexandria by Stephen O. Presley, John Chrysostom by Paul A. Hartog, Augustine of Hippo by Edward L. Smither, Gregory the Great by W. Brian Shelton, Bernard of Clairvaux by Elizabeth Hoare, Francis of Assisi by Timothy D. Holder, Saint Bonaventure by G. R. Evans, Meister Eckhart by Daniel Farca, John Huss by Mark A. Howell, Martin Luther by Robert Kolb, John Calvin by Anthony N. S. Lane, Jonathan Edwards by Gerald R. McDermott, John Wesley by Michael Pasquarello III, George Whitefield by Bill Curtis, and Timothy McKnight, and many more. Volume Two covers the period from the Enlightenment to the present day and profiles thirty-one preachers, including Catherine Booth by Roger J. Green, Charles Haddon Spurgeon by Thomas J. Nettles, Henry Ward Beecher by Michael Duduit, John Albert Broadus by Hershael W. York, D. L. Moody by Gregg L. Quiggle, Billy Sunday by Kristopher K. Barnett, Karl Barth by William H. Willimon, Dietrich Bonhoeffer by Keith W. Clements, D. Martyn Lloyd Jones by Carl Trueman, John Stott by Greg R. Scharf, Harry Emerson Fosdick by Dwayne Milioni, Aimee Semple McPherson by Aaron Friesen, Gardner C. Taylor by Alfonza W. Fulwood, and Robert Smith Jr. Billy Graham by John N. Akers, Martin Luther King Jr. by Alfonza W. Fulwood, Dennis R. McDonald, and Anil Sookdeo. J. I. Packer by Leland Ryken and Benjamin Hernandez, and many more.

The New Interpreter's® Handbook of Preaching, 2010-11-01 The New Interpreter's Handbook of Preaching is a major reference tool for preaching, with articles on every facet of Christian sermon preparation and delivery. This resource is both scholarly and practical. It focuses on the most distinctive feature and greatest strength of homiletics as a discipline. It is rooted in interdisciplinary scholarship and it develops theory geared to practice. Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition. When theory and practice critique each

other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice

sermon [on Matth. xiii.] concerninge the ryght use of the lordes supper and other thinges very profitable for all men to knowe, etc. B.L. John PONET (successively Bishop of Rochester and of Winchester.),1550 **Fifty Notable Years Views of the Ministry of Christian Universalism** John G. Adams,2014-03-18 Every intelligent reader of that expressive line of Longfellow Let the dead past bury its dead understands that if the dead past may be buried as it deserves to be the living past will be remembered recorded celebrated honored in all time to come It is well always that we have our eyes open to this fact Among the many voices heard in the discussions going on in the religious world during the last half century has been that of Christian Universalism It is still speaking more emphatically and widely than ever A brief and comprehensive notice of its manifestations is surely worthy of consideration at the present time It is the intent of this volume to keep in sacred remembrance some of the preachers and defenders of the Gospel of God s impartial grace who in times when it was frowned upon and misrepresented in and out of the churches had the Christian courage and loyalty to avow and maintain it They have made the past not dead but gloriously alive in their faith and works **Notable sayings of the Great teacher, and other biblical studies** Henry Thorne (evangelist.),1893 *A Sight for the Church of God and a notable one! from the scriptures of truth: Number 666, or year 1836; Popery coming up out of the earth ... Translated out of French ... by Io. Feilde.** B.L. Philippe de Mornay (seigneur du Plessis-Marly),1579 **Preaching** John F. MacArthur,Master's Seminary Faculty,2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In Preaching How to Preach Biblically John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master s Seminary to inspire and equip preachers in effective biblical preaching Preaching How to Preach Biblically flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God s people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master s Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence *Fifty Notable Years* John Greenleaf Adams,1882 **How Effective Sermons End** Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching

could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

Seven Pillars of a Biblical Church John B. Carpenter,2022-02-02 Uncovering seven lessons from Scripture and the Puritans John Carpenter applies the principles and practices that are often neglected by the church today but are key in making a church truly biblical Drawing on his background as a scholar of Puritanism and years of planting and pastoring a church Carpenter establishes each pillar on the Bible and shows through Scripture and practical examples how they work Beginning with the tale of how an eyewitness account of the 9 11 terrorist attack on the World Trade Center shows us the perils of only seeing part of God s revelation we see why we must listen to what God says about himself why we must understand that the gospel is not a self help plan why salvation is so simple that it can be reduced to a bumper sticker Jesus saves but is still so often misunderstood leading to unconverted people leading churches and why believers aren t called just to go to church but to be covenanted members of a specific church where they can be corrected by their pastors and where worship is centered on God not on personalities putting on a show or attracting crowds
