The Mishnah Social Perspectives:

The Mishnah Jacob Neusner, 1999 The Mishnah provides a systematic basis for Jewish social order The fundamental principles of its social theory are known to be coherent and harmonised It is demonstrated here how its political and economic tenets recapitulate those of Aristotle This publication has also been published in paperback please click here for details

The Mishnah, Social Perspectives Volume 2 Jacob Neusner, 2021-10-01 For Aristotle politics economics and philosophy define the social construction of any society For Judaism the Mishnah along with Scripture sets forth the systematic statement for understanding the social construction and world view of Judaism around 200 C E The Mishnah functioned as the basic law in the holy land and was adopted also by Jews in the Diaspora from Babylonia to the western satrapies of the Iranian empire of the Sasanians Professor Jacob Neusner takes seriously the three principal tasks of theoretical thought enjoined by Aristotle and asks us to look at the Mishnah not as an inert collection of traditions passed on but as a deliberate programmatic statement of Judaism's way of life and world view He points to the systematic nature of the Mishnah with its six divisions and shows how collectively those divisions cover the everyday life of the people The Mishnah contains independent judgements about the nature of the system and does not merely rehearse what tradition says about a given topic This interpretive aspect of the Mishnah has been ignored to the interpreter's peril because it is precisely by paying attention to how the Mishnah uses traditions for its own purposes that the interpreter can appreciate the building blocks of Judaism its politics economics and philosophy This publication has also been published in hardback please click here for details

Der Nahe und Mittlere Osten Jacob Neusner, 1999 Condensing research concerning questions of religion which encompass the social history of ideas and the religious uses of language this book deals with three questions the relationship of the Mishnah to Scripture the relationship of the religious ideas people hold to the world in which they live and the religious meaning of the formalization of language that characterizes the Mishnah in particular In discussing how the Mishnah relates to Scripture in the later mythic language of Rabbinic Judaism the oral Torah to the written Torah a complete analysis is presented based on a systematic application of a single taxonomic program Then an examination is made of how the stages in the unfolding of the Halakhah of the Mishnah relate to the principal events of the times which delineate those stages Here focus is given to those pre 70 C E components of the Halakhah that later come to the surface in the Mishnah but discussion extends to the periods from the destruction of the Temple in 70 C E to the Bar Kokhba War concluded in ca 135 C E then from the reconstruction 135 C E to the closure of the Mishnah 200 C E Finally attention is given to methods of interpreting the rhetorical forms of the Mishnah in the context of the social culture laid bare by the socio linguistics of the documents concerned This publication has also been published in paperback please click here for details

The Mishnah: Religious Perspectives Jacob Neusner, 2016-11-14 Condensing research concerning questions of religion which encompass the social history of ideas and the religious uses of language this book deals with three questions the relationship of the

Mishnah to Scripture the relationship of the religious ideas people hold to the world in which they live and the religious meaning of the formalization of language that characterizes the Mishnah in particular In discussing how the Mishnah relates to Scripture in the later mythic language of Rabbinic Judaism the oral Torah to the written Torah a complete analysis is presented based on a systematic application of a single taxonomic program Then an examination is made of how the stages in the unfolding of the Halakhah of the Mishnah relate to the principal events of the times which delineate those stages Here focus is given to those pre 70 C E components of the Halakhah that later come to the surface in the Mishnah but discussion extends to the periods from the destruction of the Temple in 70 C E to the Bar Kokhba War concluded in ca 135 C E then from the reconstruction 135 C E to the closure of the Mishnah 200 C E Finally attention is given to methods of interpreting the rhetorical forms of the Mishnah in the context of the social culture laid bare by the socio linguistics of the documents concerned This publication has also been published in paperback please click here for details

The Mishnah, Religious Perspectives Volume 1 Jacob Neusner, 2021-11-08 Understanding the religious perspectives of the Mishnah starts with asking three questions First what is the relationship of the Mishnah to Scripture or oral torah to written torah for understanding the religion of Judaism Second what is the relationship between religious ideas and the world in which those ideas emerged Third what is the formal religious significance of the language of the Mishnah These questions are posed with regard to a Judaism that existed from just prior to the destruction of the Temple in 70 C E until around 200 C E and assumes as well the groundwork of Neusner's earlier volume The Mishnah Social Perspectives In the present volume Neusner condenses years of research on these questions and offers a clear and thorough analysis through a single lens He looks closely at how the Halakhah of the Mishnah relates to the events prior to the Mishnah's writing e g the destruction of the Temple ca 70 C E and the Bar Kokhba War ca 135 C E through the reconstruction following Bar Kokhba until the close of the Mishnah ca 200 C E Readers also profit from a thorough sociolinguistic explication of the rhetorical forms of the Mishnah in the light of the social context of that time The religious perspectives of the Mishnah do not simply record the rules and regulations of bygone times rather they mirror the way of life and the social and religious history of Judaism This publication has also been published in hardback please click here for details

The Mishnah in Contemporary Perspective: Part One Alan Alan Jeffery Avery-Peck, Jacob Neusner, 2002-01-01 The authors of the studies on the Mishnah collected in the present volumes represent the best of contemporary scholarship on that document In the past thirty years the Mishnah seen as a document on its own terms has taken its place as a principal focus in the academic study of religion and of Judaism Many university scholars have participated in the contemporary revolution in the description analysis and interpretation of the Mishnah Nearly all the publishing scholars of the academy as distinct from the yeshiva or rabbinical seminary who are now at work are represented in this project ultimately planned for three volumes In this and the companion volumes the editors place on display a broad selection of approaches to the study of the Mishnah in the contemporary academy What they prove

in diverse ways is that the Mishnah defines the critical focus of the study of Judaism It is a document that rewards study in the academic humanities Because many viewpoints register here this is the most representative selection of contemporary Mishnah study available in any state of the question collection in a Western language

The Law of Agriculture in the Mishnah and the Tosefta (3 vols) Jacob Neusner, 2005-10-01 This project presents in three volumes the Mishnah's and the Tosefta's first division Zera'im Agriculture organized in eleven topical tractates together with a systematic history of the law of Zera'im in the Mishnah To the exposition of the Halakhah on the chosen topic the Mishnah tractates are primary but complemented by the Tosefta's presentation of its collection of glosses of the Mishnah's law and supplements to that law The Mishnah's and the Tosefta's tractates are integrated with the Tosefta's complement given in the setting of the Mishnah's rules and the whole is given in English translation The presentation in each case encompasses an introduction a formal analytical translation and commentary a systematic integration of the Tosefta's compositions into the Mishnah's laws an explanation of the details of the law and an inquiry into how the Halakhah of the Mishnah and that of the Tosefta intersect item by item

Credit and Usury in Jewish Society in the Mishnah and Talmud Ben Zion Rosenfeld, 2023-12-05 Credit is the oxygen of every society In many cases we wonder why the rabbis prohibit certain business credit transactions considering them usury The writer uses literary and epigraphic sources to decipher the rabbinic approach This book shows how rabbinic legislation innovatively expand the Torah prohibition of usury in loans to all fields of credit It is a pioneering inquiry regarding rabbinic literature compiled under Roman and Sasanid rule helping to fill the void in research concerning credit It also distinguishes various kinds of credit differentiating credit of money for money or products exposing the ramifications of the rabbinic legislation

Benefaction and Patronage in Leadership Nathan Nzyoka Joshua, 2018-11-30 Since antiquity many have come to view benefaction and patronage in a negative light largely due to the increasingly immoral motives of those involved in systems that can be exploitative or corrupt Dr Nathan Joshua provides a counter to this perception and instead draws attention to the goodness of godly benefaction and patronage from an African Christian perspective Dr Joshua gives a

writing and language religion and material culture **The Evolution of Love** Sheldon W. Liebman,2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God's commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God **Matthew and the Mishnah** Akiva Cohen,2016-06-10 Akiva Cohen investigates the general

research question how do the authors of religious texts reconstruct their community identity and ethos in the absence of their central cult His particular socio historical focus of this more general question is how do the respective authors of the Gospel according to Matthew and the editors of the Mishnah redefine their group identities following the destruction of the Second Temple Cohen further examines how after the Destruction both the Matthean and the Mishnaic communities found and articulated their renewed community bearings and a new sense of vision through each of their respective author redactors foundational texts The context of this study is thus that of an inner Jewish phenomenon two Jewish groups seeking to re establish their community identity and ethos without the physical temple that had been the cultic center of their cosmos
