

# THE CONSTITUTION OF THE STATE OF MISSISSIPPI

## A Quick Reference Guide

# **The Mississippi State Constitution A Reference Guide**

**G. Alan Tarr, Frank P. Grad, Robert F.  
Williams**

## **The Mississippi State Constitution A Reference Guide:**

**The Mississippi State Constitution**, 1993      The Mississippi State Constitution John W. Winkle, 1993 This authoritative reference gives a brief history of Mississippi's constitutional development over the last 175 years and an analysis of the current constitution Part of Greenwood's series of references dealing with America's state constitutions this volume identifies basic principles and revisions and defines the powers of the various branches of the government The short easy to use guide provides a full text of the constitution a table of cases a selected bibliography and a full index Part I begins with the original constitution in 1817 and traces developments and changes in the 1832 1869 and 1890 constitutions and points to the needs for contemporary reform Part II consists of the full text of the constitution with an article by article commentary The volume uses court cases and interpretive opinion of attorneys general over the past century to demonstrate changes in Mississippi's fundamental law The bibliographical essay refers to important sources for further reading about the constitution and Mississippi history      **The Mississippi State Constitution** John W. Winkle (III), 2014 In *The Mississippi State Constitution* John W. Winkle III explores constitutional meaning in Mississippi both past and present and shows how through their own interpretations judges and other government actors have shaped that meaning This book illustrates how the popular will of the moment through constitutional reform conventions or approved amendments may have both intended and unintended consequences for generations to come Whether a constitution is a document of power or of limitation is an ageless and important question The current and now antiquated 1890 version its patchwork pattern of amendments and numerous judicial interpretations since by and large leave that question unsettled *The Mississippi State Constitution* features three structural components that are useful for lay and professional audiences alike First it surveys the history and development of Mississippi's four constitutions 1817 1832 1869 and 1890 by examining the nineteenth century preference for state conventions as agents of comprehensive constitutional reform and the twentieth and twenty first century preferences for piecemeal amendments more than 160 proposals Second the book offers a detailed section by section commentary on the fifteen articles of the current constitution It explains the meaning and traces the origins of each provision In the interest of a fair and thorough analysis this commentary relies on rulings handed down by Mississippi appellate courts opinions issued by the office of state attorney general and enabling legislation passed by state lawmakers Third this volume provides a bibliographic essay on available primary and secondary sources for those interested in further study *The Oxford Commentaries on the State Constitutions of the United States* is an important new series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state's constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools

for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents

**State Constitutions for the Twenty-first Century, Volumes 1, 2 & 3** G. Alan Tarr, Frank P. Grad, Robert F. Williams, 2007-06-01 State Constitutions for the Twenty first Century Volume 1 The Politics of State Constitutional Reform State Constitutions for the Twenty first Century Volume 2 Drafting State Constitutions Revisions and Amendments State Constitutions for the Twenty first Century Volume 3 The Agenda of State Constitutional Reform

**State Constitutions of the United States** Robert Maddex, 2005-09-23 Newly updated and reflecting the diversity of state policies and the issues that are important to them State Constitutions of the United States collects explains and offers comparison of each of the fifty state constitutions Its in depth explorations and easy to follow structure reveal individual state priorities the significance of state constitutions and their impact on issues that affect the day to day lives of citizens This major revision incorporates specific details and describes trends and patterns in state constitutions drawing on over 380 amendments passed since the first edition of this resource was published in 1998 These amendments address at the state level important issues that are also being debated on the national level such as freedom of religion Alabama tobacco Arizona death penalty Florida and same sex marriage in a number of states The new edition addresses all of these issues and more in well organized state by state chapters including a new chapter on Washington DC Beyond the extensive state by state coverage this resource provides further insights through supplemental materials including an overview of state constitutions comparative tables new rights such as privacy and victim s rights special provisions such as the environment and home rule and much more This is the only one volume resource on state constitutions designed to inform non specialists including students non constitutional scholars and interested citizens about the variety influence and continual revision and innovation that define state constitutions in the U S A wide range of libraries including those that serve college students AP high school students and the general public will want to update their collections with this unique and essential reference work

The Mississippi State Constitution John W. Winkle, 2011-03-18 This authoritative reference guide includes a comprehensive history of Mississippi's constitutional developments over the past 175 years and points to needs for contemporary reform The volume provides the text of the constitution including an article by article commentary and uses court cases and interpretative opinions over the past century to demonstrate changes in Mississippi's fundamental law The Mississippi State Constitution also includes a bibliography table of cases and full index This unparalleled commentary provides a broad understanding of state constitutional law within the context of Mississippi's constitutional evolution Previously published by Greenwood this title has been brought back in to circulation by Oxford University Press with new verve Re printed with standardization of content organization in order to facilitate research across the series this title as with all titles in the series is set to join the dynamic revision cycle of The Oxford Commentaries on the State Constitutions of the United States The Oxford Commentaries on the State Constitutions of the United States is an

important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the states constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents     **State Constitutions for the Twenty-first Century, Volume 3** G. Alan Tarr,Robert F. Williams,2012-02-01 This third and final volume in a series devoted to state constitutions analyzes how these documents address major constitutional issues such as the protection of rights voting and elections constitutional change the legislature the executive the judiciary taxing spending and borrowing local government education and the environment Contributors identify the strengths and weaknesses of current state constitutions highlight the major issues confronting the states and assess various approaches for reform

**Understanding State Constitutions** G. Alan Tarr,2018-06-05 For many Americans the word constitution means just one thing the national Constitution According to a recent survey almost half do not know that individual states also have constitutions Scholars have also paid little attention to state constitutions favoring the apparently more dynamic and significant federal scene G Alan Tarr seeks to change that in this landmark book A leading authority on state legal issues he combines history law and political science to present a thorough and long needed account of the distinct and important role of state constitutions in American life Tarr shows that state constitutional politics are dominated by three crucial issues with little salience at the national level the distribution of power among groups and regions within states the scope of state and local governmental authority and the relation of the state to economic activity He explains how state constitutions differ from the national Constitution in treating not only matters of high principle but also such mundane subjects as ski trails and motor vehicle revenues He also explores why state constitutions unlike their federal counterpart have been so frequently amended and replaced Tarr concludes that the United States not only has a system of dual constitutionalism but also has dual constitutional cultures Powerfully argued and meticulously researched the book fills an important gap in political and legal studies and finally gives state constitutions the scholarly attention they richly deserve     *The Mississippi Encyclopedia* Ted Ownby,Charles Reagan Wilson,Ann J. Abadie,Odie Lindsey,James G. Thomas Jr.,2017-05-25 Recipient of the 2018 Special Achievement Award from the Mississippi Institute of Arts and Letters and Recipient of a 2018 Heritage Award for Education from the Mississippi Heritage Trust The perfect book for every Mississippian who cares about the state this is a mammoth collaboration in which thirty subject editors suggested topics over seven hundred scholars wrote entries and countless individuals made suggestions The volume will appeal to anyone who wants to know more about Mississippi and the people who call it home The book will be especially helpful to students teachers and scholars researching writing about or otherwise

discovering the state past and present The volume contains entries on every county every governor and numerous musicians writers artists and activists Each entry provides an authoritative but accessible introduction to the topic discussed The Mississippi Encyclopedia also features long essays on agriculture archaeology the civil rights movement the Civil War drama education the environment ethnicity fiction folklife foodways geography industry and industrial workers law medicine music myths and representations Native Americans nonfiction poetry politics and government the press religion social and economic history sports and visual art It includes solid clear information in a single volume offering with clarity and scholarship a breadth of topics unavailable anywhere else This book also includes many surprises readers can only find by browsing

**The American State Constitutional Tradition** John J. Dinan, 2006-04-14 For too long the American constitutional tradition has been defined solely by the U S Constitution drafted in 1787 Yet constitutional debates at the state level open a window on how Americans in different places and at different times have chosen to govern themselves From New Hampshire in 1776 to Louisiana in 1992 state constitutional conventions have served not only as instruments of democracy but also as forums for revising federal principles and institutions In *The American State Constitutional Tradition* John Dinan shows that state constitutions are much more than mere echoes of the federal document The first comprehensive study of all 114 state constitutional conventions for which there are recorded debates his book shows that state constitutional debates in many ways better reflect the accumulated wisdom of American constitution makers than do the more traditional studies of the federal constitution Wielding extraordinary command over a mass of historical detail Dinan clarifies the alternatives considered by state constitution makers and the reasons for the adoption or rejection of various governing principles and institutions Among other things he shows that the states are nearly universal in their rejection of the rigid federal model of the constitutional amendment process favoring more flexible procedures for constitutional change they often grant citizens greater direct participation in law making they have debated and at times rejected the value of bicameralism and they have altered the veto powers of both the executive and judicial branches Dinan also shows that while the Founders favored a minimalist design and focused exclusively on protecting individuals from government action state constitution makers have often adopted more detailed constitutions sometimes specifying positive rights that depend on government action for their enforcement Moreover unlike the federal constitution state constitutions often contain provisions dedicated to the formation of citizen character ranging from compulsory schooling to the regulation of gambling or liquor By integrating state constitution making with the federal constitutional tradition this path breaking work widens and deepens our understanding of the principles by which we've chosen to govern ourselves

**State Constitutions**, 1996 *Legal Information Buyer's Guide and Reference Manual* Kendall F. Svengalis, Rhode Island Law Press, 2008

**The Constitutionalism of American States** George E. Connor, Christopher W. Hammons, 2008 This comparative study of state constitutions offers insightful overviews of the general and specific problems that have confronted America's constitution

writers since the country's founding Each chapter reflects the constitutional theory and history of a single state encompassing each document's structure content and evolution Provided by publisher **Heroes, Rascals, and the Law** James L. Robertson, 2018-12-28 James L. Robertson focuses on folk encountering their constitutions and laws in their courthouses and country stores and in their daily lives animating otherwise dry and inaccessible parchments Robertson begins at statehood and continues through war and depression well into the 1940s He tells of slaves petitioning for freedom populist sentiments fueling abnegation of the rule of law the state's many schemes for enticing Yankee capital to lift a people from poverty and its sometimes tragic always colorful romance with whiskey after the demise of national Prohibition Each story is sprinkled with fascinating but heretofore unearthed facts and circumstances Robertson delves into the prejudices and practices of the times local landscapes and daily life and its dependence on our social compact He offers the unique perspective of a judge lawyer scholar and history buff each role having tempered the lessons of the others He focuses on a people enriching encounters most know little about Tales of understanding and humanity covering 130 years of heroes rascals and ordinary folk with a bundle of engaging surprises leave the reader pretty sure there's nothing quite like Mississippi history told by a sage observer **State Constitutions for the Twenty-first Century, Volume 1** Robert F.

Williams, G. Alan Tarr, 2006-06-01 Through illuminating case studies of reform efforts in Alabama California Colorado Florida New York and Virginia this book the first of three volumes provides the first systematic analysis of the political obstacles to state constitutional reform For those seeking constitutional reform this useful resource can spell the difference between success and failure and for those interested in state politics or constitutional politics it offers rare insight into a distinctive aspect of American constitutionalism Written by eminent scholars who were in many cases also active participants in the reform campaign the essays provide practical experience expert analysis and lessons for future constitutional reformers

*Yale Law Journal: Volume 121, Number 6 - April 2012* Yale Law Journal, 2012-04-26 One of the world's leading law journals is available in quality ebook formats such editions include active Contents for the issue and for individual articles linked footnotes linked cross references in notes and text active URLs in notes and proper digital presentation from the original bound edition This issue of The Yale Law Journal the 6th issue of Volume 121 academic year 2011-2012 features articles and essays by several notable scholars Principal contributors include Daryl Levinson on votes and rights Michelle Wilde Anderson on dissolving cities and Patricia Bella on WikiLeaks and national security The issue also features student contributions on elected prosecutors in legal history and on execution of the mentally retarded as an issue under section 1983 civil rights law **Legal Information** Kent Olson, 1998-11-19 Now at last there is a comprehensive and readable guide designed to help librarians scholars and the general public quickly find the legal information they need While most legal research books focus on the needs of beginning law students or litigants Legal Information takes a broader view of the law including its value in other disciplines It explains why legal information exists in certain formats and describes how to get the

most out of the major legal reference tools It also suggests the best sources for different kinds of information and explains how these resources compare to other available materials      **The Constitution of the State of Mississippi** Timothy Ball,2018-03-25 This book is intended as a Quick Reference Guide It presents the text of the state s constitution as of 2018 For citizens students legislators judges or merely the curious this guide has been edited with large font and a clear table of contents      **Searching the Law - The States** Francis R Doyle,2022-11-14 This revised two volume set reproduces the easy to use logically organized format of Searching the Law for each of the 50 U S states Arranged by state and by topic within each state it features a complete list of all the legal research materials available for each state jurisdiction thousands of citations to the legal literature of each state materials applicable to more than one topic listed under each topic repeated listings under each state and topic where they apply and author title publisher format and the latest known supplement for each citation Searching the Law The States is the companion text to Searching the Law Together the sets form one of the most comprehensive logical legal reference sources available Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052872      *Encyclopedia of African American History, 1896 to the Present* Paul Finkelman,2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century
