Document Retrieval Index ,1976 Guncrazy America Frank N. Egerton,2018-10-06 The conclusion of this professor historian emeritus is that our gun culture had its uses in establishing American civilization as slavery did But we came to recognize after a bloody civil war that slavery was a gigantic mistake and now I think it s time to realize that our gun culture was a similarly gigantic mistake though of a different kind And we need to do what we can to minimize its horrible impacts and move on to a more positive development of a humane civilization Samuel Roth, Infamous Modernist Jay A. Gertzman,2013-04-01 Samuel Roth is known to most literary scholars as a bold literary pirate for issuing unauthorized editions of modernist sensations including Ulysses and Lady Chatterley s Lover In the absence of an international copyright agreement and because works deemed obscene could not be copyrighted what he did was not illegal But it did violate the protocols of mutual fair dealing between publishers and authors Those publications provoked an unprecedented international protest of writers publishers and intellectuals who eventually vilified Roth on two continents Roth was a man with an

uncanny ability to recognize good contemporary writing and make it accessible to popular audiences Ultimately his dedication to the publication of these works broke down many of the censorship laws of the time though he suffered greatly for his efforts His story portrays a struggle with literary censorship in the mid twentieth century while providing insights into how modernism was marketed in America **The Agency** Frank Rose, 1996 The story of the William Morris Agency is the stoyr of show business itself Founded at the turn of the century it stood as the premier agency in Hollywood for 80 years With unvarnished descriptions of the board that runs William Morris and the needy and demanding stars they represent The Agency is a compelling tale that lifts the curtain on the most intriguing business in Americ today Photos Catalog, Author Catalog, Volume 2 United States.
