**Dorothea Bleek** Jill Weintraub, 2016-03-01 Dorothea Bleek 1873 1948 devoted her life to completing the bushman researches that her father and aunt had begun in the closing decades of the nineteenth century This research was partly a labour of familial loyalty to Wilhelm the acclaimed linguist and language scholar of nineteenth century Germany and later of the Cape Colony and to Lucy Lloyd a self taught linguist and scholar of bushman languages and folklore but it was also an expression of Dorothea s commitment to a particular kind of scholarship and an intellectual milieu that saw her spending her entire adult

life in the study of the people she called bushmen How has history treated Dorothea Bleek Has she been recognised as a scholar in her own right or as someone who merely followed in the footsteps of her famous father and aunt Was she an adventurer a woman who travelled across southern Africa driven by intellectual curiosity to learn all she could about the bushmen Or was she conservative a researcher who belittled the people she studied and dismissed them as lazy and improvident These are some of the questions with which Jill Weintroub starts her thoughtful biography of Dorothea Bleek The book examines Dorothea Bleek s life story and family legacy her rock art research and her fieldwork in southern Africa and in light of these evaluates her scholarship and contribution to the history of ideas in South Africa The compelling and surprising narrative reveals an intellectual inheritance intertwined with the story of a woman s life and argues that Dorothea s life work her study of the bushmen was also a sometimes surprising emotional quest *Kronos* ,2005 *African Studies Review* ,2006 *Anthropos* ,2004 Sacred and Legendary Art Mrs. Jameson (Anna),1911 **Sacred and Legendary Art** Anna Jameson,2024-03-10 Reprint of the original first published in 1875 **New York Magazine** ,1992-02-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1992-02-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *African Arts* ,2005 **San Diego Magazine** ,2008-10 San Diego Magazine gives readers the insider information they need to experience San Diego from the best places to dine and travel to the politics and people that shape the region This is the magazine for San Diegans with a need to know **The American Contractor** ,1918 *Catalog of the Library of the Mercantile Library Association of San Francisco* Mercantile Library Association (San Francisco, Calif.).
