The Moral Philosophy Of Josiah Royce

John Clendenning

The Moral Philosophy Of Josiah Royce:

The Philosophy of Josiah Royce Josiah Royce, 1982-01-01 There is nothing available that I know of that comes as close to representing the range of Royce's works John H Lavelly *The Moral Philosophy of Josiah Royce* Peter Fuss, 1965 **The Moral Philosophy of Josiah Royce** Peter Fuss, 1965 No detailed description available for The Moral Philosophy of Josiah Royce *Loyalty to Loyalty: Josiah Royce and the Genuine Moral Life* Mathew A. Foust, 2012-07-02 This work engages Royce's moral theory revealing how loyalty rather than being just one virtue among others is central to living a genuinely moral and meaningful life Foust shows how the theory of loyalty Royce advances can be brought to bear on issues such as the partiality impartiality debate in ethical theory *Time, Will, and Purpose* Randall Auxier, 2013-12-10 Josiah Royce 1855-1916 has had a major influence on American intellectual life both popular movements and cutting edge thought but his name often went unmentioned while his ideas marched forward The leading American proponent of absolute idealism Royce has come back into fashion in recent years With several important new books appearing the formation of a Josiah Royce Society and the reorganization of the Royce papers at Harvard the time is ripe for Time Will and Purpose Randall Auxier delves into the primary texts written by Royce to retrieve the most poignant ideas the ideas we need most in the present day while he also offers a new framework for understanding the development of Royce's philosophy Auxier responds to everything that has been written about Royce both early and recent *Josiah Royce's 1909 Pittsburgh Loyalty Lectures* Mathew A. Foust, 2021-10-26 American philosopher Josiah Royce 1856-1916 delivered three lectures on the topic of loyalty at the Twentieth Century Club in Pittsburgh in February 1909 These lectures The Conflict of Loyalties The Art of Loyalty and Loyalty and Individuality are indispensable for a complete and coherent picture of the development of Royce's philosophy of loyalty This publication marks the first appearance of these lectures in a book making them widely accessible to readers Included in this volume is an Editor's Introduction by Mathew A Foust a preeminent scholar of Royce's philosophy of loyalty Foust details the mysteries long surrounding these lectures and the clues that led to their solutions Foust then demonstrates how the 1909 Pittsburgh Loyalty Lectures constitute a missing link between The Philosophy of Loyalty 1908 and subsequent works by Royce such as Loyalty and Insight in William James and Other Essays on the Philosophy of Life 1911 The Sources of Religious Insight 1912 The Problem of Christianity 1913 War and Insurance 1914 and The Hope of the Great Community 1916 Students and scholars of American Studies the history of philosophy ethics and moral philosophy and social philosophy will find much of enduring relevance in Josiah Royce's 1909 Pittsburgh Loyalty Lectures *The Philosophy of Loyalty* Josiah Royce, 1908 *Yes, But Not Quite* Dwayne A. Tunstall, 2009-08-25 This book contends that Josiah Royce bequeathed to philosophy a novel idealism based on an ethico religious insight This insight became the basis for an idealistic personalism wherein the Real is the personal and a metaphysics of community is the most appropriate approach to metaphysics for personal beings especially in an often impersonal and technological intellectual climate The first part of the book traces how

Royce constructed his idealistic personalism in response to criticisms made by George Holmes Howison That personalism is interpreted as an ethical and panentheistic one somewhat akin to Charles Hartshorne s process philosophy The second part investigates Royce s idealistic metaphysics in general and his ethico religious insight in particular In the course of these investigations the author examines how Royce s ethico religious insight could be strengthened by incorporating the philosophical theology of Dr Reverend Martin Luther King Jr and Emmanuel Levinas s ethical metaphysics The author concludes by briefly exploring the possibility that Royce s progressive racial anti essentialism is in fact a form of cultural antiblack racism and asks whether his cultural antiblack racism taints his ethico religious insight

Josiah Royce for the Twenty-first Century Kelly Parker, Krzysztof Skowronski, 2012-03-22 The collection presents a variety of promising new directions in Royce scholarship from an international group of scholars including historical reinterpretations explorations of Royce s ethics of loyalty and religious philosophy and contemporary applications of his ideas in *The Religious Philosophy of Josiah Royce* Josiah Royce, 1976 *The Religious Aspect of Philosophy* Josiah Royce, 1895 **The Social Philosophy of Josiah Royce** Josiah Royce, 1950 **Studies of Good and Evil** Josiah Royce, 1902 *The Life and Thought of Josiah Royce* John Clendenning, 1985 Now back in print The Life and Thought of Josiah Royce reappears in a substantially rewritten and expanded edition of the first comprehensive biography originally published to great acclaim in 1985 Newly discovered material has allowed John Clendenning to probe deeper into Josiah Royce s personal professional and philosophical lives and to strengthen his findings The result is an even more revealing portrait of this remarkable intellectual figure

Loyalty to Loyalty Mathew A. Foust, 2022 As a virtue loyalty has an ambiguous place in our thinking about moral judgments We lauded the loyalty of firefighters who risked their lives to save others on 9 11 while condemning the loyalty of those who perpetrated the catastrophe Responding to such uneasiness and confusion Loyalty to Loyalty contributes to ongoing conversation about how we should respond to conflicts in loyalty in a pluralistic world The lone philosopher to base an ethical theory on the virtue of loyalty is Josiah Royce Loyalty to Loyalty engages Royce s moral theory revealing how loyalty rather than being just one virtue among others is central to living a genuinely moral and meaningful life Mathew A Foust shows how the theory of loyalty Royce advances can be brought to bear on issues such as the partiality impartiality debate in ethical theory the role of loyalty in liberatory struggle and the ethics of whistleblowing and disaster response

Josiah Royce in Focus Jacquelyn Ann K. Kegley, 2008 A nuanced and comprehensive view of Royce and his role in American pragmatism

The Basic Writings of Josiah Royce, Volume II John J. McDermott, 2018-09-18 Now back in print and in paperback these two classic volumes illustrate the scope and quality of Royce s thought providing the most comprehensive selection of his writings currently available They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation The selections reprinted here are basic to any understanding of Royce s thought and its pressing relevance to contemporary cultural moral and religious issues

The Philosophy of Loyalty Josiah Royce, 2018-02 One of the most influential American philosophers of the late 19th and early 20th centuries Josiah Royce 1855-1916 was a major exponent of philosophical idealism in the English speaking world Among Royce's most notable works are *The Spirit of Modern Philosophy* 1892 *The World and the Individual* 1901 and *The Problem of Christianity* 1913 In *The Philosophy of Loyalty* 1908 Royce applies his idealism to the realm of human activity For Royce loyalty is nothing other than the relationship of the individual to the infinite A central virtue of Greek and Roman philosophy the concept of loyalty and its role in the moral life of individuals and citizens was virtually ignored in modern philosophy until Royce undertook this groundbreaking project For more titles like this visit us at our website sophiaomni.org

Josiah Royce Christoph Seibert, Christian Polke, 2021 Josiah Royce was undoubtedly one of the most interesting thinkers of classical American philosophy in the transition from the 19th to the 20th century His works cover a wide range of subjects from psychology and issues of social philosophy to metaphysics Surrounded by philosophers such as William James or Charles Sanders Peirce Royce developed a concept of pragmatism which he himself called absolute pragmatism and which was centred around a theory of community The essays in this edited volume deal with this pragmatistic approach in his work and discuss it from various points of view Among other things they explore Royce's relationship to German idealism the foundation of his ethics as well as his philosophical doctrine of God and his philosophy of religion This results in rather divergent assessments of his philosophy each of which is evidence of the enduring relevance of his thinking for the world of today Critical Responses to Josiah Royce, 1885-1916 Randall E. Auxier, 2000-08-15 This set collects the most important responses to the philosophy of Josiah Royce 1855-1916 perhaps the most influential philosophical idealist America has yet produced Royce's works in theology metaphysics logic history psychology epistemology social policy ethics and even his fiction are still widely read and discussed These volumes contain reviews of his most important books and ideas and therefore should be of use to the study of American philosophy and the history of philosophy
