The Moriscos of Spain Henry Charles Lea, 1901 *MORISCOS OF SPAIN* HENRY CHARLES. LEA, 2018 **The Moriscos of Spain** Henry C. Lea, 2014-03 This Is A New Release Of The Original 1901 Edition *The Moriscos of Spain* Henry Charles Lea, 2015-07-10 Excerpt from *The Moriscos of Spain Their Conversion and Expulsion* The material on which this volume is based was collected for a chapter in a general history of the Spanish Inquisition which I hope in due time to prepare. On reviewing it the subject has seemed to me to possess interest and importance deserving fuller treatment than it could receive as a mere episode in a larger narrative for it not only embodies a tragedy commanding the deepest sympathy but it epitomizes nearly all the errors and tendencies which combined to cast down Spain in little more than a century from its splendor under Charles V to its humiliation under Carlos II. The labors of modern Spanish scholars have made public a mass of documentary evidence which throws much light on the inner history of the movements leading up to the final catastrophe but this has been mostly drawn from state papers and unconsciously minimizes the part taken by intolerance and embodied in the Inquisition. Tolerance and Coexistence in Early Modern Spain Trevor J. Dadson,2014 There has been a widely held consensus among historians that the Moriscos of Spain made little or no attempt to assimilate to the majority Christian culture around them and that this apparent obduracy made their expulsion between 1609 and 1614 both necessary and inevitable This book challenges that view Assimilation coexistence and tolerance between Old and New Christians in early modern Spain were not a fiction or a fantasy but could be a reality made possible by the thousands of ordinary individuals who did not subscribe to the negative vision of the Moriscos put around by the propagandists of the government and who had lived in peace and harmony side by side for generations For some this may be a new and surprising vision of early modern Spain which for too

long and thanks in large part to the Black Legend has been characterized as a land of intolerance and fanaticism This book will help to rebalance the picture and show sixteenth and seventeenth century Spain in a new infinitely richer and more rewarding light Trevor J Dadson FBA is Professor of Hispanic Studies at Queen Mary University of London and is currently President of the Association of Hispanists of Great Britain Ireland In 2008 he was elected a Fellow of the British Academy
