The Mortal Danger How Misconceptions About Russia Imperil America:

The Mortal Danger Aleksandr Isaevich Solzhenitsyn,1980 The Mortal Danger Aleksandr Isaevich Solzhenitsyn,1986

The Mortal Danger Aleksandr Isaevich Solzhenitsyn,1980 The Mortal Danger Aleksandr Isaevich Solzhenitsyn,1980 *Reference Guide to Russian Literature* Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public *Aleksandr Solzhenitsyn* Daniel J. Mahoney,2001-08-07 In Aleksandr Solzhenitsyn Daniel Mahoney presents a philosophical perspective on the political condition of modern man through an exegesis and analysis of Solzhenitsyn's work Mahoney demonstrates the tremendous yet often unappreciated impact of Solzhenitsyn's writing on twentieth century thinking through an examination of the writer's profoundly important critique of communist totalitarianism in a judicious and original mix of western and Russian Christian and classical wisdom Aleksandr Solzhenitsyn and the Modern Russo-Jewish Question Nathan Larson,2014-02-25 Will the Russian and Jewish nations ever achieve true reconciliation Why is there such disparity in the interpretations of Russo Jewish history Nobel Laureate Aleksandr Solzhenitsyn has focused on these and other thorny questions surrounding Russia's Jewish Question for the last ten years culminating in a two volume historical essay that is among his final literary offerings *Two Hundred Years Together* In this essay Solzhenitsyn seeks to elucidate Judeo Russian relations while also promoting mutual healing between the two nationalities but the polarized reception of Solzhenitsyn's work reflects the passionate sentiments of Jews and Russians alike Aleksandr Solzhenitsyn and the Modern Russo Jewish Question puts *Two Hundred Years Together* within the context of anti-Semitism nationalism Russian literature and Aleksandr Solzhenitsyn's prolific influential life Nathan Larson argues that as a writer political thinker and religious voice Solzhenitsyn symbolizes Russia's historically ambivalent relationship vis vis the Jewish nation *Rethinking the Soviet Experience* Stephen F. Cohen,1986 Written in 1985 this book cuts through the Cold War stereotypes of the Soviet Union to arrive at fresh interpretations of that country's traumatic history and later political realities The author probes Soviet history society and politics to explain how the U S S R remained stable from revolution through the mid 1980s Henry Kissinger and the American Century Jeremi Suri,2009-05-01 What made Henry Kissinger the kind of diplomat he was What experiences and influences shaped his worldview and provided the framework for his approach to international relations Jeremi Suri offers a thought provoking interpretive study of one of the most influential and controversial political figures of the twentieth century Drawing on research in more than six countries in addition to extensive interviews with Kissinger and others Suri analyzes the sources of Kissinger's ideas and power and explains why he pursued the policies he did Kissinger's German Jewish background fears of democratic weakness belief in the primacy of the relationship between the United States and Europe and faith in the indispensable role America plays in the world shaped his career and his foreign policy Suri shows how Kissinger's early years in Weimar and Nazi Germany his

experiences in the U S Army and at Harvard University and his relationships with powerful patrons including Nelson Rockefeller and Richard Nixon shed new light on the policymaker Kissinger s career was a product of the global changes that made the American Century He remains influential because his ideas are rooted so deeply in dominant assumptions about the world In treating Kissinger fairly and critically as a historical figure without polemical judgments Suri provides critical context for this important figure He illuminates the legacies of Kissinger s policies for the United States in the twenty first century American Betrayal Diana West,2013-05-28 Conservative columnist West uncovers how and when America gave up its core ideals and began the march toward socialism She digs into the modern political landscape dominated by President Barack Obama to ask how it is that America turned its back on its basic beliefs **Soviet Foreign Policy** Erik P. Hoffmann, Robbin Frederick Laird, Frederic J. Fleron, Solzhenitsyn Michael Scammell,2021-06-15 This book first published in 1984 was the first full biography of Solzhenitsyn Starting with his childhood it covers every period of his life in considerable detail showing how Solzhenitsyn s development paralleled and mirrored the development of Soviet society ambitious and idealistic in the twenties and thirties preoccupied with the struggle for survival in the forties hopeful in the fifties and sixties and disillusioned in the seventies Solzhenitsyn s life thus serves as a paradigm for the history of twentieth century Communism and for the intelligentsia s attitudes to Communism At the same time this book relates Solzhenitsyn s life to his works all of which contain a large element of autobiography **Soviet Foreign Policy 1917-1991** Jr. Fleron,2017-07-05 The purpose of this anthology is to deepen Western understanding of the sources and substance of the foreign policy of the Soviet Union Authoritative analysts here explore significant issues in Soviet foreign relations from the era of the Bolshevik Revolution and the Civil War to the period of reform that preceded the final collapse of the Soviet system The volume is designed for courses in Soviet political history diplomatic history comparative foreign policy and the mainstream of international relations

Taboo Genocide Kris Dietrich,2015-09-11 This is a story of war and peace It may have been the greatest crime of the century after the Bolshevik coup and Russian Revolution and the murder of the Russian Romanov Tsar Nicholas II his wife Tsarina Alexandra and their five young children four Grand Duchesses Olga Anastasia Tatiana Marie and the Tsarevich Alexis It is our story And I want to share it with you now because it is your story too **Russian Literature and Psychoanalysis** Daniel Rancour-Laferriere,1989-01-01 This is a collection of psychoanalytical essays on a broad spectrum of well known Russian authors such as Puskin Dostoevsky Gogol Belyj Tjutcev Axmatova and Nabokov The volume includes some reprints among which a contribution by Sigmund Freud on Dostoevsky and Parricide The majority of the contributions are original publications by present day specialists in the field This is a book which may benefit literary scholars as well as professional psychoanalysts The Soul and Barbed Wire Edward E. Ericson,Alexis Klimoff,2023-05-02 Authored by two eminent Aleksandr Solzhenitsyn scholars The Soul and Barbed Wire is the first and only book to offer both a detailed biography and a comprehensive appraisal of the literary achievement of the Nobel prize winning author who became one of the Soviet regime

s most formidable foes The book begins with a detailed biographical survey that traces Solzhenitsyn s evolution from an ardent Communist and loyal Soviet front line officer into a devastating critic of all ideological distortions of authentic human values and a historian of the many faceted events that led to and the tragedy set loose by the Russian Revolution This biographical section goes on to portray the writer s strenuous efforts to convey this message to the West during his years of exile and to his countrymen after his return to Russia The bulk of the book however consists of sharply focused essays on a large number of Solzhenitsyn s writings Ericson and Klimoff comment on virtually all his works of fiction as well as on a generous selection of texts belonging to historical or journalistic genres Because the volume assumes no prior knowledge of its subject it will prove particularly helpful to those who are coming to Solzhenitsyn for the first time while its well nigh encyclopedic inclusiveness should appeal even to the most seasoned readers Drawing upon the best available Solzhenitsyn scholarship the authors strive to present a balanced and accurate appraisal of the remarkable life and hugely influential works that have often been misunderstood and not infrequently been misrepresented Year of Prophecy Elizabeth Clare Prophet, Summit University Press, 1989 **Strategic Review** , 1980 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States **Political Visions & Illusions** David T. Koyzis, 2019-05-07 In this freshly updated comprehensive study political scientist David Koyzis surveys the key political ideologies of our era unpacking the worldview issues inherent to each and pointing out essential strengths and weaknesses Writing with broad international perspective Koyzis is a sensible guide for Christians working in the public square culture watchers and all students of modern political thought **The Theory of Christian Psychology** Eva Klostreich, 2008-07-17 The Theory of Christian Psychology comes from the worldview that sees humanity as the object of a love relationship with Jesus Christ Parallel to Buddhist forms of Psychology The Theory of Christian Psychology meets the worldwide Christian population need for its own Psychology The Theory of Christian Psychology presents a flexible foundation addressing personality with full humanity dimension integrating principles of clinical psychology found in Psychoanalytic Psychodynamic Psychology Soundly Biblical and non denominational it focuses on key precepts that bind Christianity together The Theory of Christian Psychology bridges clinical psychology and theology in an intersection of power accessibility Psychology has been culture alien to Christianity I have been asked to leave churches who only need God when they discovered I was a psychologist and criticized by others who only need psychology Sound psychological principles are inherent throughout the Bible There is no dichotomy necessary We just need to speak the same language to clearly see the intersection Issues addressed in The Theory of Christian Psychology carry relevancy for law and education Her fi rst book Dr Klostreich plans to continue to write and speak She is initiating The Institute for Christian Psychology to offer seminars training certification and ongoing research

Uncover the mysteries within Explore with is enigmatic creation, Embark on a Mystery with **The Mortal Danger How Misconceptions About Russia Imperil America** .
