and an almost provocative uselessness They are perhaps the most redolent symbols of the old empire s phenomenal craftsmanship of the decadence of its court and of the upheavals that brought about its inevitable downfall Faberg s Eggs is the first book to recount the remarkable story of these masterpieces taking us from the circumstances that inspired each egg s design through their disappearance in the trauma of revolution to their eventual reemergence in the global marketplace In 1885 Carl Faberg created a seemingly plain white egg for Czar Alexander III to give to his beloved wife Marie Fedorovna It was the surprises hidden inside that made it special a diamond miniature of the Imperial crown and a ruby pendant This gift began a tradition that would last for more than three decades lavishly extravagant eggs commemorating public events that in retrospect seem little more than staging posts on the march to revolution Above all the eggs illustrate the attitudes that would ultimately lead to the downfall of the Romanovs their apparent indifference to the poverty that choked their country their preference for style over substance and during the reign of Nicholas II their all consuming concern with the health of the czarevitch Alexis the sickly heir to the throne a preoccupation that would propel them toward Rasputin and the doom of the dynasty More than a superb new account of a classic tragedy Faberg s Eggs illuminates some fascinating aspects of twentieth century history The eggs amazing journey from revolutionary Russia features a cast of characters including embattled Bolsheviks acquisitive British royals eccentric artifact salesmen and such famous business and society figures as Arm and Hammer Marjorie Merriweather Post and Malcolm Forbes Finally Toby Faber tantalizingly suggests that some of the eggs long thought lost may eventually emerge Darting from the palaces of a besieged Russia to the showcases of New York s modern mega wealthy Faberg s Eggs weaves a story unparalleled in its drama and extravagance Praise for Stradivari s Genius Fascinating lively more enthralling earthy and illuminating than any fiction could be The New York Times Book Review A celebration of six instruments and the master craftsman who made them Faber brings to the subject an infectious fascination with Stradivari s life and trade He writes with clarity and fluency Chicago Tribune An extraordinary accomplishment and a compelling read Like strange totems that cast an irresistible spell these instruments bring out the best and the worst of those who would own them and Faber deftly tells the stories in all their rich and surprising detail Thad Carhart author of The Piano Shop on the Left Bank A worthy contribution to the ongoing legend of Stradivari Minneapolis Star Tribune Fascinating accessible and enjoyable Tracy Chevalier author of Girl with a Pearl Earring *Top 50 Best Things to do in Moscow, Russia* Nicholas Khatch,2023-07-28 Discover the vibrant and diverse city of Moscow through this carefully curated list of 50 must do activities From historical landmarks to artistic treasures Moscow offers a plethora of experiences that cater to every interest Begin your journey in the heart of the city at Red Square where the iconic St Basil s Cathedral stands as a symbol of Russia s architectural splendor Immerse yourself in the rich history of the Kremlin explore the artistic treasures of renowned museums like the State Tretyakov Gallery and marvel at the stunning beauty of the Moscow Metro stations Beyond the historical and cultural highlights Moscow s natural and recreational offerings are equally enticing Gorky

distinctly Russian was at the core of cultural debates in nineteenth century Russia and continues to preoccupy Russian society to the present day When Art Makes News examines the development of a public discourse on national self representation in nineteenth century Russia as it was styled by the visual arts and popular journalism Katia Dianina tells the story of the missing link between high art and public culture revealing that art became the talk of the nation in the second half of the nineteenth century in the pages of mass circulation press At the heart of Dianina s study is a paradox how did culture become the national idea in a country where few were educated enough to appreciate it Dianina questions the traditional assumptions that culture in tsarist Russia was built primarily from the top down and classical literature alone was responsible for imagining the national community When Art Makes News will appeal to all those interested in Russian culture as well as scholars and students in museum and exhibition studies     Russian Life ,2002     DK Eyewitness Russia DK Eyewitness,2016-11-15 DK Eyewitness Travel Guide Russia will lead you straight to the best attractions this diverse country has to offer From the majestic cities of Moscow and St Petersburg to the sandy beaches of the Baltic Coast and from the lush Volga Delta to the snowcapped Caucasus Mountains explore the largest country in Europe Experience the grandeur of the Kremlin the Palace Embankment in St Petersburg and the historic sights in the Olympic city of Sochi immerse yourself in the flavors of the local cuisine and don t miss out on the world famous Russian Ballet Discover DK Eyewitness Travel Guide Russia Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights Detailed city maps each include a street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Russia truly shows you what others only tell you     DK Eyewitness Travel Guide Russia DK,2013-10-01 Now available in PDF format DK Eyewitness Travel Guide Russia a new title in the award winning DK Eyewitness Travel guidebook series showcases the best of this diverse country from the majestic cities of Moscow and St Petersburg to the sandy beaches of the Baltic Coast and from the lush Volga delta to the snow capped Caucasus Mountains Using unique illustrated maps and 3 D cutaway drawings of key locations travelers can discover the grandeur of the Kremlin the Palace Embankment in St Petersburg and the historic sights in the Olympic city of Sochi nearly 100 illustrations in all Throughout special features illuminate Russia s history and cultural heritage local cuisine and experiences sure to last a lifetime like where to watch the world famous Russian Ballet Full color maps city plans and thematic tours and walks enable travelers to explore the country region by region as well as when traveling in the main cities of Moscow and St Petersburg Hotel and restaurant listings include DK Choice recommendations and the practical trip planning section covers visa information air and train travel when to go to Russia and so much more
