**Legends, Monsters, or Serial Murderers?** Dirk C. Gibson, 2012-02-14 Covering figures ranging from Catherine Monvoisin to Vlad the Impaler and describing murders committed in ancient aristocracies to those attributed to vampires witches and werewolves this book documents the historic reality of serial murder The majority of serial murder studies support the consensus that serial murder is essentially an American crime a flawed assumption as the United States has existed for less than 250 years What is far more likely is that the perverse urge to repeatedly and intentionally kill has existed throughout human history and that a substantial percentage of serial murders throughout ancient times the middle ages and the pre modern era were attributed to imaginative surrogate explanations dragons demons vampires werewolves and witches

*Legends Monsters or Serial Murderers The Real Story Behind an Ancient Crime* dispels the interrelated misconceptions that serial murder is an American crime and a relatively recent phenomenon making the novel argument that serial murder is a historic reality an unrecognized fact in ancient times Noted serial murderers such as the Roman Locuta The Poisoner Gilles De Rais of France a prolific serial killer of children Andres Bichel of Bavaria and Chinese aristocratic serial killer T zu Hsi are spotlighted This book provides a unique perspective that integrates supernatural interpretations of serial killing with the history of true crime reanimating mythic entities of horror stories and presenting them as real criminals

**Female Serial Killers** Peter Vronsky, 2007-08-07 In this fascinating book Peter Vronsky exposes and investigates the phenomenon of women who kill and the political economic social and sexual implications buried with each victim How many of us are even remotely prepared to imagine our mothers daughters sisters or grandmothers as fiendish killers For centuries we have been conditioned to think of serial murderers and psychopathic predators as men with women registering low on our paranoia radar Perhaps that s why so many trusting husbands lovers family friends and children have fallen prey to the female monster From history s earliest recorded cases of homicidal females to Irma Grese the Nazi Beast of Belsen from Britain s notorious child slayer Myra Hindley to Honeymoon Killer Martha Beck to the sensational cult of Aileen Wournos the first female serial killer as celebrity to cult killers homicidal missionaries and our pop culture fascination with the sexy femme fatale Vronsky not only challenges our ordinary standards of good and evil but also defies our basic accepted perceptions of gender role and identity INCLUDES PHOTOGRAPHS

*Sadomasochism, Popular Culture and Revolt* Tom Pollard, 2019-07-03 *Sadomasochism Popular Culture and Revolt* A Pornography of Violence explores powerful connections between violent pornography and current gender wars generational conflicts political struggles and racial and ethnic unrest Long before these conflicts dominated headlines worldwide they become embedded and contextualized in popular culture Tracing the history of today s popular porn genres including torture porn revenge porn war porn and fascist porn Tom Pollard reveals a sadomasochistic trope of fictional and real sexual violence and sexual justice that had largely remained hidden and suppressed Today it has exploded into public awareness by mass movements like MeToo demanding justice for sexual assault victims This movement joins other recent social movements including Black Lives Matter and advocates of safety from gun violence which along with MeToo constitute a revolt of submissives no longer willing to endure unwanted

violence This thoughtful examination of the history and content of violent pornography reveals portentous patterns and developing trends By examining pornography's violent content Pollard forces us to confront wider social and cultural violence Sadomasochism Popular Culture and Revolt will be of great interest to scholars of gay and lesbian studies and queer studies while being a vital text for undergraduate and graduate instructors of social movement studies in sociology political science American Studies and history *The Tudors on Film and Television* Sue Parrill, William B. Robison, 2013-02-06 With its mix of family drama sex and violence Britain's Tudor dynasty 1485-1603 has long excited the interest of filmmakers and moviegoers Since the birth of movie making technology the lives and times of kings Henry VII Henry VIII and Edward VI and queens Mary I Jane Grey and Elizabeth I have remained popular cinematic themes From 1895's The Execution of Mary Stuart to 2011's Anonymous this comprehensive filmography chronicles every known movie about the Tudor era including feature films made for television films mini series and series documentaries animated films and shorts From royal biographies to period pieces to modern movies with flashbacks or time travel this work reveals how these films both convey the attitudes of Tudor times and reflect the era in which they were made *Revisionist Histories* Marnie Hughes-Warrington, 2013-07-18 Revision and revisionism are generally seen as standard parts of historical practice yet they are underexplored within the growing literature on historiography In this accessibly written volume Marnie Hughes Warrington discusses this paucity of work on revision in history theory and raises ethical questions about linear models and spatial metaphors that have been used to explain it Revisionist Histories emphasises the role of the authors and audiences of histories alike as the writers and rewriters of history Through study of digital environments graphic novels and reader annotated texts this book shows that the sides of history cannot be disentangled from one another and that they are subject to flux and even destruction over time Incorporating diverse and controversial case studies including the French Revolution Holocaust Denial and European settlers contact with Native Americans and Indigenous Australians Revisionist Histories offers both a detailed account of the development of revisionism and a new more spatial vision of historiography An essential text for students of historiography *Stone Cold Souls* Gregory K. Moffatt, 2008-07-30 History's most notorious and brutal killers still enjoy fame as public fascination with their lives and their crimes continues to grow Stone Cold Souls is a detailed examination of the most brutal killers in history Moffatt does what he does best by looking at historical accounts of events analyzing them from a psychological perspective and presenting his assessment in captivating fashion He examines different types of killers offers case studies and historical context and describes what sets these cases apart from other kinds of killings Even in a day and age where pop culture has made serial crime a mainstay of movies and books the depravity of the killers profiled in this work will still shock even a desensitized reader Men women and children alike have committed crimes so atrocious that it is hard to imagine that these events are not works of fiction Moffatt examines the difficult questions that inevitably arise when one reads cases of unthinkable torture and cruelty Why Were these people simply evil or is it possible that given other

circumstances they could have redirected their energies into more productive outlets The author answers these questions and others and reveals the lives and crimes of these ruthless killers Stone Cold Souls features such well known cases as Andrei Chikatilo Marc Dutroux Herman Webster Mudgett Charles Ng Leonard Lake Lawrence Bittaker Roy Norris Ed Gein Edmund Kemper Henry Lee Lucas Gilles de Rais Ivan the Terrible Richard Ramirez Holly Ann Harvey Sandy Ketchum Mary Bell Jesse Pomeroy Josef Mengele Marshall Applewhite Jeffrey Lundgren David Koresh Jim Jones Father Oliver O Grady Charles Cullin Harold Shipman Michael Swango Myra Hindley Karla Homolka Aileen Carol Lee Wuornos Elizabeth Bathory Charles Sobhraj Albert Fish Donald Harvey and Dennis Rader

**Feminine** ,2020-09-25 Evil Women The Feminine The relationships that bring together these three ideas form the basis for the papers gathered together in this volume By asking how why when and to what purpose these three terms are often linked serves as the starting point of interrogation for each of the authors here considered *The Kingdom of Surfaces* Sally Wen Mao,2023-08-01 FINALIST FOR THE 2023 MAYA ANGELOU BOOK AWARD A virtuosic new poetry collection from Sally Wen Mao a consistently inspiring and exciting voice Morgan Parker In *The Kingdom of Surfaces* award winning poet Sally Wen Mao examines art and history especially the provenance of objects such as porcelain silk and pearls to frame an important conversation on beauty empire commodification and violence In lyric poems and wide ranging sequences Mao interrogates gendered expressions such as the contemporary leftover women which denotes unmarried women and the historical castle toppler a term used to describe a concubine whose beauty ruins an emperor and his empire These poems also explore the permeability of object and subject through the history of Chinese women in America labor practices around the silk loom and the ongoing violence against Asian people during the COVID 19 pandemic At its heart *The Kingdom of Surfaces* imagines the poet wandering into a Western fantasy which covets imitates and appropriates Chinese aesthetics via Chinamania and the nineteenth century Aesthetic movement while perpetuating state violence upon actual lives The title poem is a speculative recasting of *Through the Looking Glass* set in a surreal topsy turvy version of the China themed 2015 Metropolitan Museum of Art Gala *The Kingdom of Surfaces* is a brilliantly conceived call for those who recognize the horrors of American exceptionalism to topple the empire that values capital over lives and power over liberation *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith,2008 *The Encyclopedia of Women in World History* captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and

by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike [Anne Bonny the Infamous Female Pirate](#) Phillip Thomas Tucker,2017-08-22 The story of the most famous female pirate in history provides a remarkable personal odyssey from a time when women were almost powerless and at the lowest level of the social order on both sides of the Atlantic This new biographical work fills considerable gaps in Anne Bonny s life beyond her mythology to rescue an actual person for posterity After turning her back on everything she knew growing up in South Carolina to find a sense of personal freedom Anne Bonny sailed the Caribbean s pristine waters during the Golden Age of Piracy in the early eighteenth century Few accurate records exist about these law breakers whose lifestyles called for hanging Fortunately Anne Bonny was a notable exception to the rule as she was caught off the Jamaican coast and tried by a court of law whose records have fortunately survived So who was the real Anne Bonny A heartless prostitute a bloodthirsty psychopathic or a compassionate woman of faith and courage Such a fundamental question has not been adequately answered by historians for 300 years It is now time to take a fresh look at the life of Anne Bonny to present a corrective view into not only her story but also the seldom explored but incredibly rich field of women s history The Anne Bonny mythology is today popularly told in Starz channel s Black Sails and the video game Assassin s Creed
