The Mystery of the Invisible Thief Enid Blyton, 2022-08-01 In *The Mystery of the Invisible Thief* Enid Blyton delivers yet another captivating adventure steeped in her signature blend of whimsy and intrigue. The narrative follows the beloved characters of the Famous Five as they unravel the perplexing case of stolen goods that seem to vanish without a trace. Blyton's prose is characterized by its straightforward clarity and engaging pace, appealing to her young audience while subtly exploring themes of friendship, courage, and problem solving. Set against the backdrop of the English countryside, the story showcases Blyton's knack for creating atmospheric settings that invite readers into an enchanting world rife with mystery. Enid Blyton, a prolific British author, was notably inspired by her own playful childhood and her experiences as a teacher. Her intimate knowledge of children's psychology shines through in her ability to create relatable, resourceful characters designed to mirror the inquisitive nature of her readers. Blyton wrote over 700 works, earning her a cherished place in children's literature, and her understanding of adventure and moral lessons is particularly evident in this gripping tale. I highly recommend *The Mystery of the Invisible Thief* to young readers and those young at heart, as it offers an engrossing narrative that stimulates curiosity and instills values of teamwork and perseverance. Blyton's enduring charm and storytelling prowess make this book not just an adventure but a valuable classic in the realm of children's literature.

Longarm 304: Longarm and the Great Milk Train Robbery Tabor Evans, 2004-02-24 This case is leaving Longarm with a sour taste. U.S. Deputy Marshal Custis Long has been assigned to some strange cases in his time, but none stranger than the milk train holdups occurring outside the small town of Trinidad, Colorado. Instead of harming passengers and looting their belongings, the bandits only seem interested in keeping the train off its schedule so the milk delivery arrives late. Longarm can't fathom what these pranksters are up to. But his investigation must be making someone nervous enough to use dynamite to try and kill him. And until Longarm can defuse the situation, the outlaws are going to keep spoiling things for the fine folks at Trinidad.

Embittered and bankrupt, he sails to the Cape of Good Hope with a dangerous objective. He covets the wealth of his cousin Jean de Moreaux. An old letter whispers of a secret life and of a fugitive known by night as the Masked Robber. When James arrives at the Cape, he discovers Jean's facade as an idle nobleman. But the young vigilantes fighting under the Buiter's name offer James the perfect opportunity to unmask his cousin. He lures them into a deadly trap, manipulates evidence, and stains innocent hands with blood, all to force Jean from behind his mask. The battle becomes personal when James sets his sights on the beautiful Willa Rossouw, Jean's fiancée and the only woman who can turn James's hatred into longing. His cruel plan is to steal both Jean's life and his love. When a shocking duel ends in treachery and Willa offers her own heart as a sacrifice to save

The Mystery of Cleverly, A Story for Boys George Barton, 2021-03-27 Excerpt If you fellows don't open that door and let me in there'll be trouble in this town before long The only answer was a mocking laugh from the group of boys to whom this threat was addressed Herbert Harkins his face red with rage pounded his fist on the panels of the schoolhouse without making the slightest impression upon his fellow schoolboys Open the door he cried again in a loud voice Once more a peal of laughter sounded from within The scene of this incident was the Cleverly District School The time was the second of January and the occasion was the annual frolic of the boys known as barring out

day It was a custom which originating down east had spread to the little town in New Jersey The method was quite simple After the Christmas holidays the big boys put their heads together and decided on a plan of campaign When all of the details had been arranged it was decided to put them into execution at the first regular session of the new year The forenoon passed off as quietly as any other day the boys looking very sober and extremely attentive to their studies and keeping unusual order The moment the schoolmaster left the house for his dinner and the smaller children were started homeward the doors and windows were suddenly and securely locked and the older pupils proceeded to spend the afternoon in play and hilarity When Mr Anderson the teacher returned about one o'clock he was surprised to find the schoolhouse in a state of siege He made an attempt to enter but failed It so happened that Herbert Harkins was the only one of the larger boys who had been locked out Under ordinary circumstances he would have taken the incident good naturedly but in this case he knew that the teacher was frail and delicate and Herbert's regard and sympathy for Mr Anderson aroused all his manly instincts and brought his fighting blood to the boiling pitch The teacher who had been employed in this district only a few weeks was evidently of a sickly disposition It was a cold day He was insufficiently clad and the prospect of taking some sickness which might perhaps lead to pneumonia and death made the poor man quite miserable His face was beginning to get blue with the intense cold but he was too weak to resort to any physical methods for opening the door
