Michael Veseth, 2010-01-16 Globalization is in retreat but history tells us that this is but a temporary reversal Globalization will return but in what form More cycles of boom and bust Or can globalization be rebuilt on a more feasible and sustainable platform These are the compelling questions that Michael Veseth tackles in this thoroughly revised and updated edition of his award-winning book Veseth shows how pre-crash visions of globalization were based on three powerful myths that global finance was a stable foundation for a global economy that global markets homogenized and Americanized the world and that globalization itself was irresistible impossible to shape or oppose at any level from the grassroots on up The world economic crisis has revealed globalization's Achilles heel the fundamental instability of global financial markets and the unsettled foundation of economic globalization generally This realization is a necessary first step but it alone is not enough We must rethink the rest of globalization's myths Veseth persuasively argues if we want to move beyond boom and bust to a sustainable global future **Never Enough** Joe McGinniss, 2007-11-01 The shocking true story of greed murder and a family torn apart At thirty-nine Nancy Kissel had it all glamour gusto garishly flaunted wealth and the royal lifestyle of the expatriate wife Not to mention three young children and what a friend described as the best marriage in the universe That marriage to Merrill Lynch and former Goldman Sachs investment banker Robert Kissel ended abruptly one November night in 2003 in the bedroom of their luxury apartment high above Hong Kong's glittering Victoria Harbour Why Hong Kong prosecutors who charged Nancy with murder said she wanted to inherit Rob's millions and start a new life with a blue-collar lover who lived in a New Hampshire trailer park She said she'd killed in self-defense while fighting for her life against an abusive cocaine-addicted husband who had forced her for years to submit to his brutal sexual demands Her 2005 trial lasting for months and rich in lurid detail captivated Hong Kong's expatriate community and attracted attention worldwide Less than a year after the jury of seven Chinese citizens returned its unexpected verdict Rob's brother Andrew a Connecticut real estate tycoon facing prison for fraud and embezzlement was also found dead stabbed in the back in the basement of his multimillion-dollar Greenwich mansion by person or persons unknown **Never Enough** is the harrowing true story of these two brothers Robert and Andrew Kissel who grew up wanting to own the world but instead wound up murdering half a world

apart and of Nancy Kissel a riddle wrapped inside an enigma a modern American woman for whom having it all might not have been enough In this singularly compelling narrative Joe McGinniss past master at exposing the dark heart of the American family in the bestsellers Fatal Vision Blind Faith and Cruel Doubt explores his darkest and most disturbing subject yet a smart and beautiful family so corroded by greed that it destroys itself from within Here is a family saga almost biblical in its tragic proportion but dazzlingly modern in flavor and utterly unstoppable in its pulsating narrative drive From the shimmering skyscrapers and greed drenched bustle of Hong Kong to the moneyed hush and hauteur of backcountry Greenwich McGinniss lures readers irresistibly forward as this twisted tale of ambition gone mad and love gone bad rushes to its terrible inexorable conclusion
