The Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life

The Miracles in the Gospels Keith Warrington, 2015-10-22 The first comprehensive scholarly survey of all the Gospel miracles for nearly fifty years In this magisterial study Keith Warrington paints a rounded picture of Jesus as a miracle worker by exploring each of the miracles in the Gospels in their literary and historical setting He demonstrates that while the miracles are historically authentic there are several reasons for their presence in the Gospels other than simply to identify Jesus as a miracle worker They are also intended to function as vehicles of teaching expressing aspects of the mission and person of Jesus providing lessons for his would be disciples and adding theological value for each Gospel s original audience

Inside the Miracles of Jesus Jessica LaGrone, 2019-01-15 Jesus demonstrated the presence and power of God by performing miracles He turned water into wine healed the sick calmed the storm opened blind eyes and raised the dead While these beloved stories draw our attention to

divine power Christ's miracles signify something deeper they're windows into God's grand story of human desperation and redemption Every time we see Jesus performing a miracle we also get a glimpse into the gift of desperation a gift that opens us to the dramatic power of God through our desperate need for him By explaining the meaning and significance of these miracles Jessica LaGrone shows us their relevance for our lives today She unpacks how understanding the meaning of Christ's miracles will help us better grasp the salvation God has brought into the world see that our weakness is an invitation for God to work powerfully in our lives and remind us that we need God on our best days just as much as we do on our worst

The Miracles of Jesus Vern S. Poythress, 2015-11-17 Christians often view Jesus's miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means that the stories of Jesus's miracles like the calming of the storm or the feeding of the 5 000 are relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for viewing all of Jesus's miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today **The Miracles of Christ. Expositions: Critical, Doctrinal, Experimental** Robert MAGUIRE (Rector of St. Olave's, Southwark.), 1863 *Notes on the Miracles of Our Lord* Richard Chenevix Trench, 1865

Keith Howick, 2003 The Life of Jesus the Messiah is a five volume set that discusses the life of Jesus Christ topically In volume 1 the miracles performed by Jesus are discussed Their nature is explained and both the historical impact they had on the Jews living at the time of Jesus and their significance to us today is discussed The volume's organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete index and a scripture index allowing readers to quickly find relevant commentary Notes on the Miracles of our Lord ... V. Jesus their types characteristics different possible approaches to understand them and a theological overview **The Miracle of Brasstown Valley** Zell Miller, 2007 A true story of the miraculous creation of a college in a remote mountain valley at the turn of the 19th century and the captivating characters who with the grace of God made it happen The Methodist circuit rider still in his 20s who came into the valley on a mule bringing only a dream and the fierce faith of an Old Testament prophet The wise resourceful soft spoken widow who breathed life into the infant school not once but twice The wealthy Methodist laymen whose generosity for Christian education was so great that his kin sued him because they felt left out The college president a Shakespearean scholar who was more at home on the farm with his britches rolled up and shirt tail flapping **The Miracles of Jesus** Karl Beth, 1907 **Conflict in the Miracle Stories** Evert-Jan Vledder, 1997-10-01 Matthew's Gospel is a witness to conflicting interests The leaders of Israel are part of the so called retainer class who pursue their own interests by promoting the interests of the Roman rulers Jesus and the Matthaean community on the contrary acts on behalf of the marginalized in society Jesus challenges the underlying values of the leaders who contrary to what is expected do not forgive and act mercifully The leaders try to resolve the conflict negatively by labelling Jesus as possessed by the devil At the same time the conflict spirals onward the Matthaean community is called to act in the interests of the marginalized It is Vledder's special contribution to Matthaean study that he brings to light the underlying dynamics of this conflict in a stimulating sociological study **The Miracle of Life** Jan de Vries, 2011-06-10 In this controversial book Jan de Vries considers modern miracles as well as the miracle of Lourdes He discusses witch doctors and what he has personally witnessed in the Far East He warns against exorcism and talks of the many possessed people he has treated He also shares with his readers some of the mysterious ways that alternative medicine has worked miracles for thousands of patients
