**The Miracles of Jesus According to John** Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life

**The Miracles** Simon J. Kistemaker, 2006-08-01 Most Christians know the stories of Jesus healing people and controlling nature but many are less sure why Jesus did these things or how they relate to their lives today Theologian professor and author Simon J Kistemaker carefully examines each of Jesus s miracles He lays out the cultural background explains symbolism and Old Testament connections and fleshes out the details of each story Each chapter also includes a section focused on how the miracle relates to the life of the modern follower of Jesus Kistemaker s scholarly attention to detail coupled with accessible explanations and application will make this book valuable to everyone from lay readers to pastors looking for sermon material

**Find Your Miracle** Kerry Shook, Chris Shook, 2016-10-04 Discover the miracle you ve been looking for through an exploration of nine miracles of Jesus each filled with meaning insight and discovery for all who desperately need a miracle of their own Healing the blind Walking on water Calming the storm Feeding thousands with a few loaves and fish Every miracle Jesus performed was for a purpose There was provision for that specific moment in time But what if each miracle was also embedded with the promise of future provision for you In Find Your Miracle New York Times best selling authors Kerry and Chris Shook take a fresh look at nine of Jesus s most incredible times of healing and supernatural intervention The Shooks unpack these moments in modern language to usher you into the pain desperation breakthrough and miracle of each encounter Plus they reveal a miracle map that connects that moment long ago to our needs today for revelation transformation and restoration Weaving together the biblical narrative with contemporary real life application Kerry and Chris Shook arrange these New Testament miracles under four overarching descriptions of Jesus the Miracle Worker the Healer the Provider the Storm Chaser and the Life Giver Rather than running from our overwhelming situations the Shooks encourage us to remain steady fully trusting that Jesus stands ready to guide us to the miracle we most need and possibly least expect

**The Miracles of Jesus** Peter Negron, 2018-07-03 We live in a broken and fallen world and it is a world where people need help and often a miracle But today it seems as if miracles have become a

part of the past We don't hear of many miracles and more people even some in the Christian community have stopped believing expecting or even waiting for a miracle So where are the miracles The Miracles of Jesus is for anyone who is interested in miracles needs a miracle or knows someone who needs a miracle from the Lord Author and pastor Peter Negron shares the inspirational and encouraging testimonies of real people with real miracles including the real miracles of Jesus that we can read about in the Word of God By showing you how to position yourself for a miracle these testimonies can help you to believe again in the love and mercy of God through his miraculous answers to our prayers Miracles are a sign from God and these miraculous signs help people believe in Jesus And while some may receive a sudden miracle many others must also make the effort to position themselves in the right place take the right steps and put their faith in God In every case though we must simply trust in God and in his grace and mercy and through prayer we will be in a position of faith both for ourselves and for others in need of a miracle **The Miracles of Christ ...** Robert Maguire (Rector of St. Olave's, Southwark.), 1863

Miracles of Jesus explores both the historical and contemporary significance for each of Christ's miracles as portrayed in the gospel accounts **The Miracles of Jesus** Vern S. Poythress, 2015-11-17 Christians often view Jesus's miracles simply as proofs of his divinity. However, as prolific author Vern Poythress shows in this new book, they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection. This means that the stories of Jesus's miracles like the calming of the storm or the feeding of the 5,000 are relevant for both Christians and non-Christians alike, clearly pointing to the gospel. After setting forth a framework for viewing all of Jesus's miracles through this lens, Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew, helping modern readers understand and apply them to their own lives today.

**Inside the Miracles of Jesus** Jessica LaGrone, 2019-01-15 Jesus demonstrated the presence and power of God by performing miracles. He turned water into wine, healed the sick, calmed the storm, opened blind eyes, and raised the dead. While these beloved stories draw our attention to divine power, Christ's miracles signify something deeper: they're windows into God's grand story of human desperation and redemption. Every time we see Jesus performing a miracle, we also get a glimpse into the gift of desperation, a gift that opens us to the dramatic power of God through our desperate need for him. By explaining the meaning and significance of these miracles, Jessica LaGrone shows us their relevance for our lives today. She unpacks how understanding the meaning of Christ's miracles will help us better grasp the salvation God has brought into the world, see that our weakness is an invitation for God to work powerfully in our lives, and remind us that we need God on our best days just as much as we do on our worst.

**Signs and Wonders** Amy-Jill Levine, 2022-08-16 Explore the miracles of Jesus in *Signs and Wonders* with Amy-Jill Levine, Professor of New Testament studies and Bible study author. In *Signs and Wonders: A Beginner's Guide to the Miracles of Jesus*, Amy-Jill Levine explores selected miracles of Jesus in historical and theological context. For each miracle, she discusses not only how past witnesses would have understood the events but also how today's readers can draw meaning from Jesus's words and actions. Chapter topics include: Giving sight to the blind; Metaphors of understanding; Mark 8; John 9; Take up your pallet and walk; the paralyzed man; On the role of caregivers; A bleeding woman and a dead girl; The importance of women's bodies; Walking on water and stilling the storm; Ecological readings of the Gospels; The feeding of the 5,000 or more; The centrality of bread; The raising of Lazarus; Taking death seriously. Components for the six-week study include a book, comprehensive Leader Guide, and DVD/Video sessions featuring Amy-Jill Levine. Praise for *Signs and Wonders*: Amy-Jill Levine has the rare and wonderful gift of being able to offer solid exegetical work to readers with or without formal theological training, as if she is sitting in your living room sharing a cup of tea. Throughout this book, she calls us to the interpretive work, reminding us that the big question is not *did this happen* but *what does it mean* and ultimately *so what*. How can these old miracle stories speak good news to our lives in this time and place and invite our own healing and transformation along the way? Rev. Dr. Richard Simpson, Canon to the Ordinary, Assistant to the Bishop, Episcopal Diocese of Western Massachusetts.

Bilkes,2015-07-14 The gospels of Matthew Mark and Luke are filled with well known accounts of the miracles Christ performed Christians love to reflect on Christ s healing of the Gadarene demoniac His raising to life Jairus s daughter and His bountifully providing food for five thousand hungry listeners But author Gerald M Bilkes doesn t want us to study these miracles just because they are loved or well known He wants us to value them for what they teach us about Christ He writes When we study the miracles we should never lose sight of the glorious and magnificent Christ who performed them He still performs miracles in hearts and lives These things should astound us no less than the miracles He did when He was on earth This heart warming experiential look at twenty two of Christ s miracles with questions following each chapter is an excellent tool for personal or group Bible study

and will lead you to the cross the empty tomb and the God who purposed and performed these important events of Scripture

**The Meaning in the Miracles** Jeffrey John, 2001 Many explanations of the miracles recorded in the Gospels fall into one of two questionable categories unthinking acceptance or debunking which leaves only some vague moral lessons to be learned In this text Jeffery John sets the miracles of Jesus in a wider biblical context and shows them to be loaded with theological and prophetic relevance This broad perspective which brings together theological enquiry and the needs of personal faith should come as a revelation to many Christians searching for a proper understanding of Jesus miracles
