[The Miracles of Jesus](#) Peter Negron, 2018-07-03 We live in a broken and fallen world and it is a world where people need help and often a miracle But today it seems as if miracles have become a part of the past We don't hear of many miracles and more people even some in the Christian community have stopped believing expecting or even waiting for a miracle So where are the miracles The Miracles of Jesus is for anyone who is interested in miracles needs a miracle or knows someone who needs a miracle from the Lord Author and pastor Peter Negron shares the inspirational and encouraging testimonies of real people with real miracles including the real miracles of Jesus that we can read about in the Word of God By showing you how to position yourself for a miracle these testimonies can help you to believe again in the love and mercy of God through his miraculous answers to our prayers Miracles are a sign from God and these miraculous signs help people believe in Jesus And while some may receive a sudden miracle many others must also make the effort to position themselves in the right place take the right steps and put their faith in God In every case though we must simply trust in God and in his grace and mercy and through prayer we will be in a position of faith both for ourselves and for others in need of a miracle

The

Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life

The Miracles of Jesus and Their Flip Side Jerry L. Schmalenberger, 2000 The miracles of Jesus are some of the most striking passages in the New Testament they bring the power of God up close and personal by dramatically rearranging human situations and teaching us great spiritual truths But how can we translate the sometimes arcane historical content of the miracle stories in a way that will be meaningful to contemporary sensibilities Jerry Schmalenberger has come up with an original solution in these thirteen well crafted sermons on miracle stories contained in the Revised Common Lectionary Using the analogy of old 45 rpm records which were usually released with a hit side and a flip side Schmalenberger shares a structure for presenting the miracles in narrative form He initially focuses on the traditional approach to each miracle the A or hit side and then offers a fresh look at the other side of the story the B or flip side Schmalenberger s punch contemporary language and narrative style produce hard hitting and inspirational messages

that offer a unique twist in the interpretation of these fascinating stories Jerry L Schmalenberger has taught speech and communication at Wittenberg University and Urbana College and was a parish pastor for 29 years serving some of the nation's largest Lutheran congregations Recently retired as professor of parish ministry and president of Pacific Lutheran Theological Seminary in Berkeley California he now serves as a Global Mission Volunteer for the Evangelical Lutheran Church in America Schmalenberger has preached and taught throughout the world most recently teaching with the faculty of the Lutheran Seminary in Hong Kong Schmalenberger has also taught at seminaries in Germany Jamaica Argentina Surinam Indonesia and Liberia A graduate of Wittenberg University and Hamma School of Theology in Springfield Ohio where he received his D Min degree Schmalenberger was honored by Wittenberg with a D Div degree [Miracles Can Be Yours Today](#) Pat Robertson,2006-02-22 Pat Robertson has seen heard of and been touched by thousands of miracles in his life and others many of which he shares in this book but all of which provide a remarkable testimony of God's love for us Robertson will also explore the miracles of Jesus show the difference between positive thinking and true faith and discuss the proven principles of miracles so that we too may live a miraculous life touched by God **The Miracles of Jesus for Today** James H. Bailey,1977-01-01 **Today's Scripture Guidance** Anthony Teran Miller,2019-09-20 Today's Scripture Guidance contains daily Scripture from the Word of God to guide Believers and those who want to have detailed Holy Spirit guidance Each daily Scripture is received from God through the servant of Jesus prayer to Him The servant of Jesus surrenders to Jesus in prayer each day asking Him to utilize the Holy Spirit to meet God and receive the Scripture that God wants His people to read that day The servant of Jesus also asks that Jesus calls the Holy Spirit to send Spirit taught words through the servant that gives Spirit guidance of the very Word of God This prayer and surrender process is done by the servant of Jesus each day so that every single day of Scripture is from God and every single day of guidance to the Word of God is from the Holy Spirit The Word and the guidance of God's Word is not from the servant of Jesus but is delivered through the servant of Jesus This is the work that Jesus has called this servant to do Amen Today's Scripture Guidance is from the very Word of God It is spoken boldly with Spirit taught words The guidance is there each day to help the readers of God's Word understand the mystery of His Word through words delivered by the Holy Spirit Today's Scripture Guidance delivers daily reading and guidance to strengthen your understanding of the Word of God and to guide you through living your life in a way that pleases God This Guidance will help you to truly understand the Word of God Each day the Word was selected by God and the guidance was delivered with Spirit taught Words from the Holy Spirit Hallelujah **The Miracles of Jesus** Wessel Bentley,2012-10-01 What do the miracles of Jesus have to do with our lives today Wessel Bentley describes Jesus miracles as complex events Not only did they transform people's lives through healing multiplication or resurrection but they also challenged attitudes and beliefs This is what makes Jesus miracles timeless they can still touch our lives today just as they did the lives of people 2 000 years ago Each daily reading in this Lenten book begins with a scripture reading followed by the

author's reflections on that passage Rather than being a scholarly verse by verse dissection of the text Bentley's meditations invite you to listen to what God may be saying to you through the Bible passage The daily meditations include thoughtful reflection questions a prayer and a prayer focus that lifts up persons or situations needing the touch of Jesus To make each day's reading further relevant to your life Bentley challenges you to remember at least one aspect of the meditation as you go through your day This unique Lenten study helps you identify with the characters in the Bible stories You will see yourself and others as persons who need grace and have the potential to be transformed by Jesus' love An excellent study for Lent but this book can also be used anytime by individuals or groups wanting a deeper understanding of Jesus' miracles **God,**

One dictionary definition of miracles is that they are remarkable and welcome events that seem impossible to explain But can they still happen today Should we expect them Jesus certainly encouraged his disciples to anticipate miraculous accompaniments to their proclamation of his good news In Mark 16:17-18 he emphasizes five signs that will accompany those who believe v17 So if we accept that miracles do happen today How might we see more of the miraculous in the twenty first

century How can they be experienced Just what kind of faith is needed for them to happen Are there hindrances that can stop them occurring and if so what are they Perhaps you need a personal miracle Maybe it s a desire to help someone else receive one You might even be longing for both
