The Mistress Of Alderley:

The Mistress of Alderley Robert Barnard, 2003-03-11 Robert Barnard one of the great contemporary masters of classic mystery returns with a brilliant new tale of passion and deception Well known actress Caroline Fawley has given up a successful stage and television career for love and life in the country International business titan Marius Fleetwood can't marry her He already has a wife though he claims they are just friends But Marius has done something very special for Caroline he has bought her Alderley an elegant country home If he should die he's arranged to leave her enough money to maintain the extensive house and gardens Of course some inquisitive villagers would be happier if Caroline and Marius were respectably wed People in small towns know all and they will talk especially about a glamorous actress Caroline's adolescent children Stella and Alexander seem to accept Marius's weekend visits without distress And older daughter Olivia an opera singer on the rise is too involved in her own career and romantic intrigues to express much interest in her mother's personal life Caroline is happy and the world is good Until one day when Caroline's life begins to fall apart First a mysterious young man backpacking his way through the countryside arrives at the door He says his name is Peter Bagshaw but Caroline sees instantly that he must be related to Marius perhaps he's even his son What else has Marius hidden from Caroline Who is this man Marius Fleetwood Is everything about him a lie When a murder occurs detectives Mike Oddie and Charlie Peace must probe the lives of numerous suspects who had good reason to kill As always in a Barnard mystery the fun is in the details the characters the twists With big houses wealth opera and obsessive devotion as some of his ingredients Robert Barnard gives us a witty richly nuanced novel worthy of the crime writing star that he is The Mistress of Alderley Robert

Robert Barnard, 2007-05-08 From Robert Barnard the internationally acclaimed Diamond Dagger winning crime writer With **A Fall from Grace** Robert Barnard triumphs once again with a witty tale of family discord and murder Detective Inspector Charlie Peace and his wife Felicity are shocked when Felicity's difficult dad Rupert Coggenhoe suddenly announces that he's moving north to their Yorkshire village Felicity has never much liked her father and to have him as a near neighbor fills her with foreboding The boorish old man has always loved to impress the ladies young and old by exaggerating his modest success as a novelist True to form soon after his move to Slepton Edge he surrounds himself with adoring females including a precocious theatrical teenager named Anne Michaels Rupert and Anne could make a lethal combination Rumors fly but

Felicity convinces herself that Rupert would do nothing seriously wrong. He can be annoying and outrageous but he's not a criminal. She relies on a friend, a doctor who seems to be strangely aware of everything that's happening in the community to warn her if he hears of anything really troubling. She doesn't have long to wait but the news is not what she expects. It's worse. A body has been found and it looks like murder. Stunned by a difficult reality, Felicity is even more shocked to discover that she herself may be a suspect. This is one criminal investigation that's much too close to home for Charlie Peace. He's not officially on the case but he uses his copper's instincts and a husband's heart to find a killer and to discover anew the meaning of family. Praised for his perfect pitch, exquisite pacing and meticulous plotting, Marilyn Stasio, *The New York Times*, Robert Barnard proves yet again that he is one of the great masters of mystery.

A Cry from the Dark Robert Barnard, 2004-02-17. Master of mystery, Robert Barnard internationally acclaimed for his suspenseful, witty literary gems cleverly mixes past and present in *A Cry from the Dark*, an intriguing tour de force sweeping from 1930s Australia to contemporary London. Bettina Whitelaw has come a long way from her childhood in the little outback town of Bundaroo, Australia. Many years have passed, a lifetime really, but she's never forgotten what happened there on the evening that changed her life forever. How could she forget the school dance, her taunting classmates dancing with the strange but brilliant English boy, Hughie Naismyth? How could she forget what happened next when overheated and exhilarated by the music and the moment she wandered off alone into a secluded wooded area? Now a renowned elderly author living in London's elegant Holland Park, Bettina faces a flood of memories as she works on her memoirs, even though her focus is more on the frightening things that are happening today. Someone has recently entered her home and gone through her desk. The intruder is clearly not an ordinary burglar. It must be someone she knows. She's been a little lax in handing out keys, so the suspects are many: her nephew Mark, her agent Clare, her friends Peter or Katie. Or it could be someone else. What does Bettina possess that this person would want to steal? A puzzle that at first seems mildly disturbing soon turns deadly serious. Someone is willing to kill, but why? Does the answer rest in Bundaroo or nearer to home? *A Cry from the Dark* shows us vintage Robert Barnard as he slyly lays the clues that lead to his trademark surprise and poignant ending.

A Stranger in the Family Robert Barnard, 2010-06-08. From Robert Barnard, the internationally acclaimed Diamond Dagger winning crime writer, Kit Philipson has always felt like something of a stranger in his family. Growing up as the only child of professional parents in Glasgow, Scotland, he had every advantage. His mother was a teacher, his father a journalist, escaped from Nazi Germany at the age of three on one of the 1939 Kindertransports. But on her deathbed, Kit's mother tells him he was adopted and that his birth name was Novello. Soon, vague memories of his early life begin to surface: his nursery pictures on the wall, the smell of his birth mother when she'd been cooking. And sometimes there are more disturbing memories of strangers taking him by the hand and leading him away from the only family he had ever known. A search of old newspaper files reveals that a three-year-old boy named Peter Novello was abducted from his parents.
